

Loveless Gets County Army Advisory Post

Sidney L. Loveless, area insurance man, was re-elected chairman of the Brazos county Army Advisory Committee at its Tuesday meeting in the MSC, Kay Halsell II, national guard commander was elected vice-president.

It was the feeling of the committee, Loveless said, that the ROTC program could be improved throughout the area by bringing its merits and opportunities to the attention of our civic organizations.

Support in obtaining qualified speakers was assured the committee by Col. Joe Davis, commandant, and Col. Joe Davis, commandant professor of military science and tactics.

Other business discussed was ways and means of informing the public of the various phases of our national defense as pertains to the Officer Reserve Corps and National Guard programs.

Members of the committee present at the meeting were Loveless, Maj. James D. Allen, Marvin Birdwell, Col. Davis, Maj. Clyde Hesse, J. Wayne Stark, Col. Meyers, Lt. Col. Halsell, and L. M. Morgan.

Groneman Attends Boston AVA Meet

Chris H. Groneman, head of the industrial education department, is attending and participating in the annual conference of the American Vocational Association which convenes in Boston, Nov. 30-Dec. 5.

Groneman will present a paper to the division of State and City Supervisors of Industrial Education on shop planning. He will also serve as chairman of the section on revising the present American vocational bulletin on "Improving Instruction in Industrial Arts" for which he is editorial chairman.

While in Boston Groneman will attend the Industrial Arts Policy and Planning Committee meetings of which he is a cabinet member, and the National Association of Industrial Teacher Educators.

★ Job Interviews ★

● Dec. 8—Mechanical and chemical engineering, business administration, economics January and June graduates will be interviewed by the Owens-Corning Fiberglas Corp. for their general training program for work in sales, accounting, personnel, production and

FFA Chapter Places First

The Magnolia Chapter of FFA took first place in the Area III parliamentary procedure contest held in Goodwin Hall Tuesday.

Composing the chapter farmer team are Frank Dean, president; Bobby Seals, vice-president; Don Mask, secretary; Buddie Meady, treasurer; Buddie Dial, reporter; Leslie Winslow, sentinel; L. B. Mixon, advisor; and Donald Free, member.

Members of the greenland team are Bobby Goodson, president; Eddy Reames, vice-president; Gerald Applewhite, secretary; Bobbie Parker, reporter; Robert Wade, sentinel; Ted Northcutt, advisor; and Leslie Carter, member.

M. H. Ellison, vocational agriculture teacher at Magnolia, accompanied the teams.

A&M Consolidated Hires Traffic Cop

Charles A. Rohloff has been hired by the A&M Consolidated High School to protect the school children from College Hills who have to cross Highway 6.

Rohloff, a Brazos county deputy sheriff, will be on duty at the corner of Highway 6 and Jersey Street during the school rush hours to assist the children in crossing the highway.

He will be stationed at the corner from 7:45-8:30 a. m.; 11:30-1:00 p. m.; and 2:45-4:00 p. m. on school days.

A special uniform has been ordered for Rohloff.

production engineering, development engineering, industrial engineering, production planning. Excellent opportunity for advancement with this corporation.

● Dec. 9—The Southern Warehouse Corp. of Houston, is interested in talking with January and June accounting graduates. They need a person who is capable of reorganizing a set of books. Opportunities for advancement are unlimited.

● Dec. 9—Business administration and accounting January graduates will be interviewed by Burroughs Adding Machine Co. of Houston. They will interview men for possible salesmen jobs for Burroughs Products, such as, adding machines, calculators, billing machines, accounting machines.

● Dec. 9—Business administration graduates will be interviewed by Goodyear Tire and Rubber Co. of Dallas. Check with the Placement Office by Dec. 8 for information on a general meeting.

Job Calls

● The Oliver H. Van Horn Company Inc. of Fort Worth, is in need of an assistant to the manager of their machine tool department. Duties would consist of making quotations on machine tools, consulting with prospective purchasers with reference to their requirements as to specifications and tooling required on machines to be purchased and occasional trips to the machine tool builders' plants for learning about the specific lines they handle. A mechanical engineering graduate is preferred. This company is a distribu-

tor of machine tools and industrial supplies.

● Salesmen with a civil engineering degree are needed by The Detering Co., for work in the Houston area only. This is a building material firm.

● The engineering department of The Texas Pipe Line Co. of Houston has a vacancy for a recent electrical engineering graduate to do electrolysis and corrosion work. This would involve travel throughout Texas with Houston as headquarters.

● Industrial engineers are needed by the General Box Co. of Des Plaines, Ill. They have positions open for field engineers for work in their industrial engineering department. Considerable travel is involved since assignment may vary anywhere from two weeks to several months and their plants are widely located. The major part of the work would consist of things such as, time study, methods work, job evaluation, plant and machinery layout, establishment of standard time allowances, production controls, and other related functions.

● The Trans World Airlines Inc. of Kansas City, Mo., is in need of flight engineers graduating in aeronautical, mechanical and electrical engineering, to work on their Constellation equipment and who will be responsible for the plane's mechanical operation and for analysis and trouble-shooting of mechanical difficulties. They must possess a CAA mechanics certificate with aircraft and engine ratings. More information is available at the Placement Office.
