

Freshmen Run Over Blinn In Opener, 28-13

By GUS BECKER
Battalion Sports Writer

A & M's freshman footballers started the season off right, last night, ramming out a 28-13 victory over Blinn College.

Displaying a lot of talent, the Fish showed they could develop into one of the best freshman teams in the Southwest Conference.

Freshman Coach "Klepto" Holmes said he was proud of the boys and happy to have won the game.

Although the score might not indicate it, the general opinion was that the lean years are definitely over at Aggie land and that another "Smith, Lippman and Tidwell" combination was on the way up.

Buccaneers Receive

The Buccaneers won the toss and elected to receive. Failing to get anywhere after making one first

down, the Buc's booted to the Fish. The freshmen also made a first with pile-driving fullback, Virgil Patton, leading the way. The Maroon and White squad was forced to kick after their offense stalled.

Next time the Fish got their hands on the ball Joel Smith passed to Bennie Sinclair who made a beautiful catch to place the ball deep into Blinn territory.

After a fumble on the 9 yard line gave the Buccaneers the pigskin, the freshman drew first blood when guard Sidney Theriot tackled the Blinn quarterback behind the goal for a safety.

A few minutes later the Fish recovered a fumble on the Buc's 45 and drove all the way for a score with Ed Kachtik, another hard running fullback, going over from the 20.

James Self, a sealtack from Wichita Falls, held the ball and Smith booted it through the up-rights to make the score 9-0 in

favor of the freshman.

After an exchange of punts, the Brenham squad took the ball on their own 32 yardline and marched down the field for a touchdown. The try for point was blocked by Patton and the Buc's were three points shy of a tie.

The Fish failed to move after the kick-off and Patton kicked out of bounds on the Blinn 37.

Gascamp - Blinn Star

Three plays later Gascamp, a shifty Brenham back, scampered from the Aggie 43 for another touchdown. The kick was good this time and Buccaneers led 13 to 9.

The freshman came surging back after the halftime intermission and scored early when Self ran fifty yards for another Fish TD. Marvin Tate, a guard from Abilene, Texas, kicked the point and the Freshman were out in front 16-13.

Stopping the Blinn attack after the kick-off, the first year men traveled from their own 45 to score on a pass play from Ed Hennig, quarterback from Tyler, to Don Morgan, an end from Beaumont. The try for the point after by Smith was blocked to make the score 22-13, at the end of the third quarter.

A beautiful punt return by Ken Langford, right halfback from Houston, and a personal foul against the Buccaneers, placed the hog hide on the Buc's 25.

After Self made a scamper around right end, Charlie Killough ran around the opposite end for the final Fish score. Tate's second try for the extra point was no good but the Freshman still won 28-13.

Ags To Upset OU In Thriller, 21-20

By ED HOLDER
BATTALION SPORTS NEWS EDITOR

The Aggie-Sooner game is rated second in the nation on this week's schedule.

We said last Wednesday that the Cadets will come out with something other than the orthodox "T".

If our prediction holds true, we will favor the Aggies over Oklahoma University in a hard fought battle, 21-20.

This also means we expect Darrow Hooper to provide the final thrill when he splits the posts with the deciding conversion.

Bob Smith, Billy Tidwell, and Glenn Lippman will provide the yardage on the ground while Dick Gardemal and Ray Graves take to the air for their share of total yards.

The Longhorns of Texas are our favorites in their second home tilt of the year against North Carolina. Texas should begin to hit their stride with the split-T backfield they are using, and their powerful defensive line will be at its best to run over the Tarheels in an easy game, 20-0.

TCU and Arkansas meet in the first conference game of the year. Little Rock, Ark. is the site of the tilt in which the Razorbacks are slight favorites. However, TCU has added new strength to its lineup so we say there will be an upset, 14-7.

We will go even farther with calling upsets, and this one will be in the Baylor-Tulane clash. The Green Wave of Tulane is the slight favorite but Baylor has had two weeks to prepare for the game so we say the Bears will come out on top 20-14.

The Rice Owls handed LSU a beating last year, but we think it will be the other way around tomorrow, 26-13. Fred Benners is our choice to lead SMU over Missouri, 21-7.

CHS to Face Milano Tonight

The Consolidated Tigers will take the field Friday night against a weakened Milano eleven.

Coached by O. V. Chafin, the Tigers have worked hard this week on a much-needed defensive wall. A scrimmage was held this week with Franklin High School and Coach Chafin reports that the Tigers have improved a great deal.

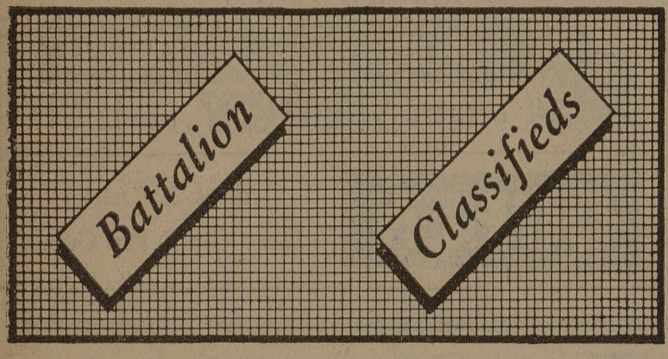

"Milano has a good defense, but not much offense, Coach Chafin said. "My boys have been working hard and are ready for the tilt Friday night."

Casualties on the Tiger team have been low. The only boy not expected to play Friday night will be Dan Williams, who has an injured back. He will be replaced by Bob Barlow.

Expecting to start against the Milano club will be Anderson at quarterback, Leighton at right half, Arnold at left half, and Klippe at fullback.

In the line will be Cooner at center; Bonnen, right end; Johnson, left end; Wade, right tackle; Barlow, left tackle; Bond, right guard and Wade, left guard.

Garmany Paces Cadets In Cross-Country Run

With a full year of experience under its belt, the Oklahoma cross-country team comes to Aggie land Saturday for the annual two-mile race before the A&M-OU pigskin battle.

It was reported today from Col. Andy Anderson, A&M track coach, that as far as he knows John Garmany will run for the Aggies. Consequently, the team will be at full strength for their opening team competition.

Due to the fear of football fans crowding the track plus the field boxes being close to the field, Coach Anderson has changed the time of the event to 3:30, instead of the reported pre-game time of 7:55.

This two mile distance race is called the cross-county only due to the length of the course, for it is being run on the track at Kyle Field.

The Cadets will be trying to avenge their 23-32 defeat of last year at Norman. And they seem to have a good chance to do just that. Sophomore, James Blain will definitely be a "point getter" for the Aggies, since he ran some practice laps in near-record time. Dale DeKouen, another Sophomore, has been running close behind Blain, and should be another counter.

The number three spot is filled by Charles Hudgins, a junior, who has also run some fast laps. Filling out the Aggies distance squad will be Garmany and Charles Gabriel in fourth and fifth position.
