This is the hand of Justice. It improves those people who have strayed from the path of truth and good living.

Honest men and righteous men have chosen another hand; one which is not pictured here. They never need the reproof of Justice, for they have chosen the Hand of God.

Each man is free to decide which hand will lead him. Some never see the Hand of God, and their way through life is barren and pointless.

But with the help of the Church, you can find the right path. By attending its services and joining in its work, your way through life can be made straight and happy. Take the Hand of God, and you need never fear stern Justice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
