★ CONTAINS TOBACCOS OF BETTER QUALITY AND HIGHER PRICE THAN ANY OTHER KING-SIZE CIGARETTE

LIGGETT & MYERS TOBACCO CO.

LIGGETT & MYERS TOBACCO CO.

**BOTH** regular and king-size Chesterfields are premium quality cigarettes and come in the smart white pack.

**BOTH** contain only those proven ingredients that make Chesterfields the best possible smoke: the world's best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy—nothing else.

**BOTH** are much milder with an extraordinarily good taste and, from the report of a well-known research organization—no unpleasant after-taste.

**BOTH** are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger—contains considerably more of the same tobaccos—enough more to give you a 21% longer smoke, yet costs very little more.
