**ONE WAY TRAFFIC ONLY!**

On today's busy trafficways you travel only a few feet in the wrong direction before horns blast, traffic cops whistle, and other drivers shout menacingly.

In your daily living, though, there is little such clamor if you choose the wrong direction. You skim along blithely, supposing you are on the right road because others are travelling along with you. Still, others can be wrong too, you know.

The road you travel has to be either right or wrong. And the best way to find and follow that right road for present-day living is to think of the Bible as your road map.

Consult it diligently. Let your minister help you interpret the signs and signals you find in it. It has been a tried and proved map to successful, happy living for many centuries.

Through your Bible and your Church get on the right road—NOW.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
