# Air Attacks, Combat Mass Jet Armada

Tokyo, Feb. 8.—(AP)—Lt. Gen. O. P. Weyland says if Allied air strikes are halted the Reds could mount a tremendous jet armada from North Korean airfields within 30 days.

The Far East Air Forces commander said in an interview yesterday the Communists have 15 good airfields which could be put into shape without much engineering effort.

All are located near supply points such as railroads or seaports he added.

The Reds have insisted on the right to rebuild airfields during an armistice.

Weyland and his air force generals opposed this — until Allied negotiators offered to compromise and let the Reds rebuild some airfields for civilian use only.

Then Weyland and the others shut up.

**Real Threat**  
But the general pointed out today that commercial airfields could be converted to military airbases simply by supplying them with gas oil and bombs.

Then — if the Reds broke the truce — United Nations' ground forces in Korea would be faced with a real threat from the air for the first time.

Repeated Allied bombings have destroyed the usefulness of such fields as Namsi, Samchon, Taechon and Uiju—all in northwest Korea and all with 6,000 feet runways suited to Communist jet operations.

# Miss Vaden To Wed in March

Miss Mary Eleanor Vaden, bride elect to be wed March 1, was honored this week with a party and shower.

Mrs. C. D. Laverty was hostess of a spice party Wednesday afternoon.

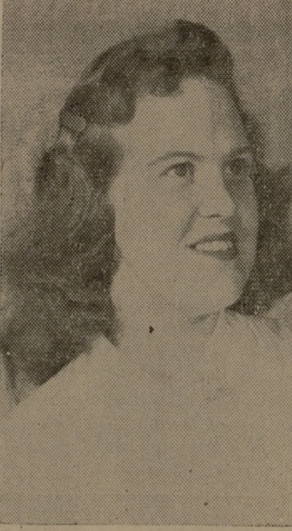

After serving lime pie, the guests were given some type of condiment and pieces of cloth, paper, and lace. The object was to dress the bottles of spice to represent one of the members of the bridal party. All the miniature figures were put before an altar.

The guests were seated at three tables. A prize was given for the best dressed doll at each table. The rewards were kitchen novelties which were given to the bride to be.

Mrs. Laverty presented Miss Vaden with a piece of pottery.

Sunday morning Mrs. John Blasienz, Bryan, and Mrs. John Blasienz, Jr., Brenham, were hostesses for a breakfast given in Miss Vaden's honor at The Oaks.

running for title honors. However, the chance for A&M to repeat its tri-championship of last season appear slim.

Following the Baylor game, the Aggie cagers have five more conference games and one non-conference tilt with the Oklahoma City University Chiefs, winners over A&M in an early season game.

**STREET SCENE**  
Something fascinating about a street scene!  
Whether in Centreville or far off Algiers, we like to see people . . . to wonder who they are . . . where they are going . . . what they are thinking.  
Why are people so important, so much more important than anything else on earth?  
It is because our Christian religion has taught us that each man is a son of God, a human soul with the spark of the Divine.  
In lands where our religion is denied, people are not important. Life is a plentiful commodity.  
Makes you think, doesn't it? Points you to the Church—where man comes to understand himself by understanding God.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
