FSA Votes \$40,000 Additional Money For Campus Chapel

An additional \$40,000 was voted to an All-Faith Chapel fund by the executive council of the Former Students Association Saturday.

Meeting on the campus in their session, the councilmen included this appropriation as the major expense from their 1953 development fund.

development fund.

The council has already earmarked \$34,000 to the chapel fund, bringing the total to \$74,000.

Members of the group, which refesent all classes graduated form A&M and all organized Former Student clubs, decided to lengthen this project over a period of three or four more years. of three or four more years.

Cadet Officers Vote

Cadet senior officers agreed Friday to enforce the abolition of a traditional greeting on the campus Discussion on the motion by during football season. Meeting Holmes brought out the fact that in an open forum and led by Colonel of the Corps Weldon Kruger, the officers agreed they had the authority to take such a step.

The traditional football greeting, "Beat the H—— out of——", was eliminated by the seniors. Heretofore students have greeted each other on the campus during football season with these words, including the name of the team A&M plays the coming weekend.

Two motions were brought up and voted on at the meeting. The first was made by Claude Holmes, fourth group commander. It was to determine whether or not the officers had the right to make a decision to eliminate the football greeting. The second motion, pro-posed by Bruce Gibson, third division commander, was to replace the greeting with the conventional

The contrast of shadows and outline in the painting has made it the favorite it is.

Mrs. Terry believes college art is beginning its climb in playing an important role of Texas' cultural picture. In bringing exhibits here, she, together with the art gallery committee which this year is headed by Lewis Hampton, hopes to fulfill the desire of the students. Mrs. Terry is doing this by bringing both modern paint-ings and those of the old masters, giving variety and intriguing the student's appetite for "something different, yet exciting."

year recommended the use of profanity be done away with, and the whole matter of greeting during football season be left to the decision of the Class of 1953.

Vote Immediately

Joe Mattei, senior class president, told the group a decision was needed to be reached immediately, and since a senior class meeting could not be held before the second week of school, he felt a vote should be taken that day.

Other comments were this was a corps matter and the group present at the meeting which included top senior cadet officers was a representative body of the corps and of the senior class. Members of the group also expressed the opinion that as commanders they would be the responsible persons for seeing the greeting eliminated Again for Best from this campus.
