# **Election Shows** People's Faith In GOP - Nixon

LOS ANGELES, Nov. 5-Sen. Richard M. Nixon, successful GOP candidate for vice president, urged in a victory statement today that all Americans "join together behind the leadership of Gen. Dwight Eisenhower to advance the cause of freedom and to bring about peace throughout the world."

The young running mate of Gen Eisenhower spoke to a nationwide audience on television and radio shortly after the general made his winning declaration in New York City. He said:

"We want to express our appre-ciation to the thousands of volunteer workers all over America Republicans, independents and Democrats—who joined in the cru-sade which has elected Dwight Eisenhower president of the United States. The result of the election is a great expression of the confidence and faith that the American people have in his leadership.

"In the natural gratification that we all feel at this moment, we must never forget the great responsibility that a new adminis-tration must assume in the critical period ahead. As Dwight Eisen-17,657 hower has said on occasion after 430 occasion, there is no problem which 160 million united American peo 6.408 2,842 | ple cannot solve.
