### And the Stork

The Quarterback Club judges never know from week to week what they are going to find in the Pick-the-Winner ballot box. Last week a list of telephone numbers, names, and addresses were found. The single boys in The Battalion office lost interest in it when they discovered that it included the names of students as well as their wives. After examination by one of the editors, the list was given to the Women's Editor. It looks like it might belong to MSC Married Couples Committee. The list can be picked up at the Woman's Desk. . . .

# FOUNDATIONS!

You have to go down if you want to go up! That sounds like foolishness, but it isn't.

If you plan to build a garage, you don't need to dig very much before you lay the foundation. But if you plan to rival a modern skyscraper, you must start deep below the earth's surface.

Foundations of great buildings must go down until they rest on bed rock. Not until then is it safe to start going up.

So the next time you look up at a building which rises far above you, don't forget the foundation that makes it possible.

Our lives need such foundations too. In the building of our lives and those of our children, we are too often governed by what other people think or by our temporary wants and desires.

But when life's storms come and its testing moments are upon us, it is the foundation that keeps us secure, or the lack of it that permits collapse. Only a life foundation that rests solidly upon faith in the eternal God is really adequate for the kind of character building we must do if we want our lives to be happy and successful.

You've got to go as deep as that, if you want to go up.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend service regularly and support the Church: They are (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.
