

Multiplying Cubs Causes New Problems at Baylor

Waco, Feb. 5—(AP)—Baylor University has a bear problem on its hands. Birth of three cubs a week ago to one of the Baylor Bears, mascots of the football team, brought troubles:

1. What to name them.
2. Where to house them.
3. And how to finance a growing family that now numbers seven bears, and one of them expectant.

Chita was the bear that had cubs a week ago. She was given to Baylor in 1946. Dr. Jose Ibarra Gonzales of Rosita, Coahuila, Mexico, was governor of Coahuila then, presented Chita to Coke Stevenson, then governor of Texas, and Stevenson presented her to Baylor.

The Baylor Chamber of Commerce, keeper of the bear mascots, has telegraphed a birth announcement to Dr. Ibarra Gonzales.

The bear pit on the Baylor campus was originally built for two. Right now papa Joe and Barney, a son of Joe and Josephine, are sharing the big pit themselves. Chita and her cubs are in a small pen. Josephine, the expectant one, is in a small trailer cage on the tennis courts.

Rotarians Variety Show Set Thursday

The Bryan-College Station Rotary Club will present its Rotary Variety Show Thursday and Friday in the Stephen F. Austin High School Auditorium in Bryan.

"The Rotary Club has been fortunate in being able to line up some real talent," said G. W. Schlesselman, president of the club. "Most of the performers are new to this area and not only will have the attraction of being top-quality entertainment but also will be new to most of the audience."

Performers include Burt Avera, folk song singer and guitarist; Bud Mathews and Harold Turner, acrobatic clowns; Mrs. Dorothy Butler, lyric soprano; Arthur Stewart, humorist; a magician, a pianist, and a men's chorus.

A printed program of jingles and humor will also be a part of the evening's entertainment.

Proceeds will be used for the benefit of the community. The

Brazos A&M Club Selects Committees

A report on the annual Football and Cross Country Banquet and the appointing of committees for the coming year was the purpose of a called meeting of the officers, board of directors, and past presidents of the Brazos County A&M Club last week.

Joe Mothermal, president, presided over the meeting. The report on the Jan. 12 Football and Cross-Country Banquet was given by Johnnie Longley, general chairman. P. L. "Pinky" Downs Jr., financial chairman, reported on the financial outcome of the banquet.

Committees Appointed

The following committees were appointed for the coming year: Membership: Downs, chairman; Ted Boriskie, Ben Boriskie, and R. L. Hervey, vice-chairmen; Housing

who leaped 6 feet 9 inches last season; Val Joe Walker of Southern Methodist, who does the high hurdles in around 14 seconds; Bill Stalter, the Aggie sprinter—and then there are the newcomers to varsity track, the sprint twins of the University of Texas: Dean Smith and Charles Thomas.

Smith and Thomas Close

Since Smith and Thomas are so close together and will be pushing each other, it's quite likely that both will hit 9.5 in the 100-yard dash. They've already done 9.6.

Still another most excellent prospect for an olympics berth is Charles Holding, the East Texas State College high jumper who had the best mark in the world last year—6 feet 9 3/4 inches.

Holding didn't get to compete in the major college meets last season because he was a freshman. But he can this time.

Film Society

Other movies to be shown this semester are "Jane Eyre," "How Green Was My Valley," "Alexander's Ragtime Band," "Of Mice and Men," "Life of Emile Zola," "Grapes of Wrath," and "Ox Bow Incident."

Two "bonus" films are to be shown sometime during the term, but the names of these will be kept secret until the showing, the committee added.

A small percentage of the language students are selected for area study. Generally this area training, Colonel Napier commented, is a one year extra work in addition to the language work, and includes the study of history, economics, sociology, geography, and geopolitics of the particular country.

Schools Participating

Schools which are participating in the programs and the languages they offer are the University of Pennsylvania, German; University of Indiana, Polish, Turkish, and Serbo-Croatian; Cornell University, Ukrainian; Yale University, Chinese; Syracuse University, Russian; and the Army Language School which teaches several.

Only personnel selected for a position requiring languages proficiency will be given this training. The agencies within the Air Force who can use second lieutenants following language training

Boy Scout Week Talked at Lions

Boy Scout Week, to be observed Feb. 6 - 12, was the theme of the weekly Lions Club Meeting program in the MSC yesterday.

D. D. Burchard, head of the Journalism Department and vice-chairman of the Brazos District Boy Scout Committee, discussed the commemoration of the 42nd anniversary of scouting in America.

With projected color slides, he told the club about the three year program called "Forward on Liberty's Team" which scouting in America has recently put in action.

Since this program was begun last year, new records have been seen in membership and advancement in scouting, Burchard pointed out.

He asked the Lions club to consider sponsoring a troop in College Station to meet the pressing demand for scouting facilities in this city.

Ladies night will be held by the Lions next Monday night in the MSC Assembly room at 7, announced Lion President Al Price. Members were asked to dress in accordance with the "hard times" theme.

'The Circle' Slated By Aggie Players

The much publicized battle of the sexes gets another humorous workout in the coming Aggie Players production of W. Somerset Maugham's "The Circle." This comedy of English manners and morals will be presented in the Assembly Hall on Monday, Feb. 25 and Wednesday, Feb. 27.

The Circle is described by Director C. K. Esten as being a story of the unending battle between the impulsive female mind and the plodding mental efforts of the male of the species. The play was first produced in 1921 and has been a popular stage attraction ever since.

The play will feature Alice Burke as Elizabeth, John Samuels as Arnold Champion-Cheney, Jerry MacFarland as Champion-Cheney, and newcomer Margie Selleck as Lady Kitty. Teddie Luton will be played by B. B. Smith and the butler by Bob Travis. Harry Gooding and Mrs. D. D. Burchard appear as Lord Porteus and Mrs. Shenstone.

Miss Burke will be remembered for her roles in "Kind Lady" and "The Milky Way." A lady of varied talents, she served as director for the popular presentation of "Antigone" and as publicity director for Command Decision.

Appearing in her first Aggie Player's production, Mrs. Selleck is an experienced actress. A recent graduate of Texas A&I, she was active in the drama department throughout her college career. The characterization of Lady Kitty will be her first opportunity to display her acting talents to the local theater audience.

With this sophisticated comedy as their first presentation, The Aggie Players will begin another semester of dramatic activity on the campus. Plans are being made to follow up their production of "The Circle" with several other plays of interest to Aggies and faculty members alike, Esten said.
