

Dates, Places Set for College Draft Quizzes

Newly announced college qualification tests for draft deferment consideration will be administered in Texas at 60 educational institutions in 46 towns and cities.

The first test will be given Dec. 13 and the second on April 24. Applications for the December test must be postmarked not later than midnight Nov. 5. For the April test the postmark must not be later than March 10.

Brig. Gen. Paul L. Wakefield, state Selective Service director, said Texas draft boards will have bulletins of information, application cards, and other necessary material for student applicants by Wednesday, Oct. 3.

He urged students not to make application for the material before that time. He said the biggest demand for the printed material by students would be on local boards in college and university towns.

Students who make scores of 70 or better on the tests are eligible for consideration by draft boards for deferment as students. Boards also may consider class standing or other factors.

Students who have never received a previous statutory deferment to attend college, including freshmen who began work this fall, are entitled to a statutory deferment for a full academic year, but after that deferment will have to be on other grounds, such as test score or class standing.

The state draft director said students who have taken the test before will not be allowed to take it again.

Sportsmanship Group to Meet At Arkansas

The first meeting of the Southwest Conference Sportsmanship Committee will get under way in Fayetteville, Ark., home of the University of Arkansas Oct. 8.

Delegates from the colleges in the SWC will attend the meeting and take up items for the coordination and cooperation between the colleges.

Attending the meeting will be members of the student government, editors of the school papers, yell leaders, newsmen, and other campus leaders.

Last year the meeting was held on the A&M campus. The committee was founded in 1947 by The Battalion. The A&M paper donated a three-foot-tall gold trophy to be given to the school, which during the year exhibited the greatest amount of sportsmanship.

At the meeting last year the question of appointing a recognized spokesperson to the committee was discussed. The motion was passed and A&M appointed Jack Gallagher of the Houston Post as its representative.

Also at the Spring meeting it was decided the winner of the trophy would be selected on the basis of two votes cast during the year. One vote will be taken at the end of the football season and another at the end of the basketball season. The winner will be announced at the annual Cotton Bowl game next New Year's day.

The trophy is now held by SMU, who is a two-time winner. If the trophy is won three times in a row it goes to that school for permanent ownership.

Cadet Eleven Overpowers Tech As Ground Game Clicks, 20-7

Yale Lary, A&M's leading punt returner who last year helped the Cadets lead the nation in this department, went for 23 yards before being downed by Texas Tech End Paul Erwin (88). Coming from behind to help Erwin is Charles Welton, Tech fullback. Against UCLA the previous week, Lary also had a good week in returning punts as he returned three for 55 yards, while in the Tech game he was largely responsible for the majority of the 85 yards which the Cadets gained in returns.

Glenn Lippman, who plays both right and left halfback for A&M as well as call signals, is downed by two unidentified Texas Tech players after having gained 29 yards. Lippman led the ground gainers Saturday, gaining 156 yards in 18 carries.

A&M, Oklahoma Meet In Home Tilt

Coach Ray George's undefeated Maroon and White eleven will put their "neck on the block" Saturday night against Bud Wilkinson's Oklahoma Sooners, who are also undefeated, as a hard-hitting, hustling A&M football team held true to form this past weekend overpowering an inexperienced Texas Tech eleven, 20-7.

Lightning rough play marked each minute of the hard fought Cotton Bowl battle witnessed by 27,000 fans, a record crowd for an Aggie-Red Raider tilt.

Taking the lead in the first five minutes of play, the Cadets were checked but once when, in the second quarter, the Raiders drove 46 yards to pay dirt by a series of end-around and off tackle dashes.

Wilkinson, flew from the site of the OU and William-Mary game at Norman to see the ground gaining power of the Cadets.

Glenn Lippman displayed a speed and deceptive power the likes of which Aggie fans have not seen since the El Campo Flash's mighty freshman year. In 18 carries, Lippman toted the ball for 156 yards to be the leading ground gainer of the evening.

The penetrating power of the Aggies was first shown by Lippman as he returned the ball 15 yards on the kick-off and followed up with a five yard smash over right tackle on the first play of the game.

This beginning drive continued as the Cadets pushed the Raiders to their six yard line where Dick Gardemal threw to Charley Hodge for the first Aggie touchdown. Left end Darrow Hooper converted the extra point.

But the youthful Tech team was not to be denied.

Quarterback Junior Arterburn took Yale Lary's punt which was booted from nine yards deep in the Aggies end zone and returned it nine yards to the Cadet 46.

In six plays, displaying tricky ball handling and speedy running Tech scored. Left halfback Jim Turner started the scoring series as he hit around left end for two yards.

Frank Graves, one of Tech's outstanding backs, busted over right tackle for 11 yards and a first down. Turner then took over and on a pitch out from Arterburn, who then passed to Graves on the Aggie 23. Turner carried for two, Pete Rinaldi for three, then Turner scored from 12 yards out. No one touched him as he sped (See GRAVES, Page 4)

Aggie Rodeo Slated Here This Weekend

The annual Aggie Rodeo sponsored by the Saddle and Siroloin Club will open with all student contestants Friday for a two day stand.

Featuring the famous stock from the Triangle-Bell Ranch, the club plans a big performance with many special attractions.

Included in the specialties will be trick and fancy riding and roping, a professors bloomer race, and a long distance horse race.

The two productions of the rodeo have been scheduled for 8 p. m. Friday and 2 p. m. Saturday, announced Warren Pierce of the Publicity Committee.

Bo Damuth, senior animal husbandry major from Magnolia, will be the clown for both shows. "Damuth is well known for his rodeo clowning all over the country," said Pierce.

No contestants for the rodeo have been announced yet, but final listing of the men to compete in the various events will be released early this week, the publicity committee said.

Posters and signs have already been distributed throughout the area and preliminary plans have been completed, Pierce said.

The rodeo will feature the usual roping, riding, bull-dogging, and bull riding events.

96 Students OK'd For Oct. 3 Ballot

Election of dormitory student senators, senators-at-large, and Student Life Committee members will be held Wednesday night.

"Organization first sergeants, housemasters, and special representatives will pick-up and distribute ballots in the dorms and apartments and after balloting is completed will deliver the votes to the Student Activities office," said Don Young, election committee chairman.

Twenty-two candidates filed before the 5 p. m. Friday deadline.

New candidates are James Strain, Charles Steward, Hirschel Sexton, Clayton Selph, C. E. "Dutch" Sebasta, William Rowland, Ralph Rowe, Vance Riley, T. K. Perkins, Robert "Rip" Martin, Eugene Nixon, Ronny Kaspar, and Lawrence Goats.

Jerry Fineg, Marshall Crouch, Jack Craig, John Coolidge, John Childs, Bill Cawley, Billy Campbell, A. C. Burkhalter, and Bob Andrews.

These new candidates brought the total number filing up to 96—63 for dorm senator, 28 for senator-at-large, and 5 for student life committee.

At 1 p. m. today 45 students who had filed for positions on the ballot had not been approved by the Dean of Men's office.

Bands Provide Halftime Color

The 180-piece Aggie Band moved in from the North in a formation which stretched the width of the end zone. Buglers sounded "Re-call" and the famous band from Aggieland stepped off to strains of the "Aggie War Hymn."

After several flanking movements, and two double minstral turns, the band did a spectacular triple counter-march which brought a big ovation from the audience.

A quadruple minstral turn (What else would you call it?) separated the band in half lengthwise. Always playing, the cadet marching unit formed the letters T-E-C-H facing both sides of the stadium. Then they went into a T-A-M-C formation, again facing the east and west sides of the bowl.

Still split into two units and still playing, the band saluted Dallas with the letters B-I-G-D.

After the salute to Dallas and a round of applause from fans, the band stayed in a split formation and formed two large "T"s. They marched to the south in this manner, still playing, did a counter-march, and emerged with the two "T"s moving back down the field. The Aggies flanked to the east stands and broke the formations as they went off the playing field.

Fans were rather amused when a public address system announcer made the following statement, "O'Grady was in on the tackle for Texas Tech—O'Grady taken out of the game and replaced by . . ." (See FISH, Page 4)

MSC 'Round-Up' Opens at 7:30 p.m.

Swinging into high gear tonight will be the MSC student recreational and educational program when its annual Round-Up gets underway at 7:30 in the Ballroom.

"Our Round-Up" is designed to provide students with information on the MSC program and give them an opportunity to sign up with their favorite activity," Round-Up Chairman Tom Rountree explained.

Chairmen of the various committees will briefly outline the activities of their groups following a discussion of the overall MSC student program by Dan Davis, MSC Council president.

Register for Activities

Students will then be given an opportunity to ask further questions and register for any activity they are interested in.

This year's MSC program boasts 12 committees including Dance, House, Crafts, Music, Public Relations, Browning Library, Bowling, Table Tennis, Bridge, Radio, Camera and Art Gallery.

Students interested in Crafts or Camera activities will find both of these groups outfitted with equipment. The Crafts group has a completely outfitted shop located in the MSC lower level. And the Camera Club has darkroom facilities available for its members.

Two of the groups, Bowling and Table Tennis, plan to compete in intercollegiate matches this year and the Radio Club plans to facilitate a bowling match by radio sometime during the year.

Art Gallery Schedule

This year's Art Gallery Committee already has a schedule of exhibits arranged and offers instruction in oils and water colors.

All students are invited to attend the Round-Up and we want to especially welcome all Freshmen so that they may become acquainted with MSC activities, Chairman Rountree said.

"Informality is the keynote of our program and there will be plenty of coffee and cookies," Rountree added.

Registration Set For Poultry Short Course

Registration will begin Tuesday at 8 a. m. at the poultry farm for a three day short course on Turkey and Chicken Grading, said E. D. Parnell of the Poultry Husbandry Department.

Meetings will be held at both the poultry farm and the assembly room of the MSC.

GOP Governors Chose Gen. Ike Over Bob Taft

Gatlinburg, Tenn., Oct. 1—(AP)—Gen. Dwight D. Eisenhower is the favorite for the 1952 GOP presidential nomination among Republican governors who are willing to go on record publicly.

Their next choice is Sen. Robert A. Taft of Ohio—with more strength than he showed among them six months ago.

But about half the Republican governors decline to commit themselves openly so far.

Most Democratic governors believe President Truman will run again, and he is the choice among those willing to state their preference now.

This was disclosed today by an Associated Press poll as the governors prepared to begin business sessions of their annual national conference tomorrow.

Of the 25 Republican governors, nine said they want Eisenhower for their nominee and four favored Senator Robert A. Taft of Ohio.

A long list of Republicans was mentioned as second or third choices.

Of 23 Democrat governors, eleven said they are back of Mr. Truman for a new term, two believe Eisenhower is the man their party needs and one supports Senator Richard Russell of Georgia.

Eisenhower got two second choices among the Democrats, tying with Chief Justice Fred Vinson in that category. Senator Paul H. Douglas of Illinois had one second place vote and split a third place vote with Vinson.

In contrast to a similar poll six months ago, Taft appeared to be gaining some strength among the Republican governors. Four of them picked him as their first choice in today's canvass, compared with only two previously.

Ralph Terry Wins QB Club Contest; Meeting Tuesday

Ralph Terry of College Station was winner of last week's Battalion Quarterback Club Contest. Terry picked all six winners, as did 141 other contestants, but edged his nearest competitor, C. A. Peterson, by more accurately predicting the scores.

Other contestants who followed the first two places, in the order they finished were T. B. Goodson, Carlos Melina, H. G. Pierce, Otis Miller, Stanley Yarde, and Gary Boring.

Entries in last week's contest totaled 1237. Odds for picking six winners, according to Frank Scott, Quarterback Club manager, were 36-1.

Terry will be presented two tickets to the A&M-Oklahoma game at the Tuesday night meeting of the Quarterback Club.

Morris Frank, columnist for the Houston Chronicle, will speak at the meeting Tuesday which gets underway at 7:45 p. m.

Movies of the rugged Texas Tech-A&M game will also be shown.

W. Wipprecht, Class of 1884, Dies in Bryan

Walter Wipprecht, class of '84, died at the age of 87 in Bryan Friday afternoon.

Wipprecht was one of the oldest graduates of A&M remaining before his death.

The well-known man of Bryan and College Station was familiar to many of his friends as a respected citizen, as well as a financier, statistician, and historian of Bryan. He passed away in a Bryan hospital at 4 p. m. Friday.

Funeral services were held at 2:30 p. m. Saturday in the Hillier Funeral Home Chapel. With services conducted by the Rev. A. T. Dyal, interment was made in Bryan City Cemetery.

Wipprecht received a certificate from A&M in 1884 for completing the course offered in Agriculture. In June of 1885 he was awarded a Bachelor of Scientific Agriculture degree, one of the few given at A&M.

Following the degree presentation, he became a member of the Chemistry Department faculty a position he held for many years.

He was one of the early presidents of the Association of Former Students, serving during 1890-1891.

Wipprecht became business manager of the College in 1914 and held that position for 23 years.

Survivors are one daughter, Mrs. T. W. Kernode of Bryan; three sons, Red Wipprecht of College Station, Carl Wipprecht of Rusk, Walter Wipprecht of Miami, Fla.; and five grandchildren, and two great grandchildren.

Governing Boards To Hear Sen. Aikin

Big Weekend for Ags In Dallas

A yell practice in front of Dallas' Jefferson Hotel set off activities in the Cotton Bowl City Saturday afternoon as the Texas Aggies moved in to see the Maroon and White in their first Texas game of the year.

The Red and Black of Texas Tech was also on hand in force, as the students from the Lubbock school and their 104 piece band paraded down the streets of Dallas Saturday afternoon.

A little tiff between students of both schools over whose signs and banners would hang from the hotel balcony resulted in a mad scramble as the Tech boosters rang down an Aggie sign as the yell practice was coming to a close. Police had to intervene to quell the disturbance.

A substantial night crowd of approximately 30,000 seemed dwarfed in the enormous Cotton Bowl which seats 75,500.

Adding much color and attraction to the game were the bands which represented the two schools.

Clad in Red and Black uniforms, the 104 piece band of Texas Tech entered the field at half time from the South end of the stadium to give an impressive performance. The Red Raider band went into a T-E-X formation after stopping with 10 yard intervals from 20-to-20 yard lines. While playing the "Spirit of Aggieland" they moved into an enormous A-M-C formation.

In a salute to their own school, the Tech musical contingent formed their famous "Double
