

Steers Drop Ags; Now Lead SWC

By HUGH PHILLIPUS
Battalion Sports Staff

The Longhorns thoroughly outclassed the Aggies in Austin last night, as their height and fast break, along with good accuracy in their shooting eyes paid off to sink the Cadets by a 68-49 verdict.

SMU upset the Baylor Bears in Dallas, 66-54, to move the Longhorns into undisputed first place in the SWC.

Passes and shots were blocked throughout the night by the taller Orange and White boys, which hurt the Aggies. Along with this and loose ball handling in a few instances, as well as the Cadets shooting eyes cold as ice, the Longhorns quickly took the lead and built upon it the rest of the game.

The closest the Farmers came to the TU hoopsters after the first of the game was five points, and then only for a few minutes, as the home town club got off on another scoring spree.

Texas Hot

As a general picture the Aggies did not play really a bad brand of ball, for they got hold of Texas on one of TU's hottest nights. The Longhorns could not do anything wrong, while the Cadets were continually plagued with fouls and blocked shots and passes.

Texas checked the Aggies almost man for man in their end of the court. Both teams put up a good defense, but Texas could hit from anywhere on the court.

The first quarter was all Texas', as their height and fast break paid off. The Longhorns jumped into a quick 3-0 lead by combining a free throw and fast break field goal by Saunders. Leroy Miksch broke the ice for the Cadets with a field goal making the score read 3-2.

The Orange and White dumped in four field goals and free throws, while the Farmers' two field goals and three gratis tosses ended the quarter with the score 17-10 in favor of the Longhorns.

Motheral Leads Tigers to Win

Joe Motheral scored 19 points as the A&M Consolidated Tigers downed Snook 56-50 in Snook to be almost a cinch for the district champions.

The Tigers have a record of nine wins and one loss for the season while Snook in second place in the district standings has a 7-3 won-loss record. If the Tigers can slip by Milano Thursday night in Milano, they will win the District.

The Tigers led Snook most of the game with the halftime score 25-17 in the Tigers favor.

Ruben Nedbelek of Snook was high point man for the Snook team with 14 points.

In the "B" game Snook came from behind to tie the Tigers at the end of the contest 34-34 and went on to win 40 to 39 in the overtime period. The Tigers led at the half, 18-12 and entered the final quarter with a 29-32 lead.

Pinky Cooner was high man for the Tigers with 13 points while "Tex" Thomas led the winners with 16 tallies.

Monday the CHS Kittens split a pair of games with Madisonville's Junior high teams, losing the "A" game 20-14, with Bobby Potts high man for the Kittens with seven points and winning the "B" contest 26 to 5 with Buddy Holick scoring 12 points for the Kittens.

The Kittens will enter the Navasota tournament Friday and Saturday with their first game Friday against Navasota.

through the second quarter with the Longhorns increasing their first period seven point lead to end the first half with the Aggies on the short end of a 33-24 score.

Martin and Addison Out

In the third period two of the tall Aggies fouled out hurting the Maroon and White badly. The Cadets could find the hoop in this period but for four field goals and five free throws, while TU hit for eight field goals and four tosses from the keyhole.

In this scoring period the Longhorns built up concrete margin, as the score stood 53-36 for the home-towners.

First Hole-In-One Made on Ag Links

Good things come in bunches for W. Van Thompson of Dallas.

Thompson is manager of the exploration department of the Southern Union Gas company. While worrying over a gas well his firm was drilling in New Mexico, Thompson enrolled in short course in Executive Development Course, a 3-week session for young executives of Southwestern industry at A&M.

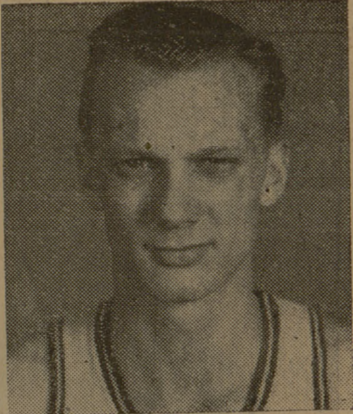

After fretting about the well during the first week of the course he joined a golf foursome at the fine Aggie course.

Playing with professor, Arch Burgess of the management engineering department; student, Carlton Hill of Seymour and Albert F. Hatcher, division freight agent for Rock Island Railroad of Dallas, Thompson approached the par-3 No. 4 hole at the A&M course.

Approaching the 150-yard No. 4 hole he stuck a four-iron shot into the hole for the 2½-year old course's first ace. Thompson had a fine 86 over the long tough course.

He received a telegram about that well in New Mexico's San Juan county.

The well came in as a 35-million cubic foot producer, Thompson had his first hole-in-one and then settled down to winding up his training at the executive's short course.

SCORING LEADER — Leroy Miksch, 6-5 senior from Waelder, is the leading scorer on the Aggie cage squad.

Class A Junior

Main cause for abolition of last semester's Class B (sophomore) and Class A (junior and senior) divisions is that only two team sports, softball and rifle, are scheduled for this semester, said Barney Welch, intramural athletic director.

Welch said that he was well satisfied with last semester's set-up but did not think the quality of play would be changed this semester.

A wrestling demonstration will be held in the little gym at 5 p. m. Thursday and Friday for intramural wrestlers. Elementary holds, break-aways, and scoring procedure will be shown. Wrestlers weighed in Monday and Tuesday, with matches due to begin next Tuesday.
