

### This Makes It Easier

This work isn't so bad says S. M. Gibson as he watches a computing machine in the basement of the Administration Building... for the second semester. Also watching the operation of the time saving machine are Vera Hudson and Joyce Graves.

## TSCW History Professor To Speak at Junior Banquet

By GENE STEED  
Battalion Staff Writer

R. E. "Prof" Jackson, associate professor of history at TSCW, will be the main speaker at the Junior Banquet Feb. 16, James Magee, junior class president announced yesterday.

Jackson is a humorist and lecturer known widely throughout the southwest for his ability as an after-dinner speaker. He has appeared on the campus several times in the past, was principal speaker for the Annual Kiwanis Club Christmas Banquet in December, 1950.

Picture applications for the Sweetheart of the Junior Class are now being accepted at the Student Activities office on the second floor of Goodwin Hall. Only a few pictures have been turned in so far, Joe Blanchette, chairman of the Sweetheart committee, said.

### Three Pictures

There should be three poses if possible: a formal portrait, informal pose (preferably in bathing suit) and another in formal dress, Blanchette added. Accompanying the pictures, there should be such vital statistics as, height, weight, bust, hips, and waist measurement of the girl entered in the contest.

Each junior entering a photo should include his own name, dorm, and room number on a separate sheet of paper attached to the pictures, said Blanchette. Deadline for turning in pictures will be Feb. 9.

Six finalists will be selected from the pictures submitted and the Junior Class Sweetheart will be selected the night of the dance.

The judges for the contest will remain anonymous; however, the Sweetheart committee chairman said they would not be students.

The Aggieldand Orchestra will play for the dance following the banquet, Joe Mattei, chairman of the dance committee, announced. The dance begins at 9 p. m. and lasts until midnight.

### Tickets On Sale

Tickets for the banquet and prom are now on sale by first sergeants in all military units and non-military juniors may secure their ducaats at the office of Student Activities, announced Joe Wallace, ticket chairman.

Tickets for the banquet will be taken off sale Saturday, Feb. 9, and no more will be available, the chairman emphasized. This is to give the men at Sbsia Dining Hall an accurate check on the number of people to expect for the Banquet which will be held there at 6:30 p. m.

Dance tickets may be bought at any time before or at the dance. The tickets for the prom will be \$2 stag or drag and the banquet tickets will be \$3 per couple or \$1.50 stag.

Junior Class President James Magee asked all juniors to buy a ticket to the dance in order to build up the class fund and insure a bigger and better Senior Ring Dance. He said purchase of dance tickets could not be made compulsory, but many first sergeants have already pledged near-100 per cent sales in their units.

In accordance with the custom adhered to in the past, seniors

with dates are invited to the dance, Magee said.

The following men were appointed by Magee to serve on the Junior Class committee: Banquet Committee: Bob Carpenter, chairman; Jack Reynolds, Ed Goetz, Joe Fritz; Dance Committee: Joe Mattei, chairman; Weldon Krueger; Ticket Committee: Joe Wallace, chairman; Harold Hudspeth, Bob

## Recreation Council Aids Negro Group

Three hundred dollars was spent by the College Station Recreation Council last year for a Negro recreation program.

This fact was brought out yesterday in a budget report by Mrs. J. D. Lindsay, treasurer, at a meeting of the Council at A&M Consolidated High School.

The money, contributed by the Chamber of Commerce, was used for handicraft, story telling, baseball, softball, and square dancing programs for local Negroes Mrs. Lindsay said.

Total budget for the council during 1951 was about \$4,200. Of this amount, \$2,300 was contributed by the Chamber of Commerce, City of College Station, and the City Community Chest. The remainder consisted of activity fees for the recreation programs.

### Handicraft Program Dropped

A pre-school age children's playtime program was added to the 1952 program by the council members in place of handicraft, which was dropped.

The handicraft program was dropped because other groups were offering the activity, according to the treasurer. Mrs. Lindsay said enrollment in the classes had dwindled due to private lessons given by two persons, and two programs offered by the MSC and the Social Club.

### Volleyball Starts Feb. 18

The first recreational program for this year will be men's volleyball to begin Feb. 18, according to L. S. Richardson, council chairman.

"Eight volleyball teams have been organized so far," Richardson said "and additional teams would be organized if required."

The summer recreation program will follow last year's pattern, the council decided, with such activities as swimming, tumbling, tennis, softball, golf, and riflery scheduled.

### Committee Appointed

A nominating committee for new council members to be elected March 19 was appointed at the

meeting. The committee consists of Mrs. Fred Hale, Mrs. Lindsay, D. D. Burchard, and Richardson.

Four council members terms are due to expire March 19. They are Mrs. Jack Miller, Mrs. Hale, Mrs. Norman Anderson, and W. G. Breazeale. Each member serves for a period of three years, and a member cannot succeed himself.

The stipulation applies to all of the present members with exception of Mrs. Anderson who is filling the unexpired term of Homer Adams who resigned.

Officers of the recreation council are Richardson, chairman; W. M. Dowell, vice chairman; Mrs. Miller, secretary; Mrs. Lindsay, treasurer; and Burchard, publicity chairman.

## Sweetheart Entries Needed For Annual Sophomore Ball

By IDE TROTTER  
Battalion Staff Writer

Sophomore! Will your girl be the Sweetheart of the Class of '54? Certainly not if you don't turn in a picture of her to one of the members of the Sweetheart Contest Committee before Feb. 15.

Highlight of this year's social activities as far as the Class of '54 is concerned will be the Sophomore Ball, Feb. 23 with its presentation of the Sophomore Sweetheart.

Along with the photo must come certain vital statistics. The name of the girl, her home address, her age, her height, weight, waist, hip, and bust measurements, her school if she is attending, and the color of her hair and eyes should be included either on the back of the picture or on a securely attached piece of paper.

### Important Selection

Sophomores should not put their name, dorm and room number, or their home town on their entry's

## Aggies Vie with Potent Frogs in Crucial Game

By BOB SELLECK  
Battalion Sports Editor

A&M will be ready to throttle the momentarily stalled TCU basketball machine when the two cage clubs meet in DeWare Field House tonight.

Game time is set for 8 p.m. The high-flying Frogs were jolted for the first time last Saturday night when upset by Arkansas. By the time they reach Aggieldand they will be madder than a deadly snake coiled to strike for revenge.

### Aggies Also Seek Revenge

Likewise, the Aggies were recently snowed under by the University of Texas quintet in Austin, and are in about the same mood as the Christians if not worse.

Both squads have reached a peak in practice and black-board theory sessions, along with the usual inspired pre-game enthusiasm and spirit.

Competition will be at its tops as both A&M and TCU enter the game realizing the all importance of the vital contest.

For the Aggies a win would set the Cadets back into a solid position to continue their drive for the Southwest Conference crown.

For the Frogs, a win would help prove that they are not a once great club that has reached its peak early in the season and is now on its way down.

### TCU Needs Win

Naturally a victory for TCU would enable them to regain a tie on top of the shaky ladder with Texas. The Longhorns whipped the Baylor Bears 56-46 last night to go out in front by one-half game.

By a way of comparison, both teams have played Arkansas. TCU lost to the Razorbacks, while the Aggies won; therefore A&M could be rated a slight favorite.

However if one looks at the result of the Texas game, which the Cadets lost and the Frogs won, then TCU would be favored.

The only trouble with comparative scores, just like football, is that they don't mean a thing in the hectic Southwest Conference scramble for any athletic crown.

### Big TCU "Gun"

George McLeod, TCU captain and center, has firmly established himself as the man to stop if the Aggies hope to win tonight. McLeod is the leading scorer in the conference with 100 points.

(See BASKETBALL, Page 2)

Coach John Floyd tells three of his cagers how he wants it done. Looking on are Cadet Forwards Lelroy Miksch (in center), Woody Walker, and Guard Don Heft (in foreground). The Aggies meet TCU in DeWare Field House tonight.

## Tate to Speak Here On RE Week Program

Former SMU football great, Willis Tate, who is now vice-president there, will conduct the forum and discussion groups in the Hart Hall lounge during Religious Emphasis Week, Feb. 17-22.

Tate, a member of the 1931 Championship Southern Methodist University football team, received honorable mention for All-America tackle the same year, conducted the discussions in Hart Hall last year.

As a former coach and player Tate who is now vice-president of SMU, has a common ground between himself and the A&M athletes to use in the forums and discussions of the week.

In the afternoon sessions, which

run from 4:30 to 6 he will conduct discussions on any subject which the individual groups may select. The evening sessions will start immediately after supper and last till 8:30. Subjects which the students picked on a questionnaire circulated earlier in the year will be covered at these meetings.

Not only is Tate adept at sports, he has a formidable array of degrees to his credit. A native of San Antonio, he was graduated from SMU in 1932. He received his Master's degree in Sociology in 1935 and has done additional graduate work in the University of Chicago and Texas University.

### Coached Two Years

After coaching athletics for two years and while serving as principal of several San Antonio schools, he was awarded the title of the outstanding Young Man of the Year by the San Antonio Junior Chamber of Commerce in 1942.

He moved to Houston where he served as executive assistant to the pastor of the First Methodist Church. From Houston, he returned to SMU to become assistant Dean of Students in 1945.

Willis Tate

Sandringham, England, Feb. 6.—(AP)—King George VI died peacefully in his sleep today. His 25-year-old daughter, Elizabeth, immediately became Britain's queen.

The 56-year-old ruler of the British commonwealth and empire became king on Dec. 11, 1936.

He led Britain through the perilous years of World War II and the economic and political crises that followed.

King George had been plagued by poor health since he ascended the throne on the abdication of his brother, King Edward VIII, the present Duke of Windsor.

### Princess Elizabeth

The King's elder daughter, Princess Elizabeth—first in line of succession—now becomes Queen and ruler of millions of British subjects around the world.

The King had been in ill health frequently over the last four years. He was operated on last summer for removal of all or part of one lung under circumstances which indicated he might have cancer.

### Fears for Health

The reason for the operation was never officially announced, however. Fears for his health had been expressed with increasing frequency lately.

Recent pictures of the King have shown a haggard and tired man, with deep circles under his eyes.

But the monarch apparently had felt himself on the road to full recovery.

Just before his daughter and heir, Princess Elizabeth and the Duke of Edinburgh left on a trip to Africa and Australia and New Zealand last week the King joined them in a visit to the theater.

He accompanied them to the airport to see them off last week.

The new queen and her husband now are in Kenya, an East African colony.

## Audience to See 'New Talent' At Rotary Show

The Annual Rotary Variety Show presented by the Bryan-College Station Rotary Club tomorrow and Friday in the Stephen F. Austin High School Auditorium of Bryan includes some "real talent."

"Most of the performers are new to this area," said G. W. Schlesselman, president of the club, "yet will be top quality entertainment and new to most of the audience. The Rotary Club has indeed been fortunate in rounding up these performers."

### Top Performers

Among the performers are Burt Avera, folk singer and guitarist who has been singing over KORA; Bud Mathews and Harold Turner, acrobatic clowns who have performed for many college functions; Mrs. Dorothy Butler, lyric soprano; and Arthur Stewart, comedian.

There will also be a magician, a pianist and a mens chorus, added Schlesselman.

The exact project for which the funds derived from the benefit are to be used will be decided by the board of the directors of the club, although it is known that they will be used in this community.

Part of the evening's entertainment will be a printed program which will include both jingles and "jokes."

In Bryan, tickets may be bought at Chapman's Paint Store, Jones Pharmacy, and the office of John M. Lawrence III. Shaffer's Book Store is selling tickets in College Station.

## Scout Troop Plans Weekend Camp Activities

Troop 102, Boy Scouts of America will have their Annual North Gate Camp Saturday, in observance of National Boy Scout Week. Approximately 25 Scouts will arrive at the North Gate about 9 Saturday morning where they will set up camp north of Walton and west of the post office and remain until Sunday morning.

The camp will be open to visitors all day Saturday. Any questions the visitors might have will be answered by the troop members. Scout leaders Barney Welsh, George Rivers, and Charles Linacek will supervise the camp site and scouting activities.

One big event in the annual camp is the mulligan stew supper. This supper will be served from 6 to 7 p. m. Saturday to any Cub Scout in the local area. The only requirement is that the Cub must be in uniform.

Other Saturday night activities include a Tenderfoot ceremony and possibly a midnight show. The Tenderfoot ceremony will be held to raise several boys to the rank of Tenderfoot if they have met the requirements by Saturday night. A vote will be taken sometime Saturday afternoon to see if the troop will go to a midnight show Saturday night.

## Debate Tourney Expects Several More Entries

The intercollegiate debate tournament being held here Friday and Saturday and sponsored by the Aggie Discussion and Debate Club, is expecting a few more entries. Harrison Hieth, the club sponsor, said yesterday that additional entries postmarked by Feb. 5 will be accepted and be added to the program.

The competing teams will debate the national intercollegiate question, "Resolved: That the Federal Government Adopt a Permanent Program of Wage and Price Controls." Winners will be decided on a comparative won-lost record on six rounds of debate and one team ratings.

The judges for the debate have already been selected from members of the college faculty and the local Kiwanis Club, but timers are still needed and volunteers for the jobs are welcome, Hieth said.

Hieth added that Blinn Jr. College, which had announced it would enter, might not be able to participate. Also he said A&M would enter a minimum of 4 teams.

The entries are being accepted in either of two divisions. The Junior division is open to sophomores and freshmen, while the Senior division is open to all.

Registration will begin Friday morning with actual debate scheduled to begin at 11 a. m. The tournament will continue throughout the afternoon and Saturday morning in the MSC.

The Aggie Discussion and Debate Club is sponsored by the department of English and the Student Activities office. Hieth and Lee Martin are sponsors of the group.

## Batt Staff Meets Today at 5 P. M.

All members of the Battalion staff are asked to attend a special meeting tonight in the Battalion office, second floor, Goodwin Hall. The meeting will begin at 5. Refreshments will be served.
