College Station is not a rich town. It has no industries or large businesses. No one can predict for sure what the future will be; maybe College Station will grow. It's not likely to get any poorer, at least.

Each voter has to resolve the question for himself: whether to vote for the bond issue and take the subsequent increase in taxes and evaluations, or to vote against it and take the chance of the school not giving the best education possible for the future. Above all, whatever your decision, exercise your right to vote in the election.

ON THE RIGHT TRACK

In railroad parlance "turning an engine" means a great deal more than reversing the engine and putting it on the right track. It means preparing the locomotive for its scheduled run. "Religious education" is another term which means more than it implies. Our Church Schools do far more than teach religious truth. They give children the opportunity to practice Christianity in worship, service, and fellowship. Consecrated leaders provide a Christian example, helping their pupils to see and feel the happiness which our faith instills. Adult classes enable parents to deepen their own spiritual lives, and thus strengthen the Christian influence of the home. The Church is never content merely to put a child on "the right track." It seeks to mold the character of the child, to prepare him for a noble, happy, and useful life. In the many aspects of this vital work the Church needs your help and support.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
