

# Aggies Seek Pony Win Here Saturday Night

The Aggie Cagers are ready to jump back in to the winner's column via the SMU Mustang's in DeWare Field House Saturday night.

The conference clash will throw together the number three and fourth place teams in the conference race for the title.

The Ponies are now perched a full game and a half ahead of the Cadets, who are actually tied with Arkansas for the number four spot.

At the end of the first battle between these two teams Southern Methodist finished on top of a 30-34 score in Dallas.

Then, the Aggies were still equipped with the powers of little Jewell McDowell, who has since

been graduated. He was high point man for the night with 13 buckets.

If the Aggies could shake loose from their second half troubles, they might chose the Ponies as their first victim in the last five starts.

The Mustangs also seem to have their share of troubles. One of their star players, Darrell Murphy, left at mid-semester.

SMU Climbing Fast

However the SMU five apparently hasn't missed him because they have beaten Baylor and Arkansas since that time.

Baylor and Arkansas have both scored victories over the Aggies after their loss to the Mustangs.

Whitey Holm, the Mustangs' blond pivot man and co-captain for the Pony quintet, is one of the top scorers for the invading SMU lads.

Forward Jack Krastman is a junior and has developed into one of the big guns of the SMU offensive power on the attack.

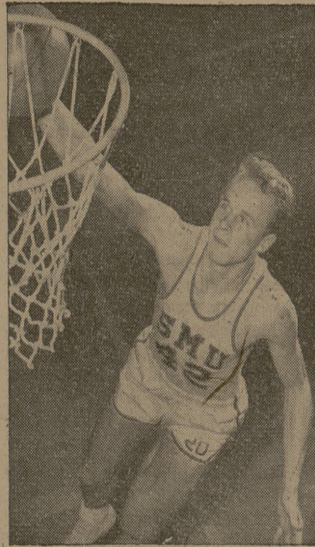

the game with Davis at center; LeRoy Miksch and Don Binford at forwards; and Woody Walker and Don Hefl at guards.

Eddie Houser will also see lots of action. Houser has turned in two exceptional performances in the last several games for the Aggies both offensively and defensively.

Mill Carpenter, James Addison, Bobby Farmer, Glenn Darling, and Bill Williams will all probably be in the thick of the battle before the final whistle is blown.

## Non-Military Cage Champs

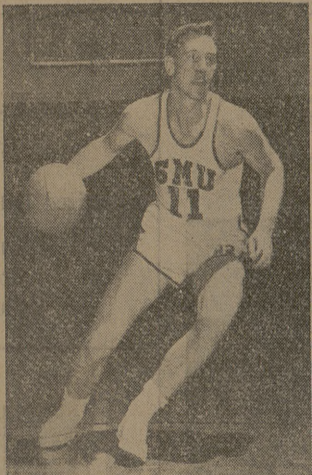

The winners of the 1951-52 Non-Military Basketball championship are Puryear Hall. Members of the team include (bottom row) Hank Askew, Neil Bryan, Walter Davenport, Bill Davis, Richard Pigatt. Top row: Keith Slocombe, Charles Nelson, Phil James and Dan Thompson.

## Soccer Team Plays Benefit Game Saturday

A&M's Soccer team takes to the field for the March of Dimes at 3 p. m. Saturday when they tangle with the Bryan Air Force Base crew on the Allen Academy field.

So far this year the A&M Latin American athletes have compiled a record of three wins, one tie and no losses. The lone 2-2 tie resulted from a trip to Houston to engage the University of Houston earlier in the season, but UH dropped a return contest at Bryan 7-4. The other two wins were over Allen Academy, 5-0 and 6-0.

## Mustangs Favored In Swimming Meet

The SMU Mustangs winners of the conference relays held in Austin and rated strong contenders for conference swimming honors, invade P. L. Downs Natatorium tomorrow.

A meet between the Aggie Fish and the Colt swimmers will start the ball rolling at 2 p. m. The Fishermen have not had a meet this year and the Colts, undefeated last year, should provide them with a rough test.

Adamson, Parnell, Carol Jones, Bill Singleton, Johnny Broker, Jimmy Burns, Bert Koegi, and Marvin Seth.

Breaststrokers are Comstock and Ricky Black and Paul Wallin. Blundell, Sargent, Don Crawford, Carl Maynard, and Sherwin Ruben will swim the backstroke for the Cadet mermen.

In the Diving events, Bobby Johnson, John Cameron, and Craig Batton will perform for the Aggies.

Scholastic Rules

The freshmen swimmers will swim under interscholastic rules, which means they will not swim further than 200 yards, each man can enter only two events, and the diving will be from the low board.

Mike Muckleroy, Arden Amerine and Bill Farrell are returnees of the Mustang distance medley champs of last year. The medley includes distances of 100, 200, and 400 yards.

"This is the best squad I've had at SMU," stated Coach Red Bar, adding, "All the other squads are better too."

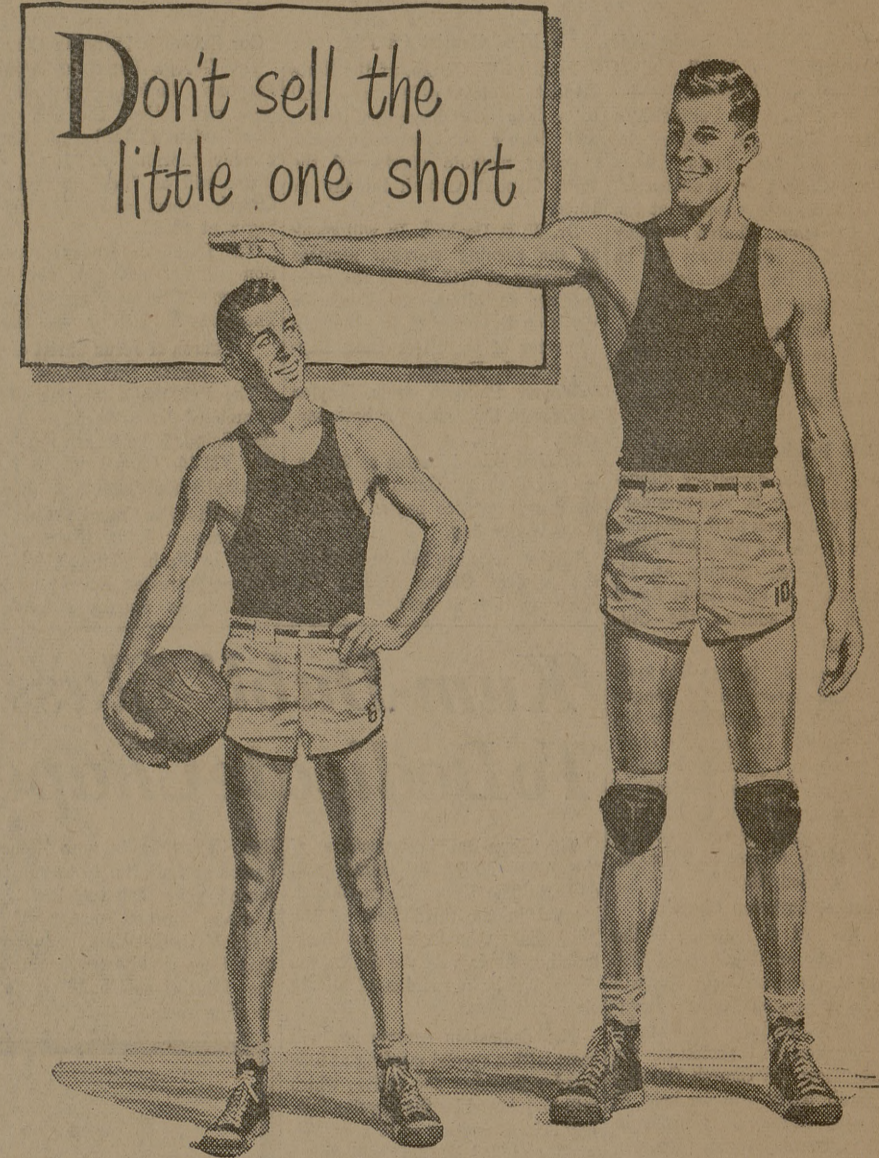

Lettermen Out

When it was learned that senior letterman Ralph Ellis would probably not be able to participate against the Mustangs due to a kidney infection, Aggie Coach Art Adamson said, "We were short-handed before and with Ellis out, it will hurt us a lot, especially in the sprints."

Sparking the Aggie swimmers will be Van Adamson, conference individual medley champion. Helping Adamson will be returning lettermen John Parnell, Tommy Comstock, Don Blundell, and Bill Sargent.

Competing in the freestyle events for the Aggies will be

Army reservists will feel the effects of the new army economy drive at camp this summer, according to Col. C. N. Culp. Reservists will memorize the cost in dollars and cents of their rifles, mess kits, blankets and other items provided them at public expense, he said.

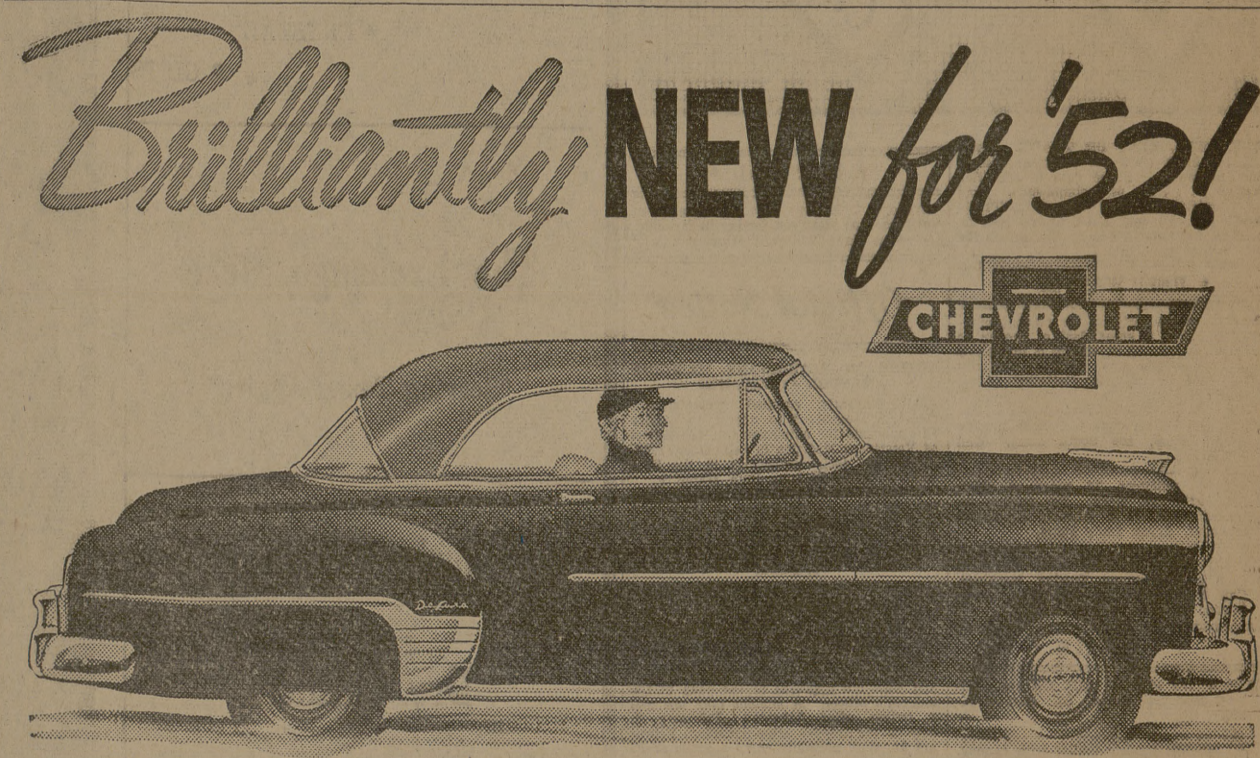

They're both good basketball players. But if we were to judge them the way we judge telephone equipment, we'd take the small one.

You see, telephone equipment occupies valuable space, uses costly materials. Paring down its size helps keep down the cost of telephone service.

Telephone engineers put the squeeze on size, came up with a new small type. When 600 of these new amplifiers are mounted on a frame two feet wide and eleven feet high, they do a job which once required a roomful of equipment. Size was cut—but not performance!

This is one of many cases where the Bell System has made big things small to help keep the cost of telephone service low.
