

Dallas Morning News Selects

Aggie Salyer For Linebacking Honors

By GUS BECKER
Battalion Sports Writer

Little Johnny Salyer was named top linebacker of the week by The Dallas Morning News yesterday, receiving recognition he justly deserves.

The five-foot eight inch lad was credited with six unassisted tackles and nine assisted as he was a thorn in the side of the Longhorn offense all afternoon.

Salyer hails from Austin which is the Steer stronghold, and it looks like the Texas Athletic department missed a bet when it overlooked the boy that saved the day for the Aggies with his pass interception in the last quarter.

Coaches Directors Meet

Coaches and Athletic directors of Southwest Conference Schools will hold their winter session in Dallas this week.

Controversy is expected over the 12-point "de-emphasis" program recommended by the NCAA's policy-making council. Among the recommendations, the out-of-season practice, post season games and financial grants to athletes, are expected to draw the most fire.

SMU and A&M have been rapped this year by a New York judge about the number of scholarships offered. SMU gives 154 while A&M gives 120.

The Conference limits the amount of aid to athletes but there is no limit to the number of scholarships.

The revision of the free substitution rule to eliminate the two platoon system will probably not be passed as every team in the SWC uses some variation of the platoon system.

Aggie Schedule Rough

While these directors and coaches are meeting, they ought to look at the Aggies conference schedule and see what they can do about eliminating at least two of the three homecoming tilts A&M has to play every other year.

It's hard enough to beat a SWC school on their own stomping grounds without having them fired up with the homecoming spirit. A&M played three homecoming games, TCU, Arkansas, and Rice, and lost all three.

We guess that this gives the Aggies the distinction of playing in more homecoming games than any other school in SWC and probably in the nation.

A&M Consolidated Bi-District Champs

Bi-District Champions of Districts 23-24B, the Consolidated Tigers meet the Sugarland Gators for the Regional title Friday night in

Sugarland. The Tigers have won every conference game with the exception of the Hempstead game which they won on Penetrations.

Cadets Need Height And Reserve Depth

The Aggie basketball squad has been working out hard in an effort to polish their game before the University of Houston Cougars invade DeWare Field House Saturday night.

Four lettermen spark the Cougar quintet which will be playing its first game of the season, against the Cadets.

Height, the lack of which was a big factor in the Farmers' loss to

North Texas Monday night will play an important role in the Cougar tilt, as the University of Houston team averages over six feet.

Probable Starters

Probable starters for the Aggie squad will be LeRoy Miksch and sophomore Don Binford at forwards; big Walter Davis at center; and Jewell McDowell and Raymond Walker at guards.

Substitutes who will probably see a lot of action are guard Don Heft, forward Bobby Farmer, and center James Addison.

The south side of DeWare Field House will open to students who present their blanket tax cards, and the north side will be available for the general admission and holders of the public season tickets. Price of the general admission tickets will be one dollar.

TCU Favored

Picked to finish third in the SWC, the Aggies will have to develop more reserve strength to be in the race.

TCU is favored in the conference having all five of the men who tied the Aggies and the Longhorns for the 1950 title.

Mural Cross Country Set Today at 5 pm

The 1951 edition of the Intramural Cross-Country race will be run this afternoon at 5 p. m. across the railroad tracks from Kyle Field. All cross-country runners should be present at this time so the race can be run and completed as soon as possible.

Wood Wins Handball

Jack Wood was named the winner of the open handball singles with his final victory over Harry Kiebler of A QMC.

Wood gained the semi-finals of the tournament last year before he was defeated.

A Ordnance Wins, 24-0

Ralph Gay tallied two touchdowns to pace the footballers of A Ordnance to a 24-0 win over the airmen of M AF. The ordinancemen displayed their usual brand of power football to rack up the victory. The winners also led in penetrations, 10-1.

B Infantry fell before the football squad from B QMC, 6-0 yesterday afternoon on the Intramural football fields. The infantrymen garnered only one drive inside the supplymen's 20 yard line.

Leighton, Hall Duel In Regional Battle

It looks like a real battle Friday night at Sugarland when the Bi-District champions, A&M Consolidated Tigers square off against the Bi-District champions, Sugarland Gators.

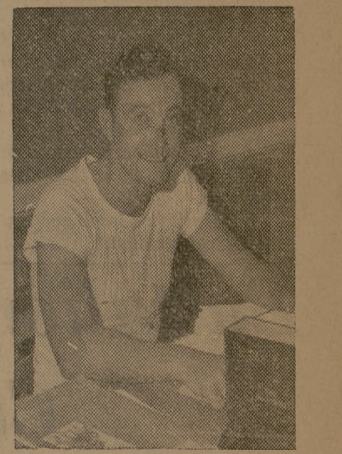

All the Tigers will be in tip-top shape for the contest with the exception of David Carroll a reserve tackle who is in bed following a tonsillectomy.

A duel is expected between Jerry Leighton, Tiger's ace backfield star, and the leading scorer in his district, and Kenneth Hall a sophomore fullback for the Gators who scored 22 of the Sugarland club's 34 points against the Corrigan Bulldogs to win their Bi-District title.

Coach O. V. Chafin of the Tigers, said this morning, "if we can stop their fullback, a good boy named Hall, we've got a good chance to win the game."

Chafin added, "they're (Gators) bigger than we are, but we are a little faster. If we were here, I

know we would win, but playing on their home field it will be rough." Gametime is set for 8 p. m. at the Sugarland field and the game promises to be a thriller from start to finish.
