

# Farmers Underdogs In Saturday's Tilt

NEW YORK, Sept. 25—(AP)—Some of the season's best football games will be played this week end, partly hidden by the approaching World Series.

Perhaps these forecasts should be completely hidden. Anyway, here is how the week-end college football games should come out!

Michigan State over Michigan—Last year Michigan State said it was writing off 1951 and looking ahead to 1952—but the Spartans were unbeaten in nine games.

Notre Dame over Pennsylvania—the Quakers have the material, and perhaps, the attack but Notre Dame had the benefit of spring practice.

UCLA over Texas Christian—Don Moomaw, outstanding line backer for the Californians, gives them the edge.

Georgia Tech over Florida—The Tech backfield is rated as the best

T-formation foursome ever to play in the South.

Texas over North Carolina—Only because this will be North Carolina's first game using the split-T.

Duke over Southern Methodist—The Dukes get the Duke in this Friday night affair.

Southwest—Arkansas over Houston, Oklahoma Aggies over Texas Aggies, Rice over Texas Tech.

## Rice Claims Good Condition for Tech

HOUSTON, Sept. 25—(AP)—The Rice Owls held a light workout yesterday, Coach Jess Neely said his squad enters Saturday night's Texas Tech game in near-perfect physical condition.

The only casualty is reserve End R. E. Wortham.

STILL BUILDING—Oklahoma A&M football coach Jennings Bryan Whitworth served as line coach under Wally Butts of Georgia for eleven years before taking over the reins at Oklahoma A&M. Whitworth says his rebuilding at the Oklahoma school will take two or three years.

# CHS Team-Spirit High After Runaway Score

The football team and students of A&M Consolidated High School have never had more enthusiasm for sports than they have this week, according to Coach Othel V. Chafin.

The score of last Friday's football game which Consolidated won, 71 to 13, is responsible for it.

Coach Chafin had every member of the squad in the game at one time or another. He was well pleased by the second string which played a good share of each quarter.

Even though both of Iola's scores were made against the "B" squad, Chafin isn't too concerned because of the relative inexperience of the boys.

**Easy Game**  
Although the last game was an easy one, the coach will still keep the team working hard in practice believing the blame for the big score was mostly Iola's.

The Tigers are improving every day. "With each game, they seem to get better," said Chafin. There

## Holidays Announced For A&M Employees

Employees of the A&M System will have 13 holidays during the present fiscal year. These will include Thanksgiving, Nov. 27-29; Christmas, Dec. 22-27; New Year's Day; spring recess, April 3-4 and July 4.

was some excellent play by the starting backfield in the Iola game, but much of the success was due to the offensive line, with Dan Williams and Pinky Cooner playing a hard game.

The next game is on Tiger Field against the Navasota High School Rattlers. The Rattlers have been beaten in their first two games but these were played against two of the outstanding teams in the

state. The Rattlers have a good, fast backfield with a fine passer in the person of Fletcher Yarbrough, their quarterback.

Coach Chafin won't have his injured players back for the game with Navasota but expects them able to play in the game with Milano, the following Friday. This will be the first district game for the Tigers this year.

## Senior PE Majors Conduct Classes at Consolidated

Eight senior physical education majors from A&M have begun practice teaching at A&M Consolidated High School by helping instruct the school's reorganized physical education classes.

The student teachers are Russell Hudeck, Roddin Purswell, Jerry Crossman, Richard Bess, W. R. Walker, Charles Russell, Charles Rawlings, and Joe Erette.

The Consolidated physical education schedule was changed this year from one large class in the afternoon to four smaller ones scattered throughout the day. The new plan enables more students from A&M to teach during the year.

The practice teaching course is a six hour credit course and is required in Texas in order to get a teaching certificate. The student teachers help instruct both boys and girls classes. The boys as Consolidated are taught skills in the various sports and gymnastics. Instruction in the girl's classes is mainly on rhythmic games due to the lack of dressing space at the school.

"Although the course is difficult, it is working out very well. It seems that the student teachers have the most trouble with the girls classes because the girls are hardest for them to handle," said C. W. Landiss of the physical education department.

## Official Notice

**SENIORS IN AGRICULTURE**  
The Borden Award in Dairy Husbandry will be made to the newly classified Senior student in Agriculture who has completed 2 or more courses in Dairy Husbandry and who has the highest grade point ratio among such students. Any senior student in Agriculture who believes he would be eligible and who has a grade point ratio of 1.5 or higher is requested to leave his name with the secretary in the Dairy Husbandry office, 213 Ag. Bldg. by Oct. 4.

I. W. Ruppel  
Head of Department of Dairy Husbandry

Applications for degrees are now being accepted at the Registrar's Office from all students who expect to graduate in January 1953. Students who are expecting to complete the requirements for either a Baccalaureate or Master's Degree during the 1952 Fall Semester should call by the office of the registrar no later than November 1, 1952 and file formal application for their degree.

H. L. HEATON  
Registrar

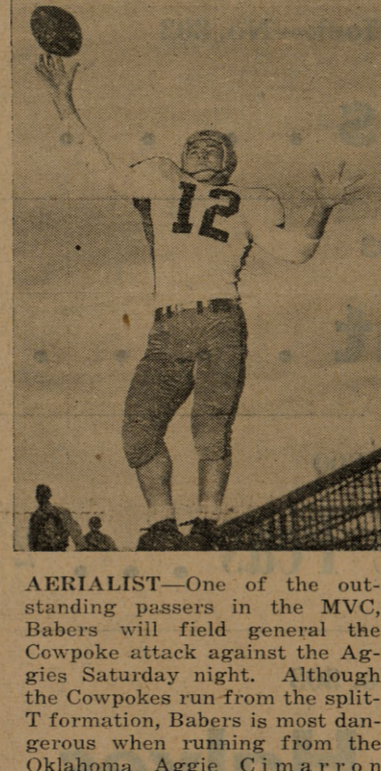

**CHANGES IN STUDIES**  
Changes in the list of courses for which any student is currently registered may be made only on the written recommendation of the head of each department concerned and with the approval of the dean of the student's school. A student may not add a course after Saturday, September 20, 1952. Any course dropped after Saturday, September 27, shall normally carry a grade of F.

DAVID H. MORGAN  
Dean of the College

All students who want to act as tutors, go by the Registrar's office and get approved and leave your address as well as the subject that you can tutor.

**Dr. M. W. Deason**

# Pleased....

We are quite well pleased with the big response given to our 12th Anniversary Sale last week. Particularly so, wherein our market set by a substantial margin an all-time high in sales, though we have had some very successful sales in the past. This points up the fact our quality meats at fair prices are gaining in popularity. Thank you for your participation.
