

A Infantry, B Athletics Win

By JOE BLANCHETTE
Battalion Intramural Writer

A Infantry and B Athletics advanced into the second round of the Intramural Cage playoffs and firmly established themselves as the favorites to meet in the finals with their respective wins over A

Seniors and F AF last night in DeWare Field House. The infantrymen mauled the seniors of A Company by the score of 30-3. Ed Moses was the deciding factor in the Infantry win over the Seniors. His field generalship and 12 points made him the outstanding player of the night plus high point man.

The Infantry built a 7-0 lead in the first half and continued to move at a fast clip in the second half.

Moses opened the scoring in the second half by dropping in a long shot to build the score to 9-0. Following in quick succession Charley Smith hit a two-pointer from deep in the corner and Moses bounced in two field goals. Don Horne brought the score to 19-0 by dropping in two field goals.

Jim Hillman tallied the first point for the Seniors with a field goal from 25 feet out.

After that it was once again all Infantry as "Pumpkin" Pybus hit a field goal and Smith counted for three consecutive field tallies. Hillman hit again on a free toss for the Seniors and Val Smith counted on two short set shots for the winners to make the final score read 30-0.

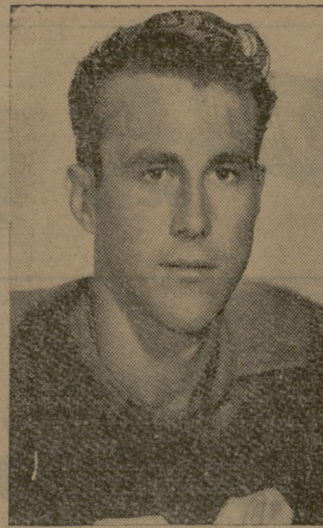

In a contest that was loud and vociferous the quintet from B Athletics counted a 19-13 win over F AF. Dave Selman was the personal scoring machine for the winners with eight counters. Carlos Gonzales paced the losers with six tallies.

At halftime the Athletics had built a 10-4 lead and had to fight off a determined airman team in the second half to preserve the win.

Hal Douglas opened the scoring for the winners in the second half with a field goal to bring the score to 12-4. Gonzales lessened the margin with two fast field goals but Gene Letsos hit on a gift toss to make the score read 13-8. After that it was all in favor of the Hart Hall men as the Athletics moved up one more notch in the playoff bracket.

Benton Musslewhite

Ben White

Dick Hightower

Mustang Stars Boast Good Records; Out To Sink Ags

Ben White of the Mustangs is one of the main reasons for Fred Benners passing record being so outstanding.

Starting this season with a 1950 record of 463 yards gained on passes caught, White has been the object of many of Benners' passes in this year's games as he runs from his end slot.

White can also boast four of the passes he caught last year were run over for touchdowns.

A senior from San Antonio, White is 6 ft. 4 inches and weighs in at 205 pounds. His pass snatching is rated as sensational, and he is credited with 13 passes caught

this year and 196 yards gained on these passes received.

Benton Musslewhite

One of the leading pass receivers in the conference, Benton Musslewhite caught three passes against Texas last week for a gain of 24 yards. One of these passes he caught ended with an addition of six points to the Mustang score.

For the season's record so far, Musslewhite is credited with 18 catches for 258 yards, two of these touchdown passes. His average yards gained on passes caught stands at 14.3.

In last years games, Musslewhite also proved he could rush

with the ball as he wound up the season ranked as third rusher on the Mustang eleven.

Musslewhite also came in third in yards gained on passes caught. The two in front of him this time were Champion and Benton White.

Dick Hightower

First string center for the Mustangs in the last two seasons was Dick Hightower, and he will be back this year to throw his 215 pounds against the Aggies.

One of the few SMU iron men on this year's squad, Hightower is rated by many as a chief candidate in the SWC for All-American.

His outstanding play on both offense and defense has brought him the acclaim of both the team supporters and many critics.

Hightower is a senior from Tyler and stands 6 ft. 1 in. The 20 year old played 240 minutes of ball in 1949 when he was a sophomore, and followed through last year when he was a junior with 359 minutes of playing time to his credit.

CHS Sets Bonfire For 6:45 Tonight

A bonfire will be held tonight at 6:45 p. m. behind Consolidated Junior High School in conjunction with a pep rally for the Consolidated Tigers and Navasota football game tomorrow night.

Celeste Curran, Louise Street, Patsy Ross and Martha Ergle will lead the yell.

The Consolidated Band will be in uniform and play for the rally. Speeches will be made by Coach O. V. Chafin and others. Following the bonfire the Consolidated Kittens will play Huntsville.

Jerry Lightnin' Leighton has scored 120 points for the A&M Consolidated Tigers so far this season and there are still two games left. If Leighton continues at his present rate of 15 points per game he should finish the season with 150 points in ten games.

Leighton has scored almost twice as many points as his closest competitor, William Arnold, also of Consolidated, who has 66 points.

Arnold will have to average 28 points per game to lead Leighton, assuming that Leighton doesn't score any more touchdowns.

Arnold and Leighton

Arnold and Leighton have scored over half of Consolidated's points making 186 out of 282 points this year.

Sixth in the District 24-B scoring race is George Johnston, of the Tigers, who has made 34 points this season. Only 15 points separate Johnston from the third place position.

David Bonnen, an end for Consolidated, has scored 24 points this season and is the leading target for the Consolidated passers, along with Johnston.

—Beat SMU—

The President's flag consists of the President's seal in bronze on a blue background with a large white star in each corner.

Program Sellers Meet In Goodwin Hall at 5
Program salesmen for the SMU game are to meet in room 209 in the Student Activities Office, Goodwin Hall tomorrow at 5 p. m., announced Ronald Bizer, manager of student publications.

Mrs. Oden, Holland Entertain WSCS

The A&M Methodist Womens Society of Christian Service met Monday evening in the home of Mrs. Ray Oden, with Mrs. Curtis Holland serving as co-hostess.

Insurance Poop

By EUGENE RUSH

QUESTION: When I go into the Armed Forces will I be covered by Government insurance?

ANSWER: Yes. Under the terms of the new law passed last April, every person who is called to active duty for a period of 14 days but not more than 30 days is insured against death from any cause for the period of his service, and every person called to active duty for a period of more than 30 days is insured for the period of his service plus 120 days thereafter. The principal amount of the insurance is \$10,000 and it is payable to the beneficiary in only one way—\$62.90 per month for a period of 120 months.

The insurance is free for the time stated, it may be kept on a premium-payment basis, after the serviceman's release from a period of active duty of more than 30 days, but only on a 5-year term basis. The latter means that the premium rate increases every 5 years and that the policy never has any loan values or paid-up values. The law also states that no dividends will ever be paid on the policy.

The premium rate at age 25 is \$3.50 per month for the \$10,000; at 30 is \$3.20; at 35 is \$4.30; at 40 is \$5.80; at 45 is \$11.90; at 50 is \$26.00; and at 70 is \$55.70.

In the case of the man who suffers disability of 10% or more as a result of his service with the Armed Forces, it is provided that he may purchase a policy on some permanent plan rather than on the 5-year term basis.

NOTE: Any questions on life insurance from A&M College students will be answered in this column or through direct communication by Eugene Rush. Address your questions to him at Box 1211, or call him at 44968, or see him in his office above the Aggeland Pharmacy. (Adv.)
