

Spartans Remain No. 1; UT On Bottom Rung

NEW YORK, Oct. 21—(AP)—Michigan State clung to first place but Maryland made a strong fight of it yesterday in the Associated Press' fourth weekly college football poll.

At the same time Oklahoma, rallying after a shaky start, moved into a position of contention by jumping from sixth to third on the strength of a 42-20 victory over Kansas.

Texas, which rated high early in the season but plummeted from

favor, regained a toe-hold with the 20th spot.

The Spartans of Michigan State, who routed Syracuse 48-7 Saturday for their 19th consecutive triumph, received 49 of the No. 1 votes cast by 138 sports writers and broadcasters. They held a slim 50-point advantage over Maryland.

Points are awarded on the basis of ten for a first place vote, nine for second, etc. Thus the Spartans, margin over the terrific Terrapins amounted to five first place votes.

Option Buyers Get Good Seats

Response to the ticket option plan for the enlargement of Kyle Field stadium and the addition of a modern press box, has been good, said Barlow Irvin, athletic director. Approximately 1,000 reserved seat options, at \$50 per seat, have been purchased by alumni, and Irvin expects the Aggies-exes to swell that figure.

The stadium expansion plan calls for the addition of 2,560 seats between the 30-yard lines on the west side of Kyle Field, with the new press box being added atop the additional seats. This program is expected to be completed in time for the 1953 football season.

After Nov. 1, the options will be offered to the general public. Before that date only alumni of A&M will be offered the options which entitle the purchaser a chance to buy a 30-yard line seat or better for the next 20 years.

Construction is well underway on the new, 8,500-seat field house which will be ready for occupancy by the Aggie basketball team in the fall of 1953, Irvin said.

STOPPED SHORT—Texas Christian's Marshall Robinson was tackled immediately by Aggie Guard Sid Theriot. Robinson's punt return was good for only three yards.

Accident Classes Plan Safety Tour

The industrial education department is sponsoring a safety tour to Lufkin and vicinity for students of the accident prevention classes, John W. Hill, instructor, said.

The tour has been set for Dec. 10 and an estimated 45 students will inspect existing safety programs and talk with personnel who work in the programs. They also will make inspections themselves while in the area, Hill added.

Ralph J. Vernon, instructor, also will accompany the students to Lufkin. The classes are composed of students majoring in business administration, industrial education, industrial technology, industrial engineering, and architecture.

Brooks to Speak To Faculty Group

Dean Emeritus T. D. Brooks will speak to the Arts and Sciences faculty meeting Wednesday night. His subject will be "How a Teacher May Improve His Teaching."

Dean Brooks was Dean of the School of Arts and Sciences and the Graduate School for many years before his retirement. He will speak to an expected attendance of over 200 faculty members.

The regular fall meeting of the faculty will also elect a new secretary to replace Dr. D. W. Hood of the Oceanography Dept. The new members of the faculty will be formally introduced. The meeting is scheduled to be held in the Biological Science Lecture Room at 8 p. m. Wednesday, October 22.

A&M Employees Hold Club Dance

The College Dance Club held a dinner and dance last night at 7:30 in the MSC Ballroom for its members. It was the regular monthly meeting of the club, according to Dr. J. E. Adams, club chairman.

Grant-in-Aid Received By Experiment Station

A \$2,000 grant-in-aid from the Central Power and Light Company of Corpus Christi has been received by the Texas Agricultural Experiment Station.

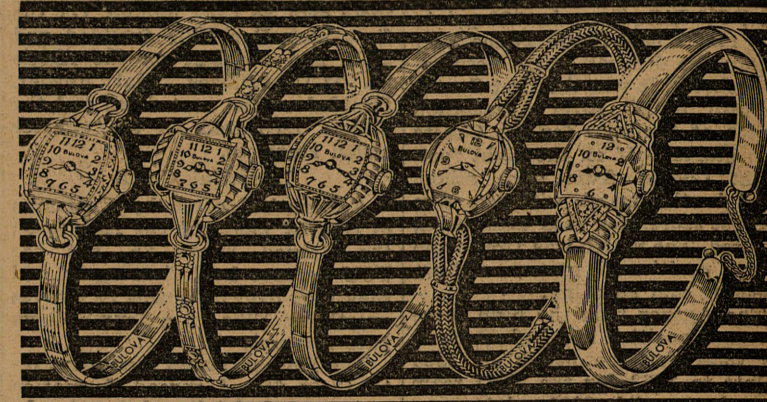

The money will be used in continuing the grant-in-aid of research and demonstrations on grasses and legumes in the Winter Garden area for the period of Oct. 1, 1952 to Oct. 1, 1953.
