

## Turf Meeting Underway Here In MSC Today

Golf course managers, park and cemetery maintenance experts and other persons interested in commercial turf management are at tending the seventh annual Texas Turf Conference here today and Wednesday in the MSC.

Dr. R. C. Potts, department of agronomy, who is general chairman of the conference, said about 110 persons from Texas, New Mexico, Louisiana, Arkansas and Oklahoma, are in attendance during the three-day meeting which started Monday.

Ralph Rowley, a member of the Texas Turf Association, is chairman of the program committee for the conference. Major topics for discussion aside from general turf problems include a golf course section on Bermuda grasses, a golf course section on bent grasses, a park and cemetery section and a section on athletic fields and play areas.

Purpose of the conference is to provide an opportunity for everyone interested in turf production and maintenance to participate in professional discussion of the problems in the field; to have specific problems discussed by experienced leaders in all phases of special purpose turf; and to stimulate a broader interest in, and greater appreciation for, good turf, Dr. Potts said.

## Pinkey Directs Santa Claus Cheer for Vets at Temple

A Christmas cheer for patients at the Veterans Administration Center at Temple, will be provided by College Station residents, students and members of the college, the Consolidated high school and the Lincoln high school.

Under the direction of P. L. Downs Jr., the college's official greeter, thousands of apples and oranges will be gathered and placed in boxes at the Memorial Student Center on Dec. 18 and taken to the patients at Temple on the morning of Dec. 19. There are 1000 patients at the Veterans Administration Center and many of them attend several of the football games here each year as guests of the college.

"I expect we will have thousands of apples and oranges to take to the patients," Downs said today.

The plan is being accepted with hearty approval by everyone, Downs said. "It is one of the ways we can voluntarily show our appreciation for the gallant men now in the Veterans Administration Center."

## Borden Awards Given to Students

Frank J. Koenig Jr. and Billy Ray Trimmer received Borden Company awards of \$300 each recently.

Koenig is a senior veterinary medicine major from Amarillo and Trimmer is a senior dairy husbandry major from San Antonio. The Borden Company presents the awards to students who have maintained the highest grades in fields selected by the company. The awards are used as scholarships.

Newton Lamb, quality control and personnel representative for the southern division of Borden's spoke during the presentation ceremony.

Approximately 122 students attended the ceremony.

## Police School

through the school, he said. After taking the course, these men can return to their respective departments and instruct other police officers, he said.

Each police department will select men to attend the school. The school will provide police departments with a basis on which to build the right kind of policeman, Williams said. When a man finishes the training course he will be better prepared to do his regular duties, he said.

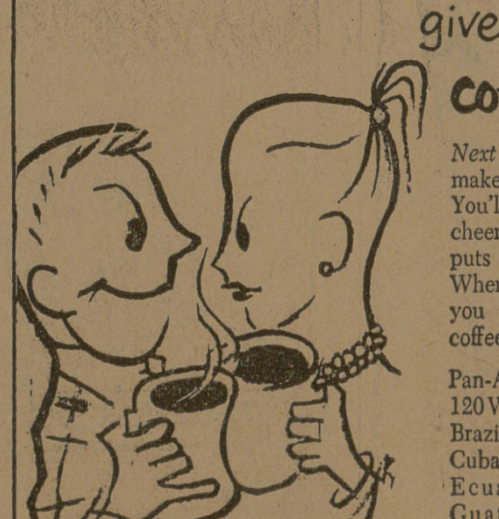

The advisory committee for the school includes Garland Franks, city manager of Waco; Chief of Police Carl Hansson, Dallas; Herbert W. Whitney, city manager of Big Springs; Joe Fletcher, assistant director, State Department of Public Safety; H. A. Thomason, city manager, Bryan; and Chief Paul S. Borum, Denison Police Department.

## Goode Elected ASA President

Kert Goode was elected president of the student division of the American Society of Agronomy at the organization's meeting recently in Cincinnati.

A junior agronomy major from Bertram, Goode is the son of Mr. and Mrs. J. B. Goode and is corps operations sergeant.

Students of 23 universities from all over the United States were represented at the meeting. Besides Goode, Glen Black, A&M Agronomy Society president; Dale Fishgrabe, senior agronomy student and Pat Hitt, also a senior agronomy major attended the meeting from A&M.

There were two voting delegates from each of the 23 schools present at the meeting. Consequently, much politicking was carried on, said Richard C. Potts of the agronomy department.

The ASA will meet in Dallas next fall, Potts added.

## Brauer Funeral At Stephenville

Funeral services were held Sunday in Stephenville for Harry E. Brauer, 27, father-in-law of Ray Graves.

Brauer, an insurance man, died Saturday at his home following a heart attack. He was 49.

He is survived by his wife, his daughter Martha, who is Graves wife, and his son Harry Lee, a freshman at the University of Texas.

## ROTC Plans

(Continued from Page 1)

still in the experimental stage. Its outcome will be determined to a great extent by action of schools not using the program and the possibility of the program becoming mandatory, he said.

If the program would go into effect at A&M next year, students presently under contract would go into their specialized branches and military training of the other classes would be modified, he said. It would take about a year for the full program to go into full effect, he said.

Few schools have adopted the new system, Myers said.

## Bertrand to Attend Psychological Meet

Dean John R. Bertrand of the Basic Division will participate in a symposium on psychological services in state and community agencies during the Texas Psychological Association's annual meeting Thursday-Saturday in Austin.

He will represent education in a discussion of "Trends and Problems in the Development of Psychology in Public Service as Seen by Related Disciplines."

Saturday sessions of the annual meeting will be at the University of Texas, where delegates and visitors will see Mezes Hall, the University's new \$675,000 psychology and philosophy building. Thursday and Friday's meetings will be in Austin's Driskill Hotel.

## Texas Wins

(Continued from Page 3)

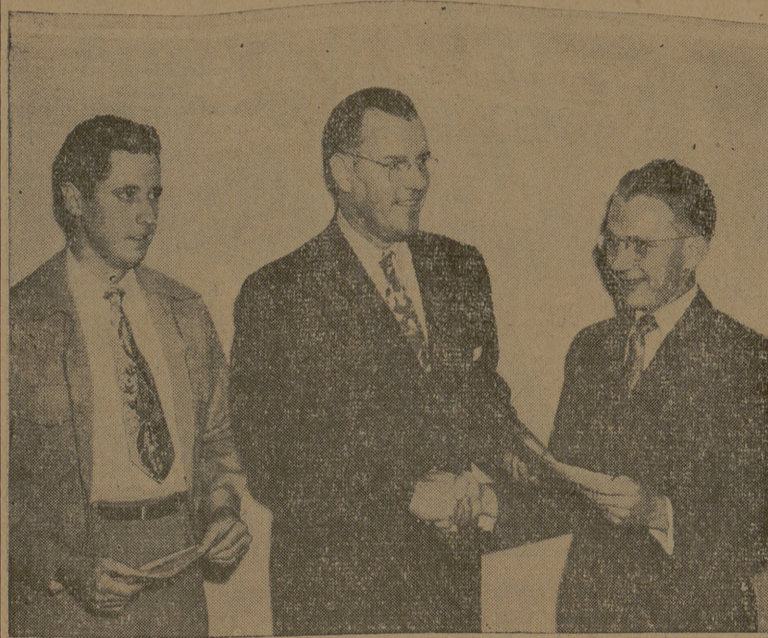

not outplayed by any lineman on the field, and was a constant plug in the right side of the line.

This is the second time Texas has gone through conference play without a defeat in three years. The last time was in 1950.

Another bright spot for the Aggies was the punting of Joe Borling. He wound up with a 44 yard punting average for the day. Borling's best play of the day was a 59 yard punt which set the Longhorns far back into their end of the field.

## Saddle, Sirloin Club Puts Rutledge on Council

The Saddle and Sirloin Club elected Raymond Rutledge, junior animal husbandry major, as club representative to the Agriculture Council recently.

**OUTSTANDING**—Newton Lamb, southern division official for the Borden Milk Co., presents to veterinary medicine student Frank J. Koenig Jr., son of Mr. and Mrs. F. J. Koenig of Amarillo, a \$300 award in from his company. Billy Ray Trimmer, son of Mr. and Mrs. Ray H. Trimmer of San Antonio, senior majoring in dairy husbandry, watches, having received a similar award. The awards are presented to each student for having maintained the highest grades in his respective course of study for the past three years.

## New Farm Models Set Modern Design

Small, portable models will be used by college staff members to show students, county agents and farmers how modern types of farm buildings should be planned and designed.

These models will be built in the agricultural engineering department and used by instructors there and by the extension building specialist.

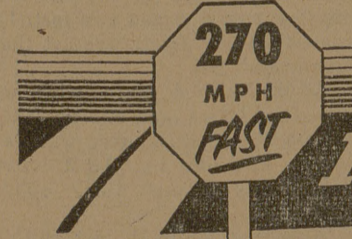

Where possible, the models will show how sheet metal products may be used in construction of such buildings.

Cost of constructing the models will be met by a \$500 gift for that purpose from the Aluminum Company of America, New Kensington, Pa.

## CAMPUS CLEANERS

Tell the Frosh whom I advise  
That they will make the grade  
If they know Luckies taste so good  
Because they're better made!

Lois Berman  
Brooklyn College

STUDENT ADVISOR

## LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—cleaner, fresher, smoother taste . . . Be Happy—Go Lucky!

L.S./M.F.T.'s the code  
To keep in mind today—  
So for a cleaner, fresher smoke  
It's Luckies all the way.

Carol Osterweil  
University of Michigan

## COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
