The Battalion staff has decided to eliminate this confusion and print the winners each week using their own system.

We guarantee to pick the winners each week and come within one touchdown of the final score.

Information on how the system works cannot be revealed at this time for fear other writers will use it.

Married Couples Elect Officers

About 25 couples attended the first MSC Married Couples dance Friday night in the MSC Assembly Room.

The club was organized to furnish inexpensive entertainment for married students and wives. The tentative date for the next dance is Oct. 11, Clem England, publicity chairman, said.

Dance dates were changed from Friday night to Saturday night.

Officers elected to serve for the fall semester are President Bud Griffin, Vice president Phil Rouse, Secretary-treasurer Warren Criswell, Music chairman Bill Pettigrew and Publicity chairman Clem England.

Dance Classes Set By MSC Committee

Dance class registration for the fall semester is now being conducted in the directorate offices of the MSC, announced Miss Betty Bolander, MSC program director.

Manning Smith, local dance teacher, and his wife Nita will be hand to conduct the classes this year. They have studied dancing in Arthur Murray's New York studio and are in constant demand all over the country, said Miss Bolander.

To help him in his instruction, Smith has contacted several local girls who will occasionally serve as partners for the students.

Enrollment in the dance classes this year has been extended to forty in each section, with the registration fee of \$2.50 covering ten weeks of instruction, said Miss Bolander.

Students signing up may register for classes which will begin either 7:30 p. m. or 8:30 p. m. on Monday and Tuesday, Sept. 29 has been set as the starting date for these classes, which is sponsored by the MSC Dance Committee.

Smith will also conduct a dance

class for non-bachelors and their wives on Tuesdays from 9:15-10 p. m.

Dance class registration will continue for two weeks or until the sections are filled, Miss Bolander added.

traditions committee, Mattei said some of the points that group will consider are 1) limiting of wearing boots to two semesters, 2) allowing seniors a special section in Guion Hall, 3) adhering more to the tradition of turning out all lights on the campus during Silver Taps ceremonies, 4) reducing the number of soft drink bottles carried out of dormitories, and 5) enforcing uniform regulations for underclassmen.

Reporting on sales of calendars by the senior class, Dale Beiten-darf announced that only 40 of 370 calendars were left to be sold. He predicted net profits would be in the neighborhood of \$170.

Plans For Ring Dance

Bubba Blank reported on plans for the Senior Ring Dance. He introduced W. D. (Pete) Hardesty, business manager of student activities, who explained the expense of the annual senior dance and banquet to be held in May. Blank also reported on plans for selecting the Aggie Sweetheart, and named

members of the selection committee.

A plan for campus beautification was discussed by Claude Holmes, chairman of that committee. With his recommendation, the seniors voted to discontinue playing football and other games on the grass between dormitories on the east and west sides of the "new" corps area.

Among other items discussed at the meeting was a resolution introduced and unanimously passed by the class to encourage juniors to "speak" on the campus. Arvis Noak, pre-law major from Round Top presented the prepared resolution.

Kyle Field Reserved Sections

The question of a reserved section for seniors at the Kentucky football game was brought before the seniors. Don Buckner, pre-law major from Follett, said the Student Senate handled seating at all football games. He asked if the class was in favor of adopting the plan used last year until the senate convenes immediately after the Kentucky game to set up a new plan.

After some discussion the seniors decided to adopt the old plan, altering it to allow non-corps students to sit with corps seniors in Kyle Field.

Joe Riddle, chemical engineering major from Dallas, queried The Battalion co-editor as to when "Pogo" would be resumed in that publication. Riddle and members of the class were assured that "Pogo" is due back next week.
