

# Intersquad Swimmers Will Meet Saturday At Ag Pool

An Intersquad Swim Meet, between two squads made up of varsity, fish and some high school stars, will be held Saturday at 3 p.m. in the P. L. Downs Jr. Natatorium.

The two teams, maroon and white, will run off 13 events to

provide a full afternoon of entertainment for anyone interested in good swimming competition. A top-flight list of officials has been lined up for the meet, featuring such well known personalities around the campus as Bud Barlow, Tom Harrington, Ray George,

Bill McCulley, Walter Penberthy, Taylor Wilkins, Carl Tishler and Ed Sauer.

The White squad, listed below, will be opposed by the maroon squad to be listed in tomorrow's issue of The Battalion. Varsity members of the white squad are Tommy Davenport, Don Crawford, Wayne Strickler, Paul Wallin, Coy Bedford, John Speich, Dickie Weick, Franklin Gajewsky, Jimmie Burns, West, Donald Horne, John Cameron and John Malcolm.

### White Contestants

Fish contestants for the whites will be John Kirkpatrick, Roland Baird, Henry Goff, Allen, Robert Sherwood, and David Percifield.

Visiting high school swimmers from Consolidated High School and Stephen F. Austin in Bryan will be George Boyett, Don Draper and Pablo Marentes.

# CHS Plays Louise Monday Night at 8

The Consolidated Tigers will play Louise in a practice game at Tiger gym Monday night starting at 8 p. m.

The Tigers wound up district play with a 9-1 record and 22-3 on the season. Louise brings a 28-2 seasonal record into the game.

Bobby Jackson, Fred Anderson, and Joe Motheral were the big scoring guns for Consolidated this year. David Bonnen and Pinky Cooner along with Carroll supplied the spark and defensive hustle.

Jackson was the season individual high scorer for the Tigers, averaging 12 points per game. His high game total was 21 points. Jackson ended the season with 279 points.

Bonnen was the spark plug, ending the season with a 7.1 average.

If Jackson had an off night, Anderson and Motheral could be counted on for enough points to keep CHS ahead. Coach Chafin has a high opinion of these two boys.

# Ag Tumblers Set for NAU

The Aggie tumbling team next scheduled meet is the Gulf A. A. U. Invitational Meet, which will be held in DeWare Field House March 21.

The meet is being sponsored by the tumbling team and contestants are expected from the Houston YMCA and Houston Sokol club, Dallas YMCA and Dallas Sokol club, the Fort Worth YMCA, and others who will compete unattached.

Plans are being made to have a girls division with women entries from Texas University and the Dallas Athletic club.

Sponsoring the 18 man tumbling team are N. A. Ponthieux and N. D. Mathews of the A&M P. E. department.

# No Night Football On Kyle Field in '53

Because of the stadium expansion program, no night games will be played on Kyle Field this fall, said Pat Dial, Athletic Office business manager.

The expansion program includes moving back the middle light on the west side and changing its candlepower, he said.

The present press box will be moved to the 39-yard line in case the new press box is not completed by September, Dial said.

Roy Martin, 6-8½ soph center from Waxahachie, made basketball history at A&M recently when he outscored the entire SMU team for the first half of a game at DeWare Field House. Martin chalked up 18 points while the five Mustangs could muster only 16 points!

# Soccer Spirit High

(Continued from Page 4)

in the eastern and northern states. A faster and more spirited game would be hard to find, and a club with more spirit than the Aggie soccer team has would be even harder to find.

### Fish Basketball

Another aggregation which has received a minimum of support during the past weeks is the Aggie freshman basketball team.

Sports men across the state have pointed an accusing finger at this first year club and yelled "worst in the conference."

They haven't won a game this year. But it might pay to remember that from out of this group will come the point makers of the future.

John Fortenberry has dumped in point after point for the fish this year, and definitely posed as a future star. Gene Berthauer is another promising freshman who Aggie fans will see a lot of in the years to come.

Coach Larry Hayes is here for his first year, and it doesn't look like a very encouraging sight for him to look around in the stands and see four or five dozen fans instead of four or five hundred.
