Half Way Mark

FTER THE second day of classes and the new semester of-

fically got off to a start things looked particularly good. In looking back over the past year, things have gone said, fit "the Communist see-saw along very well. The corps is regaining its seat of prominence of progress." They don't necessarin the state limelight after a long and hard drouth of the war main program of bargaining in-

If you will look back and remember, some of the advances the corps has made are just short of miracle like. Early in the year, the leaders in the corps decided they wanted to pute. They have instead concedhave more responsibility. The administration felt they should ed in points of theory or in inhave the added responsibility. So, the result was a rather stances where their concessions acdrastic revision in the operation of the corps.

It was also a move of the corps to try and outlaw physical in an "unofficial information bulhazing. To accomplish this they set up a system of afternoon letin" containing material selected from "Voice of the United Na-Bull Rings—to substitute for the quick but sadistic use of tions Command" broadcasts to Ko- Boyle's Column the board. While the substitute is not the ideal it does show rea. the men were thinking about the betterment of the corps.

Basic Division and decided it had what they wanted in the spokesmen indicated there was no first year of college-so we had one of the largest enrollments of freshmen we have ever had.

The list of accomplishments could go on for a long time ones and supervising an armistice but it all adds up to the fact, we have had a good first half.

The list of accomplishments could go on for a long time ones and supervising an armistice but it all adds up to the fact, we have had a good first half.

Session would open the way for armining time. Let's all hope the second is as good.
