ing through the previously set channels.  
The Student Life Committee's duties are important and varied. W. L. Penberthy, dean of men, will be the committee's chairman. The group elects one of its members as parliamentarian. Among its many duties the committee distributes and approves expenditures in excess of \$100 from the Student Activities and Student Concessions Accounts, selects Who's Who award winners, and supervises and grants contracts for student publications.  
With all its educational facilities, A&M also has provided for the students their government. Students' interest and participation determine its real strength.

"A Nutritious Food"

*Wake 'em up, GABRIEL!*

There isn't much music coming out of that horn. But one thing's certain: this little fellow is making plenty of noise.

If it happens to be Sunday morning, when the family sleeps late, this sturdy musician isn't going to receive much praise. His lungs are strong, though, and he's going to sit there and toot that trumpet until Mom or Dad takes it away from him.

All of his playmates are at Sunday School, so you really can't blame him for trying to while away the idle hours. Unfortunately, his parents haven't got the Church-going habit, so this boy will probably grow up like them and sleep away the hours in which he could be getting spiritual nourishment.

You've got the right idea, Gabriel. Wake them up to their responsibility!

THE CHURCH FOR ALL . . .  
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
