Davis, McDowell Named Region Tourney All-SWC by Battalion

By The Battalion Sports Staff
The Battalion All-Southwest Conference team includes two players from A&M and TCU, with the remaining position captured by Texas.

Aggie center Buddy Davis and guard Jewell McDowell were selected on the first team. George McLeod was switched to the forward position and James Dowies added to complete the under basket crew.

TCU's John Ethridge gives ground support being rated as one of the top offensive and defensive guards in the south.

Second Team
Gene Schwinger, Rice; Ralph Johnson, Baylor; Ted Reynolds; Raymond Walker, A&M; and George Scaling, Texas were the number two team.

Davis has scored 347 this year and ranks as the best rebound artist in the conference. Davis ended his home collegiate career at A&M last night by scoring 17 points against Oklahoma City, the top defensive team in the nation.

The giant Aggie center has one of the better field goal percentages in the country hitting 117 out of 256 for a 45.7 per cent.

Leading Scorer

George McLeod, TCU, ranks as the leading scorer on the mythical team with 401 points. McLeod scored 31 points against Arkansas Tuesday to pull away from Davis in their conference scoring battle.

Dowies was also awarded his position for his scoring ability.

McDowell, although he did not play the whole season, was chosen as the number one guard because of his outstanding all-around play. The court leadership of McDowell would also give him title as cap-

Aggie Fish Lose To Allen 55-52

A&M's freshman cagemen dropped an overtime thriller 55-52 to Allen Academy in the curtain raiser preceding the varsity tilt.

Robert Johnson, Dale Fisher, and Cecil Neely tied for high point honors with 12 points each. Rodney Pirtle amassed 11 markers to follow a close fourth.

The Academy quelled Fish victory hopes with a last second field goal, just before the buzzer announced the end of the game.

Going into the three minute overtime, the Fish found themselves sporting a one point lead and attempted to freeze the ball for the remainder of the overtime.

tain of the conference dream team. Basis For Selection

Scoring alone was not the basis for final decision of the players selected. The manner in which the individual played his position and general all around ability were considered most important.

Four members of the first team have won 2 varsity letters and one has 3. With the exception of one junior and one sophomore all the

players are seniors. Rice's Gene Schwinger is only a second-year man and George Scaling has one more eligible year at TU.

Woody Walker, the smallest man on the squad, was nominated for his quarterbacking and defensive ability. Walker has been placed opposite the best men that the Aggies have faced. He always comes through with a good job. He always manages to make up for his lack of stature.

Campus Interviews on Cigarette Tests

No. 36... THE OTTER

A usually mild-mannered and easy-going lad, he really made the fur fly when he realized the trickiness of most of the so-called cigarette mildness tests! He knew there was one honest test of cigarette mildness. Millions of smokers everywhere know, too — there's one true test!

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests...

Camel leads all other brands by billions
