B A Society To Hear Talk By Investor

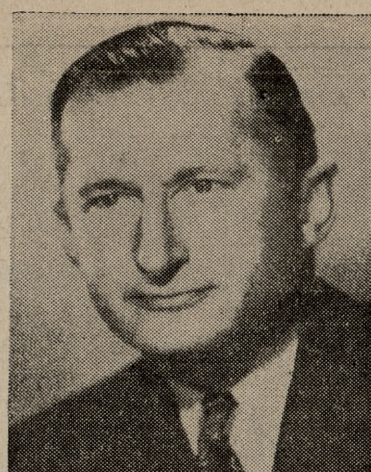

E. O. Cartwright, resident partner, Merrill Lynch, Pierce, Fenner, & Beane will speak to the Business Society at 7:30 p. m. in the Biological Sciences Building lecture room, Wednesday.

Cartwright will explain the investment problems facing the small investor and tell how these can best be solved. Business Society members will also be shown a new 15 minute movie developed by Cartwright's Investment Brokerage Co. entitled "Investing For You."

Starting at the lowest rung of the ladder, Cartwright has occupied almost every position in his business, including branch manager in Dallas and New York. His first job was posting prices on the quotation board, coupled with some janitor work.

He is a general partner in Merrill Lynch, Pierce, Fenner & Beane, the nation's largest firm engaged in the underwriting and distribution of investment securities and brokers and dealers in securities and commodities.

He has been active in business and civic affairs of Dallas for a quarter of a century. He is director of the Community Chest of Dallas County, director and past president of the Richmond Freeman Memorial Clinic for Children.

Two Weeks Left To Order Favors

Seniors must place their orders with the Office of Student Activities within the next two weeks for senior favors if they intend to have them by graduation, said Pete Hardesty, business manager for student activities.

Hardesty said the deadline for ordering graduation announcements is April 26.

A&M Consolidated in District Meet Competition Friday

The district 68-B literary, track and field spring meet will take place Friday March 28 at A&M Consolidated High School.

Literary events including debate, declamation, typewriting, spelling, ready writing, and extemporaneous speaking, begin at 10 Friday morning.

The track and field meet will start at 2 p. m. All events are divided into six divisions except the ready writing and slide rule competition. Divisions include elementary, junior high, and high school entries. One boy and one girl from each school level will participate.

Winners To Compete

Winners in the junior high and senior high divisions will compete in the Region 6 meet April 19, at the Southwest Texas State Teachers College.

Bob Barlow of A&M Consolidated, only entry in the slide rule contest, will automatically attend the regional meet.

Schools participating here Friday are from Dime Box, Burton, Bastrop, Smithville, Lexington, Giddings, and College Station.

FBI Agent Speaks At Lions Meeting

R. E. Gebhardt, agent of the Federal Bureau of Investigation, spoke to members of the College Station Lions Club Monday at their weekly luncheon in the MSC.

He explained the work of an FBI agent and told the story of several cases in which the FBI was involved.

Committees were appointed at the meeting for the Lions professional wrestling matches scheduled April 18.

Ribbons will be awarded winners of each division and the two schools winning in the literary and the track events will receive trophies.

Hillel Foundation To Hear Lichtman

Captain Bill Lichtman, noted air ace, will be the featured speaker at the regular meeting of the Hillel Foundation, Wednesday evening, March 26, at 7:15 in the YMCA chapel.

A film, "The City of Tents," will be shown in addition to the talk by Captain Lichtman.

Now 32, Captain Lichtman has been a pilot since he was 20. In 1940, when war broke out in Europe, he enlisted in the R. A. F. and participated in the Battle of Britain, flying 50 missions. He later switched to the U. S. Army Air Force for the rest of the war.

Boeing is interested in Engineering graduates with a B.S. or higher degree for aircraft—

- Development
- Design
- Research
- Production
- Tooling

Also physicists and mathematicians with advanced degrees and a background or interest in engineering application. Openings are available at both the Seattle, Washington, and Wichita, Kansas, plants.

A group meeting will be held during the campus visit. A motion picture showing Boeing engineering assignments and recreational and living potentials at Seattle and Wichita will be shown. General discussion period will follow.

These are excellent opportunities. Boeing is one of the world's leading aircraft firms—designer and builder of such famed airplanes as the B-17, B-29, Stratocruiser, B-47 Stratojet, and the new eight-jet B-52 heavy bomber.

Campus Interviews on Cigarette Tests

No. 38...THE WOLF

"MOST OF THEM AREN'T WORTH HOWLING ABOUT!"

Sharp character on campus—he's not easily duped by deceptive devices! From the onset of the tricky cigarette tests, he knew there was one true test of mildness. Millions of smokers throughout America have learned, too!

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke, on a pack-after-pack, day-after-day basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests...

Camel leads all other brands by billions
