### Fish Matmen Reach Finals

By JERRY WIZIG  
Fish Intramural Writer

Freshman intramural wrestling reaches near its end today with semifinal matches on tap in the 167 pound class.

Drawing top billing on the mat card will be the bouts between Price, Company 12, Barnard, Company 8, Loustaunav, Company 8 and Cohn, Squadron 1.

Finalists in the 113, 130, 137, and 147-pound divisions were determined by Tuesday's slate of 12 contests. These championship bouts will be held April 12.

Squadron 5 swept 10 straight games from Company 12 as they came out on top, 5-0. Squadron 1 outlasted Squadron 15, 3-2.

## Aggies Lose Meet, 25-59 To Strong TU Tankers

The stronger TU squad gathered eight of 10 first places and were never seriously contested by the Cadet swim team.

## Ag 'Cinder Stars' May Break Nine Border Olympic Marks

By RAY HOLBROOK  
Battalion Sports Writer

Heavily favored to repeat as meet champions, the Aggie "cinder stars" will be out to test their talent against more competition than they will meet again until the Texas Relays April 4-5.

In winning the meet which will be the Maroon and White's first concern, they may score more points than the 77 1/3 of last year. They may also exceed the num-

ber of firsts, 10, which they came home with in 1951. Chances are good for perhaps 5 new Aggie records, if track and weather conditions permit.

**A&M's Weight Giant**

Darrow Hooper, A&M's weight giant, may crack both shot and discuss records of 51 ft. 10 1/2 in. and 165 ft. 10 1/2 in. respectively and is almost a cinch to win both. The shot record which he set last year is sure to fall.

Ed Wilmsen, who won the 880 in 1:57.4 last year has a good chance to break the 1:56.0 for A&M and Bobby Ragsdale, barring a recurring leg injury, may eclipse the 23 ft. 6 1/2 in. broad jump if the runway has been improved over last year.

The mile, won by John Garmany of A&M last year, will see a duel between Aggie Jim Blaine and Oklahoma A&M's Fred Echoff which may result in breaking Aggie J. D. Hampton's record of 4:18.7.

**Davis Favored**

Although Buddy Davis and Don Graves, last year's high jump co-winner for A&M will be jumping, it is extremely doubtful if Aggie Pete Watkins' record of 6 ft. 7 3/4 in. will fall although Davis will be favored to win.

Other firsts for the Farmers should come in the 440-yard dash, John DeWitt or Bob Mays; the pole vault on Malcolm Marks, Glenn Spradlin, and Graves' jumps; and the mile relay team.

Don Mitchell won last year's 440 and anchored the winning mile relay for the Aggies and Jack Simpson won the pole vault.

The mile relay for 1952 of Buddy Schaefer, John DeWitt, Mays and James Baker looks like the best since 1949 but is not likely to break the 3:17.1 record set at that time by A&M.

Charles Hudgins, the defending 2-mile champion for A&M, will have to beat his 9:59.5 of last year but does not even then look like the winner this year.

A&M won the 440 relay last year but Texas is loaded with sprint talent again and should

win this one possibly breaking the 42.1 record.

Another prospective Aggie first is Bill Bless, SWC low hurdle champ, who should take the Laredo event.

This all adds up to a lot tougher time for the Aggies this year and it is doubtful if they will repeat last year's performance but will probably end the evening with at least eight first and about 60 points.

## Fish Diamond Nine Meets Blinn Friday

A promising Fish baseball squad will clash with Blinn Junior College Friday afternoon on Kyle Field.

This will be the first game of the Fish's 11-game schedule that includes games with Baylor, Texas, Rice, Wharton, and Blinn.

March 14 the Aggie Fish will travel to Brenham for the return battle with Blinn.

The Fish are blessed with three pitchers that have shown better than average ability. Jerry Nelson, Tex Vanzura, and Jimmy Knutson are rated 1-2-3 in that order.

Nelson will probably get the nod to pitch in the Blinn game. Jimmy Williams looks like the number one receiver behind the plate.

The infield will probably shape into something like this: Don Weach, first base; Frank Pollard; second base; Jimmie Parrish, third base; and Claude Northup at shortstop.

Fred Ablon, George Grobowski,

and Charles Seely will probably receive the starting outfield duties. This is the only home game for the Fish until they meet the Rice Owlets here April 5.

### Time for Golf

The Aggie Golf team will see action for the first time this year when they play host to Hardin-Simmons College March 12 here.

Hardin-Simmons will also be added to their traveling schedule with another meet set for April 16 in Abilene.

Joe Fagan will coach Aggie golfers this year, taking over the post formerly held by Bryan Country Club professional Gayther Nowell. Lettermen Johnny Barrett, Billy Baker, and J. C. Fletcher will return to Fagan's team this season. Newcomer help will come from Malcolm Douglas in an attempt to wrestle the team title from Texas.

Some Aggie golfers have not won the title since 1948.

Barrett will probably hold down the number one spot with the number two position being held by Baker or Douglas.

Fletcher, who broke his finger last year, may not be in shape in time to make the top four.

All the Cadet home matches have been scheduled over the college's 6,715-yard, par 71 layout on the campus.

Last year the Cadets finished fourth behind Texas, SMU, and Baylor in conference competition.
