October 31 is the last date on which orders for Senior rings may be placed for delivery before the Christmas holidays. Any student who lacks not more than eight hours of having completed the number of hours required through the junior year of his curriculum and who has earned an equal number of grade points and who is in good standing may purchase the A&M ring.
All rings must be paid for in full when placing the order.
The Ring Window is open only from 8 a. m. until 12 noon daily.
H. L. HEATON, Registrar

Identification Cards which were made in connection with registration for the current semester will be ready for distribution Thursday, Oct. 11, 1951 at 8 a. m. in the Registrar's Office. They should be claimed in person immediately.

Students wishing to serve as tutors should contact James Y. Alexander in the Registrar's Office immediately.
The procedure for a student to be listed by the Registrar's Office as a qualified tutor is as follows:
(1) The student should contact James Y. Alexander in the Registrar's Office.
(2) There the student will be given necessary forms to fill out and have approved by the department head in which field he wishes to tutor students.
(3) The student is then placed on the qualified list of tutors by the Registrar. This list is made available to students needing tutors.
There is currently a shortage of student tutors. Pay for tutoring varies, but generally averages about 75 cents an hour, and in some cases the hourly wage paid probably will be higher.

CANDIDATES FOR DEGREES
Any student who normally expects to complete all the requirements for a degree by the end of the current semester should call by the Registrar's Office NOW, and make formal application for a degree. November 1st is the deadline for filing an application for a degree to be conferred at the end of the current semester. This deadline applies to both graduate and undergraduate students. Those who have not already done so, should make formal application in the Registrar's Office immediately.
A student who is a candidate for a degree must be registered for the courses necessary to complete the requirements of his curriculum, and must not lack a grade point ratio in excess of 1.50 in his major field, and overall for his work on that semester, in order to meet the grade point requirements for graduation.

HITCHING-POSTS

Here and there in some of our cities and towns one finds narrow streets, still lined with hitching-posts—beloved relics of an almost forgotten era!

But man hasn't really abandoned the hitching post. He has converted it. Today he calls it a parking lot, or a terminal, or an airport. But it's really the old hitching-post, just the same.

In fact, we never will out-grow our need for the hitching-post. No matter how far or fast we travel, there will always be places we like to stop and stay awhile.

Odd how our spiritual needs resemble the physical . . . The soul needs a hitching post, too. As we try to keep up with the ever-quickening pace of modern life, we need the sound, solid, unwavering truth of our Christian religion.

And come Sunday morning, there's no place like the Church to stop and stay awhile!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
