

One New Officer Elected by Bank

Miss Lois Bethea was named assistant cashier Tuesday to be the only new officer of the College Station State Bank. At the annual stockholder's meeting, the same directors and other officers were re-elected.

Re-elected as directors for the coming year are S. A. Lipscomb, Harold Sullivan, H. E. Burgess, R. V. Butler, Coulter Hoppess, T. W. Leland, R. W. Steen, L. G. Jones, G. E. Potter.

The board of directors renamed Lipscomb, president; Sullivan, vice president; Burgess, vice president; Thomas W. Lee, cashier; Miss Bethea, assistant cashier.

Singing Cadets Set Spring Tour Dates

The Singing Cadets are going on tour Feb. 5-6 to Alice and Laredo. The Cadets will return to College Station before going to Houston Feb. 8 to sing at the First Methodist Church.

The tours are sponsored jointly by the A&M Mothers Clubs and former students of towns where the Singing Cadets will appear.

The Singing Cadets plan their annual west Texas tour for March 5. They will go to Brownwood, Amarillo, Denton, Sherman, and Tyler.

Adams Speaks To Fertilizer Meet

G. G. Gibson, director of the Agricultural Extension Service, gave an address of welcome and presided at the Thursday morning session of the Texas Fertilizer Conference in the MSC.

R. D. Lewis of the Agricultural Extension Service presided at the Thursday afternoon session.

Dr. J. E. Adams, head of the agronomy department, delivered the principal address of the meeting. He spoke on "The National Program for Fertilizer and Lime Utilization."

Dean C. N. Shepardson of the School of Agriculture, presided at the Friday morning session of the conference.

The conference was concluded Friday.

Job Interviews

• Temco Aircraft Corporation of Dallas, is in need of a graduate electrical engineer, who is interested in gaining plant engineering experience, to assist the plant electrical engineer. They are also in need of mechanical and aeronautical engineering graduates.

• Agricultural education, range and forestry, animal, dairy, and poultry husbandry and agronomy graduates are needed by the Fant Milling Co. of Sherman. They prefer someone draft exempt or veterans and the job is as territory supervisor of a 15 county area which he must travel. This company manufactures Gladiola Flour and Sunglo Feed and the opening is with the Sunglo Feed Co.

• Geology and petroleum engineering graduates are needed by The Superior Oil Co. of Midland. These graduates will work on their seismograph crews in their geological department. Most of their geophysical work is being done in West Texas and they expect to be there for some time.

• The Graybar Electric Co. of Houston, is interested in hiring electrical engineering and business administration students. They are also interested in mechanical, electrical, industrial engineering and industrial education majors for sales trainee positions.

• A mechanical engineering or engineering drawing graduate is needed by The Texas and Pacific Railway Co. who has an opening for a draftsman in Marshall. This

office at Marshall is responsible for the design of the freight cars they are building, design of all changes to passenger cars.

• The Houston Oxygen Co., manufacturer of liquid oxygen, is in need of a man trained in chemical engineering, preferably with some construction experience. Work will involve production problems and the possible development of uses for by-products.

• Animal, dairy, poultry husbandry, agricultural education, range and forestry and agricultural economics graduates would qualify for the sales positions opened now with Universal Mills of Fort Worth. Applicants must own their own car and be able and willing to travel.

• The city of Midland has a vacancy in their inspection division for the position of building inspector. Applicant must have at least five years experience in building construction as an architect, structural engineer, building inspector or superintendent of construction. Architectural and civil engineering graduates are qualified to apply.

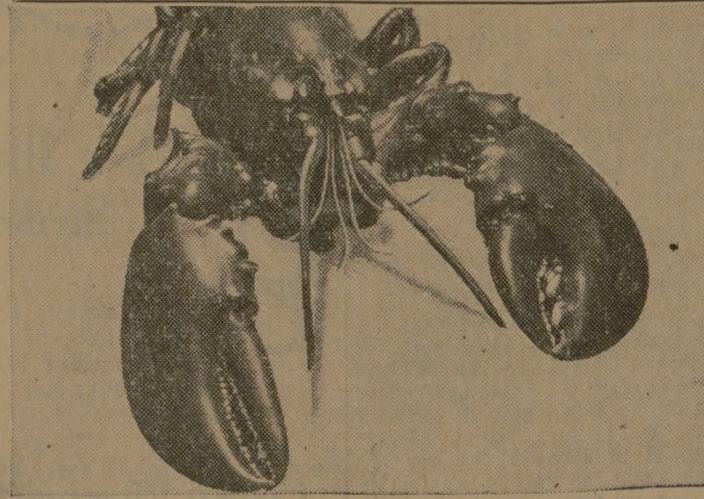

• The Texas Instruments Inc. of Dallas has several openings for business administration, electrical,

geological, aeronautical, mechanical and industrial engineering graduates in their project cost section. The initial responsibilities in these positions will be that of analyzing, interpreting and reporting cost data for an expanding corporation engaged in the design, development and manufacture of electro-mechanical equipment.

• Industrial engineering graduates are needed by the Haggard Co. of Dallas to learn the pants manufacturing business.

• Petroleum engineering graduates are needed by the Skelly Oil Co. of Tulsa. All engineering graduates begin training as roustabouts with such training continuing from six to twelve months depending upon the company's needs and the individual's aptitude.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

HERE'S a sad Lobster tale. Sheedy was really in hot water. His girl kept saying, "The Maine thing I don't like about you is the way you put your hair! Haven't you read about Wildroot Cream-Boil Hair Tonic? Non-alcoholic. Relieves annoying dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test. Perfect for you 'claws you need Lanolin on that water-soaked hair." Paul got Wildroot Cream-Oil and now he shone slick. In fact, he's in salad with every girl on campus. So if you're nettled about your messy hair, butter shell out 29¢ at any toilet goods counter for a bottle or tube of Wildroot Cream-Oil, "Your Hair's Best Friend." Ask for it at your barber's, antenna to one you'll be tickled pink!

* of 131 So. Harris Hill Rd., Williamsville, N. Y.
Wildroot Company, Inc., Buffalo 11, N. Y.

Parnell Is Elected Poultry Advisor

E. D. Parnell, professor of poultry husbandry was recently elected advisor to the National Collegiate Poultry Science Club at a meeting held in Chicago, Ill.

This club is composed of delegates from the various land grant colleges throughout the U. S.

Parnell's duties will be to assist the president of the club in coordinating its activities.

State Authorities Hold Local Health Inspection

The monthly health inspection of College Station restaurants is now being conducted by state health authorities. All eating places in the city will receive a rating.

L. E. Winder of the civil engineering department is conducting the inspection in conjunction with J. W. Wilder of the Bryan-Brazos County Health Unit.

Winder expects to have completed the inspection by the last of this week.

Binford

(Continued from Page 1)

Naming Rice and Arkansas as probably two of the stronger clubs in the conference, Don gives the edge to Arkansas in their weekend tilt with Rice in Fayetteville, but says the situation may be different on the Rice home court.

It is this lack of a single powerhouse favorite that leads Don to say that the conference championship banner would look just as pretty flying over DeWare Field House as it would over any other league gym.

"There isn't a team in the conference we can't beat if we play good ball," Binford said.

Extension

(Continued from Page 1)

work program in 1952 when a cooperative agreement was signed with the USDA. C. M. Evans, now of Dallas, was named superintendent of the Extension Division, A&M College.

The first county home demonstration agent, Mrs. Edna W. Trigg of Milam County, was appointed in 1952.

From a one man beginning in 1903, the Extension Service in Texas now employs 729 people. The great majority are county personnel who are jointly supported by the counties, State, and federal governments.

Their chief teaching method for both adults and youth is demonstration. From the beginning the service has attempted to help farm families help themselves. Their classrooms have been the farms, ranches, and homes of the state.

Carnival To Be Held in CHS Gym

To raise money for The Round-Up, A&M Consolidated High School's year book, a Fund Carnival will be held in the CHS gymnasium Jan. 31 from 8 p. m. to 11 p. m.

Carnival side shows will be set up on one side of the gym. Dancing to records will be a part of the activities. At 10 p. m. there will be a floor show.

A King and Queen of Socks will be chosen. All dancers will have to take off their shoes to dance. The couple that has the most unusual or colorful socks will be pictured king and queen.

The carnival is open to CHS students, parents, A&M students, and any one else who wants to come. Tickets will be 30 cents stag and 50 cents with date.

Crumbo Indian Exhibit Offered In MSC

Woody Crumbo, an American Indian from Taos, N. M., has an exhibit of his paintings in the MSC. He has studied Indians for several years and has captured many of their ceremonies and dances on canvas.

The reproduction shown in the MSC are made from the silk screen printing process, the top method of reproducing paintings.

Smart students know just how to treat Mid-term anxiety. They take time out for Lucky Strike. It's good psychology!

Herbert Walker
Indiana University

Nothing no, nothing beats better taste and LUCKIES TASTE BETTER! Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke? You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy—GO LUCKY!

Some hieroglyphics stumped a prof of archaeology. But when he worked them out, they said That L.S./M.F.T.

Bernard F. Pierce
University of California

In home ec, math, or chemistry, There's one thing you can't measure; It's a pack of Lucky Strike For deep-down smoking pleasure!

Lois Epstein
Buffalo State Teachers College

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.
