

Job Interviews

Southwestern Bell Telephone Company and its affiliates will be on the campus Feb. 25 and 26 to interview as follows: Sandia Corporation will be interested in B. S., M. S., and Ph.D. graduates in Physics, Electrical Engineering, Mechanical Engineering and combination Physics-Mathematics; Bell Laboratories will talk to B. S., M. S., and Ph.D. men in Electrical, Mechanical, and Chemical Engineering and combination Physics, Mathematics; Western Electric is looking for B. S. men in Industrial, Mechanical, Electrical, Chemical engineering and Business; Southwestern Bell is interested in B. S. and M. S. degrees in electrical, mechanical, chemical, and industrial engineering, physics, and mathematics, as well as B. B. A. in accounting or general business.

A representative of Cameron Iron Works from Houston will be on the campus Feb. 27 to interview mechanical and electrical engineering graduates.

A representative of the Standard Oil Development Company will be on the campus Feb. 27 to interview chemical engineers. In general, the nature of the work includes process development, design and supervision of operation of pilot units, correlate the pilot-plant data, prepare economic comparisons of alternate processes, and select the best method for commercial production.

The National Bureau of Standards will conduct interviews here on Feb. 28. They are interested in talking with B. S. and M. S. graduates in physics, electrical, mechanical, and ceramic engineering. They are also interested in seeing Ph. D. men in physics, electrical, mechanical, and ceramic engineering, mathematics, chemistry, and metallurgy.

A representative of the Pennsylvania Salt Manufacturing Company will interview here on Feb. 28. Candidates selected will enter a training program whereby he is associated with each of the various departments of the company with portions of his time assigned to research and development, purchasing, engineering, market research, industrial relations, etc. At this time, they are interested only in chemical engineers.

The Georgia Division of the Lockheed Aircraft Corporation will interview here on Feb. 29 and want to talk with aeronautical, electrical, and mechanical engineers. Their openings are in aircraft design, and in the Tooling, Manufacturing, and Plant Engineering Departments.

Man E Conference Speakers

Industrial leaders from over the nation will appear on the program of the Management Engineering Conference at A&M Feb. 27-28 to discuss various problems confronting management. They are, left to right (top row), Lawrence Melton Printing Company, Dallas; William G. Caples, president, Inland Steel Container Company, Chicago; E. J. Harrington, Griffenhagen and Associates, Dallas; (bottom row) Dr. Arthur Smith, vice president and economist, First National Bank, Dallas, and D. V. Savidge, director of program planning, Univac, Remington Rand, Inc., New York.

Management Engineering Meet Scheduled Feb. 28-29

Top men of industry will appear on the program of the fifth annual Management Engineering Conference at A&M Feb. 27 and 28 to discuss the conference theme of "Effective Utilization of Manpower."

Following the address of welcome by A&M President M. T. Harrington, Lawrence Melton of

Dallas, who originated the national program of employing the physically handicapped, will discuss successful use of handicapped workers to achieve effective production.

Former DAV Commander Melton, a partner in Melton Printing Company, Dallas, is a former national commander of the Disabled American Veterans. He presented the initial program of employing the physically handicapped to President Roosevelt in 1941. The act of congress establishing the National Employ the Physically Handicapped Committee followed.

Banquet speaker Feb. 27 will be Dr. Arthur A. Smith, vice president and economist of the First National Bank in Dallas. He will speak on the effect of national economic conditions on the welfare of the business man.

SMU Economist Smith heads the Dallas bank's department of industrial and economic research which he set up when he joined the bank in June, 1950. Before that time he was head of the economics department at Southern Methodist University.

E. J. Harrington, considered one of the top industrial management men in the nation, will address the conference on the industrial consul-

tant as a tool of management. He is associated in the management consultant firm of Griffenhagen and Associates in Dallas.

William G. Caples, president of Inland Steel Container Company, Chicago, will discuss the importance of the economic education of workers.

Caples joined that firm on his discharge from the service. Before entering the service he practiced law in Chicago. He is president of the Industrial Relations Association of Chicago, director of United Charities of Chicago and the Unemployment Benefit Advisors, and vice chairman of the Employee Benefit Committee of the National Association of Manufacturers.

"Will Electronic Devices Replace the Office Worker?" will be the subject of a talk by D. V. Savidge, director of program planning for the Univac Fac-Tronic System, Remington Rand, Inc., New York.

Luncheon Speaker Savidge, who will address a luncheon session, has been associated with Remington Rand since 1947. Most of his career has involved analysis, design and installation of accounting and record keeping systems in public and private enterprise from coast to coast.

George L. Smith, president of the St. Louis Chamber of Commerce, will discuss community factors influencing worker satisfaction.

Factors concerned with community life and their influence on the industrial life of the worker will be discussed.

Howard Miller, assistant manager of personnel, engineering department, Du Pont de Nemours Company, Wilmington, Del., will talk on human factors in management.

Bride-to-be Feted At Recent Parties

Miss Mary Eleanor Vaden, was honoree at several parties recently. She is the bride-elect of Fred Wehmeyer of Bryan.

Mrs. M. T. Harrington and Mrs. Howard W. Barlow entertained for Miss Vaden this morning at an informal coffee in the Harrington home.

Mrs. Frank Vaden, Jr., mother of the bride-elect, presided at the coffee service. Spring flowers were used in the floral arrangements throughout the house.

The hostesses presented Miss Vaden a gift.

Mrs. Cecil MacGregor, Mrs. Shelly P. Myers, and Mrs. Edward Sauer honored Miss Vaden at a coffee and pantry shelf shower Feb. 22.

The patriotic theme was carried out further with a red begonia centerpiece on the serving table from which Mrs. Joe E. Davis served.

About 100 guests were present at a formal tea given by Mrs. C. C. Todd and Mrs. M. D. Welty Feb. 21 honoring Miss Vaden.

Mrs. M. T. Harrington, Mrs.

Frank Anderson, Mrs. Joe E. Davis, and Mrs. Shelly Myers served from a tea table centered with yellow roses and acacia and silver candelabrum will yellow candles. A gold satin table cloth with white linen lace over it covered the table. A yellow jonquil bouquet was on the buffet.

Others in the house party included Mesdames Gibb Gilchrist, John P. Abbott, James Sullivan, Edward Sauer, John Roddy, George Wilcox, Cecil MacGregor, and J. B. Owens.

Pre-Med Society Tour TU Hospital

Members of the Pre-Medical, Pre-Dental Society toured the Medical Branch of the University of Texas in Galveston Saturday. The group inspected the classrooms and the hospital facilities.

Dr. D. Bailey Calvin, dean of the Medical School, who extended the invitation for the visit, talked to the prospective students about the work and answered questions about the Galveston school.

The visitors stayed in houses of the seven medical fraternities located near the campus.

Mrs. H. L. Gavett and S. O. Brown, professors of zoology at A&M, accompanied the group.

A&M Loses

(Continued from Page 3)

left to play in the third stanza. Davis made the gift shot, but three tosses by Dowies and Ted Price set the score at 28-22.

As the quarter ended, Binford hit from the side to bring the count to 24-28. A crisp shot by Sealing started the final quarter with the Steers out in front, 30-24.

Shots by Miksch, Davis, Binford and Walker gave the Cadets a 32-32 tie with five minutes to play.

Sealing broke the deadlock with a free shot, 33-32, but Davis hooked one in to give the Farmers a 34-33 lead with four minutes left.
