Mitchell, Law Tied In Volleyball Race

With only three days remaining in its existence, the first summer semester intramural athletic program seems intent on ensnaring itself into a complicated mess.

This applies not so much for the softball title race as it does for volleyball, which is threatening to demand a play-off to decide who will wear the title crown.

For several weeks it has appeared that Mitchell Hall's towering sextet would complete an undefeated season at the Grove as they rolled over their first four opponents with ease.

Close behind Mitchell, but never considered too serious a threat, was Law Hall, whose single loss to Leggett had kept them out of a share of the first place standings.

But when the crucial clash between Mitchell and Law occurred last Thursday, Mitchell's steam-rolling machine suddenly ran out of steam as they bowed to the Law squad 2-0, allowing Law to move into a tie for first place and file a strong bid for the volleyball crown.

Law was keyed to the limit as they rolled over disorganized Mitchell 15-7, 15-9. Fine defensive play by Larry Hoffman, supplemented by the spiking of "Skip-

per" Robinson provided the Lawites with the winning combination. On the softball scene Mitchell is coasting along comfortably three games ahead of second place VV-PH. Mitchell has only to win one of their two remaining games with VV-PH or Law to cinch their claim to the softball championship, but neither of these is classed as a cinch.

Sparked by a new mound battery, VV-PH is making a final effort to dislodge Mitchell from the top position. They have risen from fifth to second place in an amazingly short time, now sporting a record of 6 wins against only 4 losses.

But with only three days remaining, the odds are against the veterans of gaining the number one position.

Latest victim of the VV-PH comeback crew was Leggett, who crumbled to the vets 6-2 last Wednesday. Campbell was the winning moundsman with Reed the loser.

Still game in the volleyball race is Bizzell Hall, whose squad drove to a 2-1 win over Puryear last Wednesday. Puryear was armed with only four players, but still they managed to hold Bizzell to a 15-12, 3-15, 15-10 game record.

The Intramural Office has revealed that Texas Golfists have withdrawn from any further competition in either softball or volleyball, forfeiting their remaining games.

Bizzell, said the Intramural Office, has forfeited their remaining softball games, but are still in volleyball competition.

Godfrey Beats Hitt for Mural Golf Crown

C. H. (Bob) Godfrey won the intramural golf championship from Pat Hitt Thursday in an 18-hole championship round.

Godfrey claimed the title before the end of the match when, with only five holes remaining, he was seven holes ahead of Hitt.

Godfrey downed T. D. Tankersley and J. J. Martin in preliminary play before he earned the right to compete for the championship.

Hitt won over J. H. Jowell and James Powell in his preliminaries.

Brenham Cage Star to Enroll Here This Fall

Eugene Bredthauer, star basketball player from Brenham, will enter A&M this fall on a four-year athletic scholarship.

Bredthauer, a 6' 1" guard, led the Cubs to victory in the regional playoff after a district 25-AA championship the past season.

He was unanimous choice for all-district and all-South-Central Texas the past season.

Bridge Club to Meet

The Aggie Wives Bridge Club will meet Thursday night in the MSC at 7:45.

Last Thursday Mrs. Jane Rouse won high score and Mrs. Dorothy Criswell second high.

KU's Yoder To Race Russia First

From Dallas Morning News

Helsinki, Finland, July 15—(AP)—Lee Yoder, 400-meter hurdler from the University of Kansas, Monday drew the honor of being the first American athlete to meet a Russian rival in the 1952 Olympics.

Yoder, top-seeded in the second heat of the long hurdle race, faces Timofie Lunny, the Soviets' third best man. They race at 4:30 p.m. (8:30 a.m. Dallas time) next Sunday in the opening competition. Three men from each heat qualify for the second round of trials in the event.

Pre-Olympic competition started Monday in basketball as thirteen teams began a round robin to determine the six that will enter games competition next week. The results were:

Hungary 75, Greece 38, Cuba 59, Belgium 57, Canada 68, Italy 57, Philippines 57, Israel 47, Bulgaria 69, Switzerland 58, Egypt 64, Turkey 45.

The United States, as defending Olympic champions, and Russia, the European champions, were automatically qualified with eight other teams.

Tuesday the elimination rounds start in soccer with the game between Russia and Bulgaria at Kotka, 83 miles to the east, the feature of the day. The United States meets Italy on Wednesday at Tampere, 100 miles to the west of here.

The eliminations were needed to complete the competitions within the regular period of the games, July 19-Aug. 3.

Meanwhile, the political situation still simmered. The East German team, mostly yachtsmen, arrived. West Germany has been recognized, and the Olympic committee tried to set up procedure whereby a single German team would be chosen, but the East Ger-

mans would have no part of it.

Nationalist China is due this week and Red China was reported en route. Both Red and Nationalist China have been denied entry on the grounds their dues aren't paid.

The track and field draw evoked unusual interest because of the pairings of United States and Russian athletes. Charlie Moore, the ex-Cornell runner who is favored to win the 400-meter hurdles, was top-seeded in the first heat against poor competition. Roland Blackman of the United States Army, the third American in the event, was put in the third heat, which includes Anatolii Julin of Russia.

The draw was completed only for the 400-meter hurdles, the 100-meter dash, and the 800-meter run plus the women's 100. Heats in all these will be run off Sunday together with finals in the 10,000-meter run—which has fifty-one entries—the high jump and the women's discus.

Vladimir Soukharev of Russia, or whom a time of 10.2 is claimed, tying the world's record, is second seeded in Helsinki's heat.

In the 800 meters, Reg Pearman, formerly of New York University, was seeded third in the fourth heat behind Guenther Steins of Germany and Pierre Teevgoun of Russia. Mal Whitfield, the American who is defending Olympic champion, was top seeded in the second heat, and John Barnes, the third American, was top seeded in the third heat. Three from each heat qualify for the semifinals.

The big surprise of the opening basketball play came when Cuba upset a tall and highly regarded Belgian team, 59 to 51.

Rain prevented the American track team from working out in the morning, but a short drill was held in the afternoon.

College Station Places Second In Swim Meet. Tyler Is Winner

By JIM ASHLOCK Battalion Sports Editor

College Station's long domination of first place in the College Station Invitational Swimming Meet came to an end Sunday night as they were forced to take second place to a strong Tyler tank crew.

Final point totals gave Tyler 295 markers, while the local swimmers tallied 217. Golferest of Houston resided in third place with 163 points.

Sixteen records were broken in the three division meet which consisted of competition in junior, intermediate, and senior age groups.

Locals Win

College Station's big night in the three day classic came Saturday evening in the finals for the intermediate division.

The home, 13-16 age group splashed to a first place total of 91 points in this division, far ahead of Tyler's second place 66 points.

First places by Tom Barlow, John Robert Smith, and the girl's relay squads made up of Kay Parnell, Ann Copeland, Nancy Hale, and Ann Schlessman were the chief factors by which College Station took the intermediate championship.

Tyler Shines

Tyler's greatest accumulation of points grew mostly from their overwhelming victory in Friday night's Junior division competition.

Taking 11 of the 13 events in the division, Tyler's young aquatics shattered four previous records as they built up 148 points, more than three times as many as the two runner-ups, College Station and Golferest. Both these teams were tied for second with 46 points.

Senior Competition Close

The finals in the Senior division Sunday night found competition much closer with a wider distribution of points over the teams entered.

College Station gained third place with 80 points in this division, enabling them to move into

the runner-up position for the entire meet.

First places by Gayle Klipple and Dick Weick in the men's 300-yard individual medley and 200-yard breaststroke were the two registered by College Station in this division.

Kneip, Ufer

But the greatest performer of the meet was little Jane Kneip of the San Antonio Aquatic Club. Jane, a senior division entrant, performed in five events, breaking two individual records, serving on two record smashing relay squads, and taking second in the 100-yard breaststroke.

Her two individual triumphs came in the 200-yard individual medley and the 100-yard freestyle. The two relay squads of which she was a member were the 300 medley and 400-yard freestyle.

Jane alone accounted for 14 of S.A.A.C.'s points while her two relay teams received credit for more.

Another outstanding performer of the tourney was Dieter Ufer, a junior division swimmer. Swimming unattached to any team, Ufer set a new record in the 66% breaststroke match and took first in the only other event he entered, the 100-yard individual medley.

Adamson Pleased

College Station coach Art Adamson said that he was well satisfied with the way the meet came out.

"Of course," said Adamson, "I would have liked to have seen our kids win. But its not the best thing for you to win your own meet year after year. I believe our loss will do a lot to uphold the outside interest in the College Station meet."

Adamson went on to say that he was pleased with the performance of his swimmers and with the running of the meet.

"There was plenty of good swimming, we had good officials who kept the events going, and we had a good spectator turnout. With all that you can't help but have a good meet," said Adamson.

Besides College Station, Tyler,

and Golferest, nine other outside teams were entered in the tourney. Complete with point totals they were: San Antonio Aquatic Club, 141 points; Crystal Pool of Houston, 77; Cork Club of Houston, 74; Kilgore, 26; Texas Aquatic Club of Austin, 24; Shakespear Pool, 17; River Oaks of Houston, 14; West University, 12; Lamar Aquatic Club, 8.
