THE MONOTONY OF LIFE ...

Ever trudge along a road like this? Step upon step, then a thousand more... yet the road stretches endlessly onward. It's a weary journey.

Give me the winding road every time! There is a new vision around every turn... each step brings you closer to something.

There are times when life seems a long road that has no turning. Tiresome routine can stifle a man's spirit until he trembles at the very sameness of the days.

Christianity is God's own answer to the monotony of life. The teachings of Christ open new vistas of beauty and happiness. Sunday worship, daily prayer and an abiding faith help us to discover a sense of progress and bring us closer to our God-given destiny.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
