Do you have to make eyes to make A's?

We could flutter our lids till our eyeballs ached and it wouldn't help. Our Prof is strictly business. He's the public.

Every 6 months Bell Telephone Companies ask the public for their grades. It's done by opinion surveys. We ask thousands of customers to tell us what they think of our service. On the basis of their reports we try to improve where they think we could be doing better. Subsequent surveys show us if we've been successful.

This search for better ways of serving

people is only one aspect of the Bell System business philosophy. It underlies our constant search for ways to provide ever-better telephone service at the lowest possible cost.

For qualified college people interested in engineering, operations and administration, we offer many opportunities. We believe you'll be interested to learn what we mean.

Your college placement office will be glad to give you more details.

THE KEYS OF TOMORROW

Boys and girls like the two in this picture are the raw materials from which good citizens are made. They hold the keys of tomorrow and are the hope of America and the world.

As they grow older, they will acquire knowledge and receive training designed to fit them for the duties and responsibilities of life. They will realize that they have an important stake in government and in human society as a whole.

But they must be trained—and must train themselves—to meet these responsibilities as they develop. They must be taught that obedience to law and respect for the rights of others is essential to the common good.

There is no better training in the elements of good citizenship than is embodied in the teachings of the Church and the great principles of the Bible. They are the touchstone of good citizenship and the spiritual basis of our inherited faith.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
