## CS Chest Drive Closes Today, Zinn Announces

The College Station Community Chest committee winds up the 1951 chest drive today, Bennie Zinn, community chest committee member, announced this morning.

Committee members are collecting final contributions toward the \$10,000 goal today. The drive, originally scheduled to end Saturday, was extended until today to enable those College Station residents who receive Nov. 10 paychecks to make their contributions.

Contributions to the drive may be made by contacting one of the committee members or Johnny Longley, secretary-treasurer of the Community Chest. Contributions also may be made by phoning Mr. Longley at the American Life Insurance Company or by mailing directly to the College Station Community Chest, according to Mr. Zinn.

The extent of the success of this year's drive will not be known until totaling of committee members' reports begins tonight, Mr. Zinn stated.

The 1951 drive began Oct. 29 following a public budget hearing on fund requests of various organizations for the coming year. The requests totaled \$12,300 but were adjusted by the committee to the present \$10,000 goal.

Forty-one percent of the budget will go to purely charitable organizations within the community. Included in these local charities are the Needy Children's Fund and the Brazos County Hospital Fund. Also receiving chest funds are other organizations which contribute to the betterment of the community.

If the \$10,000 goal is reached the money will be allotted according to the fund requests. But when the contributions are totaled, the requests will be cut proportionally if the fund falls short of the \$10,000, Mr. Zinn explained.

### Batt to Feature Shopping Guide

Scheduled to appear each week, Wednesdays until Christmas holidays, the Guide will also tell how many shopping days are left until Christmas. And each week new ideas for those hard-to-please people on your Christmas list will be offered.

Be sure to use the Guide. You'll save time, money, and trouble.

## Art Mooney Provides Music, Humor at Sbis

By RUTH TIPTON  
Miscellaneous Editor

Art Mooney, a top band attraction of the nation, was on hand at the all-college dance Saturday night in Sbis Hall to present a variety of the best dance music, spiced with romantic ballads and comedy capers.

Dancers on the crowded floor were completely won over by Art's winning personality plus his excellent arrangements of popular ballads and novelty selections.

One featured attraction was almost as much a surprise to the bandleader as anyone else. Vocalist Marietta Cox, who was well received by the audience, was fulfilling her first engagement with Mooney's band.

"We are always on the look-out for new talent when we are on tour," Mooney said. "Friday night at Louan's in Dallas we heard that there were some vocalists there and Miss Cox was one of them. We liked her so much that we brought her with us."

Miss Cox is employed by the Liberty Broadcasting Company of Dallas. She said that her future plans in connection with the band were indefinite.

Dancers were surprised to hear that the singer was a new addition to the group. The band had had no time to work out arrangements for her, but that fact was not at all apparent judging by her performance.

Alan Foster, who has been with the band about a year, was a favorite performer with his renditions of ever-popular romantic ballads.

Featured comedian was Kerwin Somerville, whose capers rocked the hall with laughter and applause. "Let Her Go, I Said, Let Her Go" and "The Man Who Comes to Our House Every Day" were two of his most well-liked selections.

Somerville has been with Mooney for four years. He has worked with various top bands, including Tommy Tucker.

Art Mooney's popularity began to reach topnotch rating in 1945 after he received a discharge from the Army. He organized a band. His performances were so popular that the engagement turned into a nine-month run, and Art Mooney was established as a top bandleader.

Only one instrumentalist now with the group, Jimmy Ginolfi, was with Mooney when he organized his original band.

Since his sudden burst to popu-
