Dog Held Innocent In Death Of Pekinese In Alley Brawl

Salida, Colo., Jan. 11.—(AP)—A large Boxer dog was tried here yesterday on a charge of murdering a Pekinese in a rough-and-tumble alley brawl. Police Magistrate R. J. (Dick) Murray found the Boxer innocent of the charges.

Mrs. Marjorie Tracy signed a complaint against the Boxer, named Till, owned by Mr. and Mrs. Louis Barberio. She claimed her Pekinese was engaged in a fight in back of the Tracy home last Tuesday by Till and an unidentified Shepherd dog.

The Barberios hired Don Myers, Salida attorney, to defend Till. He showed about 100 spectators and the court that the playful Till had no fangs and badly rotted teeth.

Till was tried under an old city ordinance that said all dogs caught fighting must be put to death.

"It is the nature of dogs to fight other dogs and to chase cats," Judge Murray said in announcing the verdict.

Dance Class Ends, New Session Opens

The first ten weeks of dance classes in the MSC were concluded just before Christmas holidays began, announced Betty Bolander, assistant Social Director of the MSC.

She said a total of 184 people participated, including six A&M students and their wives who were enrolled in the married couples' class.

Students may now sign up for the next session of dance instructions in Miss Bolander's office.

Classes will begin Monday, Feb. 4. Instructor will be Mrs. Clara Howard.

Regular fees are \$1.50 or \$2 for couples, Miss Bolander said.

Motheral Stresses Tenants in Speech

Dr. J. R. Motheral, department of agricultural economics and sociology, emphasized the growing importance of land tenure to Texas agriculture Tuesday night to members of the AH 427 seminar class.

"Forty five per cent of the cultivated land in Texas is farmed by tenants," Dr. Motheral said. "Because of this fact, the written lease should be used as a sound business practice."

Distributed Today

Announcements for January graduates have been received in the office of Student Activities and are ready for distribution, Pete Hardestry, business manager for Student Activities, said Thursday.

Alexander Assists Secondary Schools

E. R. Alexander, head of the agricultural education department, is assisting educational leaders of Texas in planning the improvement of the secondary school system under the provisions of the Gilmer Aiken Law.

He served as chairman of a group of eighteen outstanding school administrators in evaluating the 1952 mid-winter conference of school administrators, which was held in Austin, the week of Jan. 3.

Active Part

Alexander has also taken an active part in the development of certification standards for teachers. At the invitation of Miss Waurine Walker, assistant director, Division of Professional Standards, Texas Education Agency, he served as leader of the section on such fields as music, vocational education, handicapped children, art and other areas of special education.

At the Certification Conference, which was held at SMU last summer, Alexander served as chairman of a general session which was attended by more than 500 educators in Texas. He was later appointed to serve as a member of the reviewing panel which met at Austin to pass on recommendations prepared by laymen and professional educators over the state.

Dr. J. W. Edgar, state commissioner of education, requested Alexander to serve on a committee to work out a cooperative survey

to determine standards applicable to schools in smaller communities. Among other educators on this committee is Dr. Frank Hubert, director of the Division of Professional Standards of the Texas Education Agency.

Dr. T. M. Stinnett, executive secretary of the National Committee on Teacher Education and Professional Standards, has asked that Alexander participate in the regional conference on Teacher Education and Professional Standards, to be held in Oklahoma City, Jan. 18 and 19. The conference includes educators from Arkansas, Louisiana, Missouri, Oklahoma, and Texas. It is one of a series of regional meetings to be held throughout the United States.

The Texas State Teachers Association requested Dr. Stinnett to invite Alexander as a member of the Texas delegation.

ALL ABOARD!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Book	Chapter	Verses
Sunday	Genesis	28 16-22
Monday	Psalms	32 1-11
Tuesday	Matthew	12 33-37
Wednesday	Luke	12 29-34
Thursday	John	6 47-51
Friday	John	14 23-27
Saturday	Revelation	7 9-17

Thrilling—that cry! It seems to harness the power of a locomotive to the wheels of time. Ominous, though! It is a solemn reminder that opportunities which are allowed to pass can never be overtaken.

Next Sunday, in many a church across the land, the sexton will glance at his watch, then raise his hand to toll the tower-bell—a peal both thrilling and ominous.

For in Church a man can link his soul to the ageless, eternal Truth. And the deep, stirring experience will carry him into new adventures in happy, fruitful living.

Such an opportunity no man may lightly let pass. It is the road to peace and blessing for ALL.
