Three Proposed Amendments Favored by Western Group

Abilene, Tex., Oct. 5—(AP)—Taxation and legislation committees of the West Texas Chamber of Commerce yesterday voted to support two and oppose three proposed amendments to the state constitution.

The WTCC supported:
 1. Providing for investment of the permanent fund of the University of Texas in securities other than those issued by the government.
 2. Increasing the amount of bonds authorized for the veteran's land fund from \$25 million of \$100,000,000, making Texas veterans of service after 1945 eligible for loans.
 The group opposed:
 1. Authorizing the legislature to provide a state wide system of retirement and disability benefits for appointive officers and employees of counties.
 2. Raising the tax rate ceiling for rural fire prevention districts from three cents to 50 cents per \$100.
 3. Authorizing an additional \$7,000,000 per year for old age assistance, aid to the blind and to dependent children and eliminating citizenship and residence requirements for eligibility to Texas old age assistance.
 The proposals will be voted on Nov. 13.

Mogford Holds Kapers Helm

With the experienced hand of "Cotton Joe" Mogford at the helm Kiwanis Kapers Oct. 15, and the committees working on the home talent show evidence complete confidence that "it will be a great show."

With almost no effort Director C. K. Esten has lined up 14 individual and group acts with more to come. High school, junior high and grade school children at A&M Consolidated report ready acceptance of the tickets they are selling. Other committees report equally successful progress.

"There's every reason we should feel confident," Kiwanis Club sponsors of the show agree. "With Joe Mogford telling us what to do and how to do it, how can we go wrong?"

V. A. Young Flies To California
 Dr. Vernon A. Young, head of the Range & Forestry department, flew to Santa Marie, California yesterday to attend the funeral of his sister and brother-in-law Mr. and Mrs. Harvey E. Small.

And they have evidence on their side. J. S. Mogford, professor of agronomy at A&M, for 15 years has been pleasing the public with his Texas Cotton Pageant, Style Show and Cotton Ball. That internationally-known event has always moved smoothly and efficiently. Each year it has grown in size, popularity, and in splendor of display.

Color, variety, and live entertainment are the secret of the Cotton Pageant's success, Mogford will tell you. And much of that will carry over to the Kiwanis Kapers. His latest report from Director Esten shows acts ranging from a torch singer to a girl's barber shop quartet, patter with a British twist and pure corn, as well as a touch or more of "straight" acts.

THE PILLAR OF CLOUD
 and **THE PILLAR OF FIRE**

It happened three thousand years ago. A pillar of cloud and a pillar of fire were the symbols of Divine Guidance. By them, God led His chosen people through the wilderness.

Hardly the same thing as an atomic explosion . . . and yet, it is possible that this modern pillar of cloud and fire is leading men through a modern wilderness!

The fearful knowledge of the extent to which man has perfected the "art of destruction" is awakening the world to a new appreciation of the importance of spiritual guidance.

Next Sunday—World Wide Communion Sunday—millions of men and women will unite in solemn observance of one of Christianity's holy sacraments. There will be new faces at thousands of altars, men and women who have only recently begun to realize where man's Hope is to be found.

God again appears in a pillar of cloud and fire!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
