

### Meet Owls Tonight in DeWare

Playing their first home conference game of the year, the 1952 Aggie basketball team will meet the Rice Owls tonight. They are, left to right, front row: guards Raymond Walker and Don Heft; forwards Eddie Houser, Bobby Farmer, and Glenn Darling; and guards Jewell McDowell and Bill Williams. Left to right Back Row: Bill Carpenter, guard; James Addison, center; Richard Harris, forward; Walt Davis, center; James Ashlock, center; Leroy Miksch, forward; Don Garrett, forward; Don Binford, forward; and Coach John L. Floyd.

### CHS Eases By Buckholts For Third Win

A&M Consolidated ran over the Buckholts Badgers last night in the CHS Gym to rack up their third conference win against one loss.

The Tigers go to Navasota tomorrow night to play their first game in the Navasota Tournament.

Box Score				
Tigers	FG	FT	PF	TP
Motheral, J.	5	0	2	10
Cooner, P.	3	0	3	6
Jackson, B.	5	1	2	11
Bonnen, D.	4	3	3	11
Andrews, B.	3	0	1	6
Anderson, F.	1	1	1	3
<b>Totals</b>	<b>21</b>	<b>5</b>	<b>12</b>	<b>47</b>
Badgers				
Ramey, L.	2	0	1	4
Jundmann, E.	0	0	0	0
Lange, A.	0	1	5	1
Chudij, R.	5	0	1	2
Kachtik, J.	4	2	1	2
Janes, D.	3	0	5	6
Chevalier, T.	0	0	2	0
<b>Total</b>	<b>14</b>	<b>3</b>	<b>15</b>	<b>31</b>

Half-time Score: A&M 30, Buckholts 17.

Free throws missed: A & M—Jackson, 7; Bonnen, 4; Motheral, 2; Buckholts—Janes, 10; Chudij, 2; Lange, 1; Kachtik, 1.

Officials—Seegrest and Wilkins.

### Ag Mermen Invade Austin For Relays

By HUGH PHILIPPUS  
Battalion Sports Writer

The Aggie mermen invade the Third Annual Southwest Conference Relay in Austin Saturday with a 7-man swimming team.

A record holder in many pools over the state, Van Adamson will lead the Cadets, along with Ralph Ellis. Joining these two in the freestyle event will be Don Blundell, Bill Sargent, Carroll Jones, John Ed Parnell, and John Broker. Carl Maynard, Don Crawford and Sherwin Kuoin will be joined in the backstroke event by Blundell and Sargent.

#### Breaststrokers

Breaststrokers will be Tommy Comstock, Richard Black, Wayne Strickler, and Paul Wallin. The entrants in the diving for the Maroon and White, include John Cameron, Tommy Gilbert and Bobby Johnson.

The Cadet Tankers will possibly be hampered by the handicap of the lack of distance men on the squad, when they try to knock off first place Texas.

#### Schedule for Fall

The match this Saturday is the first of nine that are scheduled for the Maroon and White Tankers. The following full schedule is as follows:

- Feb. 9—Baylor U.—3 p. m. at Waco.
- Feb. 16—SMU—4 p. m. at C. S.
- Feb. 21—Northwestern of La. at Natchitoches, La.
- Feb. 25—U. of Florida at Gainesville, Florida.
- Feb. 26—Florida State at Tallahassee, Florida.

March 6—Texas U.—7:30 p. m. at C. S.  
March 20-22—Conference meet at C. S.

#### Out To Better Record

This aggregation of Aggie splashes will be out to better the second place finish they ended in the first two meets held last year in Houston and in the 1950 Dallas Meet. Texas is defending champion.

Coach Adamson said "that he thought the Fish squad will be one of the best ever turned out." He remarked that a large group of Freshman are working out for the squad, and a lot are top notch.

### Bowlers Meet Rice Saturday

The Texas Aggie Bowling team sponsored by the MSC will meet the Rice Institute Bowling Club in match play in Houston Saturday afternoon.

Scheduled for the Palace Bowling Lanes, the match will be bowled from 12 noon to 2 p. m.

Little is known of the skill of the Rice group since the club was organized only recently. M. H. Butler, advisor to the Bowling Team, reports. This will be Rice's first intercollegiate match.

The Aggies last year enjoyed a perfect season of no defeats in either tournament or match play, but this year have not done so well. Despite the efforts of some of A&M's top bowlers, this year's club has failed to score a win.

### Fish Play Owlets In Opener

(Continued from Page 1)

The Owlets lost to Wharton 60-42 in their only setback of the season following wins over Blinn Jr. College, 47-32, and Allen Academy, 72-65.

Moore's squad reassembled Jan. 7 after the Christmas layoff for four days of workouts prior to their Aggeland invasion.

**SKYWAY**  
DRIVE-IN THEATRE  
"Golden Horde"  
"MR. UNIVERSE"

The only comparison that can be made between the two clubs is their results against Allen Academy. Both the Owlets and the Aggie Fish whipped the Allen youngsters by seven points.

This indicates that the game should be a close one with breaks deciding the winner.

Monte Robicheaux, class A All-Stater from Bowie, is one of the main cogs in the Owlets dashing offense.

Two Indiana boys are on the team and have played very good ball in their three games played thus far. Terry Telligman, stand-

ing six foot six inches tall and Norman Pahmeier, a six footer are the Yankee stars.

#### Probable Starters

Probable starters for the Rice Frosh against the Aggies: Forwards—James Everitt of Cleveland and Norman Pahmeier of Decker, Indiana. Center—Terry Telligman of Freelandville, Indiana. Guards—Monte Robicheaux of Bowie and Billy Wohn of Houston (Lamar).

Aggie Fish starters will probably be Rodney Pirtle and Don Moon at guards, Cecil Neely at the center slot, and Dale Fisher and Bob McCullock at Forwards.

### Mural Grid Playoffs Jan. 14

By JOE BLANCHETTE  
Battalion Intramural Writer

The Intramural Football championship playoffs will begin on Monday, Jan. 14 according to Joe Hovsepain, assistant to Barney Welch.

In the quarter-final game to be reeled off on Tuesday the footballers of B Transportation will meet D Infantry. On Wednesday F AF plays A QMC, last years cross champion. The winner of each of these two contests will meet in the semi-finals.

The winners of E Infantry-A Armor and B Engineers-A Infantry will meet in the semi-finals. The E Infantry tilt with A Armor will be played on January 14 and the B Engineer contest will be held next Tuesday.

#### Club Cage Championship

The Port Arthur Club will meet the FFA on Jan. 16 for the championship of the Club Basketball Leagues.

The FFA entered the finals yesterday afternoon on the strength of the 24-4 win over the Hillel Club.

Sandusky again paced the FFA as he looped in 11 tallies for the victors. Brown pushed five through the hoop to be second high man.

Art Adamson

A&M's swimming coach, Adamson, will match his mermen against other SWC schools tomorrow at Austin in the Third Annual Relays. Texas has taken the meet for the past two years.

Lackshin and Ray tallied the only counters for the losers. The score at halftime was 7-2.

#### Football

In the only football contest reeled off yesterday G AF defeated A Vets on penetrations. The air-men led 4-0.

The other gridiron clash found the Beaumont Club chalking up a 13-0 win over the gridgers of El Paso.

The El Pasoans were completely outclassed and outnamed by the Gulf Coast crew.

### HUGHES COOPERATIVE PLAN for MASTER of SCIENCE DEGREES

**PURPOSE**  
To assist outstanding BS graduates in obtaining their Master of Science Degrees while employed in industry and making a significant contribution to important military work.

**ELIGIBILITY**  
June 1952 graduates receiving BS Degrees in the following fields:  
Electrical Engineering  
Electronic Engineering  
Physics  
Mechanical Engineering  
Aeronautical Engineering

Those chosen to participate in this plan will be from the upper portion of their graduating classes or will have evidenced unusual technical ability. They must also have evidenced imaginative ability and possess personality traits enabling them to work well with others.

**CITIZENSHIP**  
Applicants must be United States citizens who can be cleared for "Secret," due to their work at Hughes Research and Development Laboratories being of a classified nature.

**PARTICIPATING UNIVERSITIES**  
The University of California at Los Angeles and the University of Southern California will participate in this program, and candidates for Master of Science Degrees must meet entrance requirements for advanced study at these schools.

**PROGRAM**  
Under this Cooperative Plan, starting June 1952, the following schedule of employment at Hughes is arranged:  
Full time—from June 1952 to Sept. 1952  
Half time—from Sept. 1952 to June 1953  
Full time—from June 1953 to Sept. 1953  
Half time—from Sept. 1953 to June 1954  
Under this arrangement it is possible for a recipient to receive 3/8th of a normal year's salary each year and to attend

a university half time during regular sessions working on his Master's Degree.

**SALARIES**  
Salaries will be commensurate with the individual's ability and experience and reflect the average in the electronics industry. Salary growth will be on the same basis as full-time members of the engineering staff. In addition, the individuals will be eligible for health, accident, and life insurance benefits, as well as other benefits accruing to full-time members.

**TRAVEL AND MOVING EXPENSES**  
For those residing outside of the Southern California area, actual travel and moving expenses will be allowed up to 10% of the full starting annual salary.

**TUITION**  
Tuition at either UCLA or USC, covering the required number of units necessary to obtain a Master's Degree, will be paid by Hughes Research and Development Laboratories.

**NUMBER OF AWARDS**  
Approximately one hundred Cooperative Awards shall be made each year, if sufficient qualified candidates present themselves.

**SELECTION OF CANDIDATES**  
Candidates will be selected by a committee of representation composed of two each from the University of California at Los Angeles, the University of Southern California, and the Hughes Research and Development Laboratories.

**DATES FOR APPLYING**  
Informal applications should be mailed prior to January 30, 1952. The Laboratories will then forward formal applications, which should be returned, accompanied by up-to-date grade transcripts, by February 15, 1952. Selections will be made during the month of March.

Hughes Research and Development Laboratories  
Engineering Personnel Department  
Culver City, California

### CONFERENCE IN THE CLOUDS

Among the undergraduates on any college campus, you'll find the talk reaching up to the clouds. And once in a while—in a classroom, around a study table, or even in a bull session—a really big idea is born.

Big ideas come, too, from the men and women in laboratories, business offices, shops. But often these professionals are exploring a path first glimpsed in college.

How do we know? Because of the many college people who have come into the Bell System, where big ideas and a lot of dreams have taken their place in progress. The human voice, carried along a wire, first across a town, then a state, a nation, and now the world. Music and pictures and things happening delivered into cities and hamlets all across the land by radio and television networks.

We're always looking for the men and women who get big ideas—whether they're about people, or machines, or ways of doing things. It's the only way the Bell System can keep on giving this country the best telephone service in the world.
