Fourteen Aggies Play Last Game Against UT

Fourteen Aggie football players will don the Maroon and White uniform for the last time Thursday when the Cadets meet the University of Texas Longhorns in Memorial Stadium at Austin.

Only three backfield stars will be lost by Coach Ray George this year as compared to the 11 last season.

Quarterback Ray Graves, the SWC's No. 2 offensive leader with

1149 yards in 227 plays, will be the top Aggie back to end his college gridiron career. The Stephenville backfield star has the best pass completion percentage in the SWC.

Roy Dollar, quarterback from Mexia, has done the majority of the Cadets punting this fall and played some at the man-under slot. He is the conference's fourth leading punter, having kicked 45 times, averaging 37.3 yards per boot.

Scatback Raymond Haas of Kingsville was one of the Aggies leading halfbacks early in the year, but was injured in the Michigan State game and has been used sparingly. He was the top ground gainer his freshman year, but played little the following two years being preceded by all-SWC stars Glenn Lippman, Billy Tidwell, and Yale Lary. Little, the Aggies will not lose any of their fullbacks this year.

Ten linemen were lost last year, and the Cadet eleven will be minus 11 aggressive stalwarts of the forward wall after Thursday.

All-American Jack Little of Corpus Christi and Darrow Hooper of Fort Worth are two of the linemen who complete their eligibility this year. Little, named all-American by Grantland Rice in 1951, has been one of the top tackles in the Southwest during his stay at A&M. Hooper, one of the nation's finest track stars, has brought the Farmers many points with his conversion kicks and pass catches.

A&M does not lose any centers this year, and only one guard, Marshall Rush of Lampasas. Rush has been one of the hardest hitting linemen of the Aggie team and the southwest.

The position losing the most men will be the tackle post with

Fish Nearly Upset Favored Yearlings

The Texas freshman halted the Aggie "Fish" on the eight yard line with a recovered fumble and win Saturday 27-26.

Playing before 2800 fans, the Aggie freshmen battled a highly favored Shorthorn eleven to a virtual standstill on Kyle Field. The Shorthorns jumped into a 27-7 lead and held it until the third quarter.

Then the "Fish" began to roll, and drew to within one point of the "Little Texans," only to lose the ball on the UT eight yard line with three minutes left in the game.

With all-stater from Lubbock, Charles Brewer passing and Joe Youngblood running, the Shorthorns scored three touchdowns in the first half to make the game look like a runaway. The "Fish" scored one touchdown in the first half when Herman Tidwell ran 79 yards to the one foot line, setting up the score.

At the half, the Fish trailed 21 to 7.

The first discordant note was struck at half time in this vicious frosh game. The Shriners used up more than their allotted time with

Aggie-Texas Game

(Continued from Page 1) For 14 men, Thanksgiving will be the last time they will wear an Aggie uniform. When these men were on the Fish team, they defeated the Shorthorns in Austin for the first time in history. Such men as Graves, Hooper, Little, Marshall Rush and other Aggie greats will be present Thursday trying to break this losing jinx. It is far from impossible.
