

Wrestlers Grapple Tonight at 8

Four professional wrestlers take the ring tonight at 8 in the Consolidated High School Gym in a show sponsored by the College Station Lions Club.

This all-pro show has the promise of an evening full of entertainment, for all the mat artists are big-time boys and all put up rough and tough battles.

Bill LeRoy of the Geology Department, announced today that some more attendance prizes had been obtained.

According to LeRoy, the A&M Photo Shop has donated a free 8 x 10 portrait, two free dinners—courtesy of the A&M Grill—along with another free meal, via the 12th Man Inn.

LeRoy said no seats are reserved, so if one wants a ring-side seat, he'd better see to it he arrives early.

He said to avoid congestion with people waiting around, the doors would open around 7 p. m.

"A large crowd is expected for this charity mat card," he added.

Well Experienced

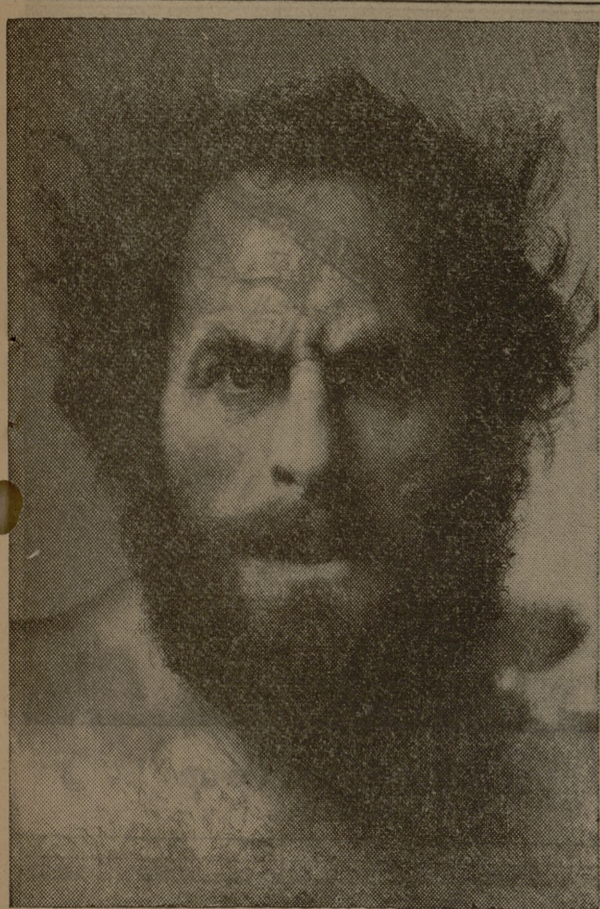

Al Lovelock sets a fast torrid pace. He is known as one of the fastest wrestlers in the business.

Fritz Schnable is a past master at the art of eye gouging, skull-cracking and mayhem, and his past bouts have contained plenty of these tactics.

Rudy Valentino, also known as the "Peruvian Panther" is another one of the boys who moves fast and furious. His actions are more on the athletic grace of a wild animal and can spring into sudden and fierce action with the same spirit and ferocious ability of a beast of the jungle.

Torrid Trainer

The fourth mat star on the card is the well known "Leo the Lion" Newman, who in many appearances has the appearance of a lion. Newman, who lives a real life outside of the ring, can at numerous times get as rough as any man of the ring can. Leo seems to be the most enthusiastic wrestler on the card, for it is noted that his training rules and exercises are the most torrid of any of the big time wrestlers.

Wood Paces Houston Club Over Hillel

Leo Wood and Bud Williams paced the cagers of the Houston Club to a lopsided 22-9 win over the Hillel Club.

Wood hit the net for 10 points with Williams hitting the bucket for seven counters. H. Lackshin led the scoring for the losers with five tallies.

The score at halftime was 8-7 in favor of the final winners.

Football

The Fish band recovered a tight 7-6 win over the freshman footballers from Battery 7. The game was a tight contest all the way with the winners leading only by one penetration, 5-4.

A Port Arthur Club eleven racked up their second consecutive win in the club football circuit by taking the Beaumont Club on penetrations. The winners led in the penetration department, 3-1.

The Ag Engineering Club defeated the El Paso footballers, 14-0.

Shown lining up for action, the A&M fencers display the form that enabled the Cadet artists to win five out of six first places in Houston last week.

Cadet Swordsmen Clash In Houston

After getting off with a triumphant start last weekend in Houston, the Aggie Fencing Team is looking forward to return to Houston this Saturday for a foil and sabre meet.

The event is an Amateur Fencing League of America, Gulf Coast Division meet in novice foil and prep sabre starting 2 p. m. in the YMCA.

In last Saturday's meet at the University of Houston the Aggies carried off five out of six places in prep foil and epee.

Joe Pafford brought in first place in foil 5-1 in the finals, while Bill Hegmann took third with a 4-2 win. Second place went to Cadwell from the U of H team.

Showing up exceptionally well were Jerry Ramsey, Charles Ten, and Arthur Garner, all freshmen. Ten and Garner both reached the finals in foil, while Ramsey took top honors in epee.

The Farmers cleaned house in epee with Jerry Ramsey, Bill Willmann, and Aden Magee taking first, second, and third places respectively.

Dominating in the finals by 3-1 the Ags forced Blouin from the U. of H. out of the placing and Willman and Ramsey were tied for first.

Ramsey won in the play off 3-2 with Willman dipping to second.

SWC Tumblers Meet Tomorrow In DeWare Gym

Tumblers from five of the SWC schools will get together tomorrow in DeWare Field House to talk things over and show everyone what gymnastics is in the southwest.

The purpose behind the five-way meet is to hold a clinic to discuss gymnastics and then to put on a show for anybody who wishes to attend.

Gymnastics teams from Texas, Baylor, Rice, SMU, and A&M will be on hand to take part in the three-hour long clinic.

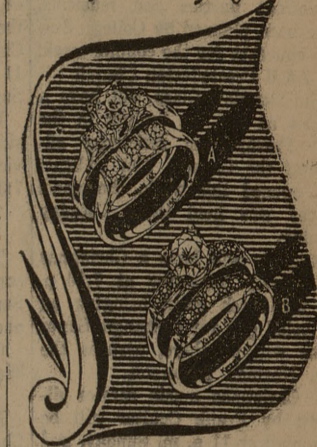

Coaches from the various schools and the more experienced performers will give instructions on the different apparatus, and will demonstrate new routines and tricks.

There will be no admission charges for all persons who wish to attend.

A Message of Importance
★ ★ ★ To Every Automobile Driver ★ ★ ★
In The State of Texas

Here's What You Should Know About The New Texas "Safety Responsibility Law"

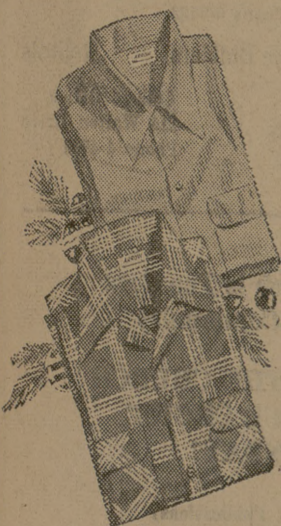

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed within ten days if your car is in an accident resulting in death or injury, or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But...** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
- 6 Select An Established Insurance Agent.** We agents listed below know the insurance business and represent well-known dependable capital stock insurance companies. We are not of the kind that are here today and gone tomorrow. Our names are listed in the telephone directory. A telephone call will find us ready to serve you—not only NOW — but YEARS from now. BUY CAPITAL STOCK INSURANCE. Call the agent of your choice.
