

Ags Fail in 1st Inning; Lose to Ohio State, 8-4

The Aggies went down before the Ohio State Buckeyes to a count of 8-4, for their 5th straight loss yesterday at Kyle Field.

The Ohioans out-slugged the Cadets' 9-5, and always seemed to be able to come through in the clutches.

While the Cadets could never seem to find their clutch-hitters at the plate at the right moments, for the Cadets were retired numerous times with men on base, once with the sacks loaded.

The Cadets felt the absence of two of their starters, when Echette's knee gave him trouble, and he had to be replaced in the first inning. Also Yale Lary saw very little action in the game, for he had a minor operation Sunday.

Three of the Aggie's four runs came on Dave Britt's 370-foot

home run way over the center field fence in the first inning. They put together a single and three errors for their other run in the second.

The first inning was Ohio's big inning too for they ran across six runs, on four walks, three errors, and four hits. They pushed across another run in the fourth on a walk, error, and fielder's choice. The Buckeyes marked in the scoring column in the eighth to end their scoring on a walk, hit and error.

Aggie Ernie Johnson, the los-

ing pitcher had trouble from the start, but relief pitcher Lou Little did some fine pitching and was able to pull himself out of holes through-out the afternoon.

Ag Tennis Team Host to ACC

The Aggie Tennis team will clash rackets with Abilene Christian College tomorrow morning on the varsity clay courts.

The Cadets, recent losers to the University of Houston, will probably start their same team against ACC.

In the singles it will be R. G. DeBerry, Royce Tate, Gene Letsos, Ken Wagstaff and Tommy West. Tate, Letsos, West and DeBerry will also see action in doubles matches.

Amerine Wins First In 1500-Meter Event

SMU jumped to an early lead in the SWC swimming meet by winning first, fourth and fifth in the 1500 meter freestyle.

Mustang Arden Amerine won first with a time of 21:24.8. Texas lads Eddie Humphries and Alberto Yriart came in second and third. A&M's John Parnel placed sixth.

Finals will be held in 50 yard freestyle, 200 yard breaststroke, one meter diving, and 400 yard freestyle relay at 7 p. m. tonight after prelims at 2:30.

Prelims in 100 yard breaststroke, three meter diving, 100 yard backstroke, and 100 yard medley relay will be conducted at 2:30 p. m. tomorrow, with finals in these events concluding the meet at 7.

All of A&M's hopes will be in the hands of three seniors, Ralph Ellis, team captain, Van Adamson, and Bill Sargent.

Ellis is favored in the 100 yard and 200 yard freestyle events, and

Adamson in the 200 yard and 440 yard freestyles and 200 yard individual medley.

Sargent is among the best in the backstroke and 200 yard individual medley.

Ag Tracksters Seek 14th Straight Win

Houston, March 21—(Sp)—The annual top track field show in Houston—a triangular meet involving host Rice Institute, A&M, and Texas University—takes place Saturday afternoon at the "old" Rice Stadium.

The Aggies will be out to extend their winning streak, having won team honors in the last 13 meets in which they have entered.

Field events will begin at 2:30 p. m. and the first running event, the 440-yard relay, gets underway at 3 p. m. There will be no admission charge for the meet.

While most of the old Rice Stadium has been torn down since last spring, about 4,000 seats on the north side have been retained for track meets, and they will be available for the fans.

There will be competition among both the varsity and freshmen of three Southwest Conference schools, with 17 running events in all on the program. The meet is scheduled to last two hours.

The triangular meet gives Houstonians an opportunity to see several top track and field stars in action, including the Aggies' grid star, Darrow Hooper, who was national shot put champion last year as a sophomore, and the heralded Texas sprinters, Dean Smith and Charley Thomas, as well as Rice's promising freshmen dash

CENTERPOISE POWER

Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.

BODY BY FISHER

Fisher Body sets the standard—for styling, for craftsmanship, for comfort! Fisher Unit steel construction is extra strong.

Lowest priced in its field!

This beautiful new Styleline De Luxe 2-Door Sedan—like many Chevrolet models—lists for less than any comparable model in its field. Continuation of standard equipment and trim illustrated is dependent on availability of material.

4-WAY ENGINE LUBRICATION

Chevrolet's exclusive engine lubricating system supplies exactly the right kind and amount of lubrication to each moving part.

POWERGLIDE AUTOMATIC TRANSMISSION

Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

LARGEST BRAKES

Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.

UNITIZED KNEE-ACTION RIDE

Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorbers give even finer ride control.

Lowest priced in its field!

This beautiful new Styleline De Luxe 2-Door Sedan—like many Chevrolet models—lists for less than any comparable model in its field. Continuation of standard equipment and trim illustrated is dependent on availability of material.

CAST IRON ALLOY PISTONS

The same material as the cylinder block, pistons expand and contract at same rate. This reduces wear, lowers oil consumption.

MOST POWERFUL VALVE-IN-HEAD ENGINE

Teamed with Powerglide is the most powerful valve-in-head engine in its field and an outstanding performer in any field!

WIDEST COLOR CHOICE

26 rich new colors and two-tone combinations... widest choice in Chevrolet's field. New De Luxe interiors are color-matched.

WIDEST TREAD

Chevrolet measures 58 3/4 inches between centers of rear wheels—a broader base to give you more stability, less sway!

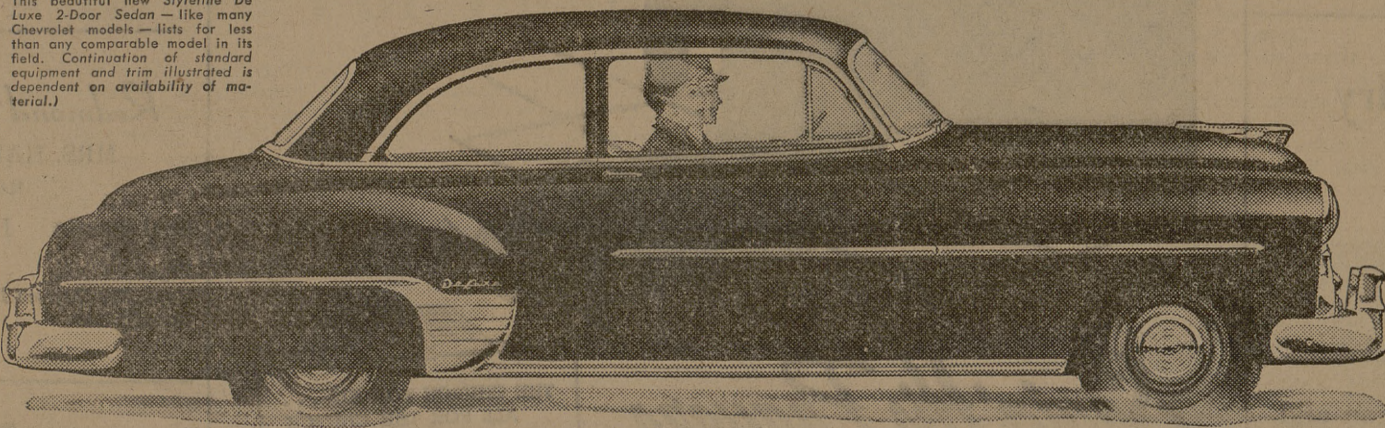

Lowest priced in its field!

This beautiful new Styleline De Luxe 2-Door Sedan—like many Chevrolet models—lists for less than any comparable model in its field. Continuation of standard equipment and trim illustrated is dependent on availability of material.

SAFETY PLATE GLASS ALL AROUND

Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-round view.

CHEVROLET

No other car in Chevrolet's field offers you a single one of these features. Yet you'll find many of them in America's most costly cars. Here's proof that you're value ahead with Chevrolet... again in 1952 the lowest-priced line in its field! Come in and look it over. MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!
