

# Ags Hopes Fade With Hogs; TCU, Texas, Rice Still Win

**Based On AP Report**  
 The Aggies lost all hope for a Southwest Conference Championship this year as they fell before the Rampaging Razorbacks, 33-21, Saturday afternoon.  
 Texas and Rice were the only ones to come through as expected. The Longhorns set back SMU with a 20-13 defeat in what looked like a walk away in the first half. However, the Mustangs came to life in the last half to throw a good scare into TU.

Rice slipped by a tougher than expected Pitt eleven and had to use the last four minutes of the game to score the two winning touchdowns, 21-13.  
 TCU supplied the surprise of the week as they completely mastered the once high-flying Baylor Bears, 20-7. Again, it was their new star quarterback, Ray McKown, that sparked the Frogs to their third straight conference win.

**Texas 20, SMU 13**  
 Texas blunted the famed Southern Methodist aerial weapons Sat-

urday and rode to a 20-13 Southwest Conference victory on the strength of three first-half touchdowns whipped up within five minutes time before 72,000 fans.

Gib Dawson and Bob Raley gave Texas a 13-0 first quarter lead on a 24-yard burst through guard and a 62-yard pass interception return, then Dan Barton racked up the final one three minutes deep into the second period with a plunge from the two.

Southern Methodist, its great Fred Benners having one of the worst days of his career in the opening half, sputtered futilely until late in the third quarter.

Meanwhile, Dandy Dick Ochoa paced a terrific Texas ground game that piled up 237 yards against the Mustang forward wall.

## TCU 20, Baylor 7

Maybe it's too late to prevent it now, but the Southwest Conference is facing a back-door conquest by one Texas Christian University, an entry out of Fort Worth hardly given a tumble in championship consideration even after it won two conference games.

So Saturday, these bruising, driving men of the tantalizing spread and a never-failing aptitude for cashing in on opportunity, soundly thrashed the Baylor Bears, 20-7.

This not only set Dutch Meyer's lads up with an unmarked 3-0 conference lead, but virtually cancelled Baylor—until Saturday their chief contender—out of the title consideration.

It was indeed a sad day for previously unbeaten but once-tied Baylor, playing before a homecoming day crowd of 37,000, largest ever to attend a game in the fine new Bruin stadium.

The pregame Cotton Bowl and Southwest Conference talk among the green and gold was nothing more than a sad memory after the likes of Ray McKown, Bobby Floyd and Keith Flowers finished with their notch-lowering operation.

## Rice 21, Pitt 13

Rice rallied its fumbling forces for two touchdowns in the last four minutes of play Saturday and licked Pittsburgh, 21 to 13.

Trailing, 14 to 13, the Owls first marched 65 yards in just four plays with Dan Drake passing the final 25 to Sonny McMurry. Bill Wright kicked his second extra point and this one put the Owls in front.

Just twenty-five seconds before the game ended, Billy Ed Daniels broke off tackle and ran 25 yards for the score that sealed Pittsburgh's sixth straight defeat this season.

The Panthers had used Rice fumbles as a springboard for touchdowns in the second and third quarters, Lou Cimarrilli scoring the first one on a 1-yard line plunge and Bill Reynolds the second one from the 2.

## Ags Lose

(Continued from Page 1)

Trapped behind the line, Gardemal threw the ball into the Hog end zone where Cole intercepted and returned to the Arkansas 46 before being downed. Gardemal's pass was intended for Smith.

The Cadets got the ball back however, when Aggie Guard Alvin Langford recovered Sutton's fumble on the A&M 43.

Ray Graves entered the game and sparked the second Aggie scoring drive.

On second down, Lippman skirted the Hog left end for three yards and then Hooper, alone in the end zone, grabbed Graves' pass to put the Aggies back in the ball game. Hooper's kick was good and Arkansas led 20-14 with 55 seconds remaining in the half.

Following the second half kickoff, the Aggies moved the ball to the Pig 32 yard line before being forced to punt. Lary's kick stopped dead on the two and Arkansas found themselves in a hole.

The Razorbacks worked the ball to the 19 where McHan punted to Lary on the Aggie 33. The Aggie safety returned to the Hog 44.

McHan punted out of bounds on the A&M 34 and the Aggies took over. On first downs, Lippman hit right tackle, jumped over two Arkansas defenders and outdistanced the pursuing Razorbacks for the Cadets' third touchdown. The play gained 66 yards. Hooper again kicked goal and the Ags lead once more, this time, 21-20.

Sutton returned Hooper's kickoff of 26 yards to the Hog 42. Needing two on fourth down, the Razorbacks gambled successfully as McHan ran for five, then flipped a lateral to Hogue, who carried two Aggie tacklers to the Cadet 28.

McHan passed to Summerall for another first and the Porkers once more were knocking at the door, this time from the 15.

McHan picked up nine over right tackle and Sutton rumbled left guard for the score. Nix' try for point was good and Arkansas led 26-21 with one minute and 30 seconds gone in the fourth quarter.

The Aggies failed to gain following the kickoff, and Lary, punting 41 yards to the Hog 23, Cole, leading punt returner in the Conference returned to the Porker 31.

Three running plays failed to gain and McHan punted to the Aggie 23 where the ball rolled out of bounds.

After seven more running plays, McHan, from the one yard line, rumbled the Aggie middle for the fifth Arkansas score. Nix' kick was good and Arkansas led 33-21 with only 40 seconds left in the game.

# CHS Tigers Blow Up Somerville, 69-0

By CHUCK NEIGHBORS  
 Battalion Sports Writer

Jerry Leighton, a combination 100-yard dash man and football star added 30 more points to his total in the A&M Consolidated-Somerville clash Friday night on Tiger Field.

Cold weather kept most Tiger fans in their homes but seemed to have no effect on the red-hot Tigers, who scored in every period but the third, to win their third straight district tilt.

Leighton scored the first TD in Friday's game when he ran a Somerville punt back 75 yards to pay dirt. Following Leighton's lead, Willie Arnold made the second score for the Tigers on an end run.

Crossing the double stripe three times in the second quarter, Leighton sparked a Tiger attack that pushed the Somerville team all over the field.

Leighton's second quarter runs included one for 60 yards, and one for 55. The third TD he scored was set up by Gayle Klipple, who made three first downs for the Tigers in a drive starting from the 43-yard line. Leighton went over from Somerville three.

By the time the A&M Consolidated band, under Col. R. J. Dunn, came on the field for half-time activities, most of the spectators had gone home.

Attendance fell from about 200 in the first period to less than 100 in the last.

The educated toe of George Johnston was not bothered by the cold as he successfully completed nine out of ten tries for extra point.

A predicted duel between Leighton and Robert McMinn, Somerville halfback, did not come off, and it was Leighton all the way for the Tigers.

O. V. Chafin, Consolidated mentor, is optimistic about the game with Navasota coming up this Friday night.

Although the Navasota team is in a class-AA district, Consolidated was beaten only 7-0 by the Rattlers last year.

Tiger victories this season include wins over Kosse, Milano, Magnolia, Waller and Hempstead besides the Somerville win. The Tigers were awarded the win over Hempstead as a result of more first downs, because the score and penetrations were even.

Last quarter scoring for the Tigers was done by Leighton with two goals, and David Bonnen who scored the last TD for the rampaging Tigers on a pass interception.

With a perfect record in conference games, the Tigers appear to have the District 24-B championship sewed up.

## A&M-Ark. Tie; Blaine Wins Cross-Country

Aggie James Blaine came in first to give the Cadets a tie with Arkansas 33-33 in a triangular Cross-Country Meet held Saturday morning in Fayetteville.

Texas completed the three team event and placed a very weak third, trailing with 54 points.

Arkansas' Rick Herber came in second. Blaine's winning time for the 2.6 mile chase was 12:15.7.

Other Cadets placing were John Garmany and Charles Hudgens running fifth and sixth. Charles Gabriel and Bill DeRoun followed up with tenth and eleventh spots.

The Longhorns came in third with C. A. Rundell turning in their best performance. Chester Bradley, Pat Odell, Early Killam, and Otis Budd completed the TU squad.

The Southwest Conference Meet is scheduled for Arkansas later this month.

## Here's What You Should Know About The New Texas "Safety Responsibility Law"

- Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed **within ten days** if your car is in an accident resulting in death or injury, or property damage in excess of \$100.
- You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
- Select An Established Insurance Agent.** We agents listed below know the insurance business and represent well-known dependable capital stock insurance companies. We are not of the kind that are here today and gone tomorrow. Our names are listed in the telephone directory. A telephone call will find us ready to serve you—not only NOW — but YEARS from now.
