

### English 405 Class Plans Radio Series

The English 405 radio writing and production class is planning a new series of radio programs which will begin April 1. Last spring the class presented a 13-program series entitled, "The Story of A&M", broadcast by the Texas State Network.

The type of program for the new radio series has not been yet decided. H. L. Kidd, instructor, said a dramatic presentation of Edgar Allan Poe's "Cash of Amontillado" and a disk-jockey type program are being considered. The 15-minute programs, to be broadcast over station WTAW, will be written and presented entirely by students.

The two-hour credit English course is offered every spring as an alternate for English 325, creative writing. The object of the 405 course is to give the students a practical knowledge of radio presentation, Kidd said.

### Weather

(Continued from Page 1)

Corpus Christi, Waco, Victoria, Houston, Wichita Falls, Mineral Wells, Fort Worth, Junction, Del Rio, Tyler, Longview and Dallas.

A choking pall cut visibility at Floydada to zero. Observers reported that black dirt, "not just ordinary dust," was blowing and many said it was "the worst dust storm in 10 years."

The winter wheat crop in West Texas, Kansas and Oklahoma was expected to suffer the worst damage.

The weather bureau said winds began subsiding about 6 p.m. Before that time however, visibility was down to a mile at Marfa, Texas and Hobbs, N.M., to three miles at Childress and Wichita Falls, five miles at Wink and five miles at Midland.

### Aggie Gospel Time Plans Cadet Quartet

The Singing Cadet quartet from A&M will be on the Aggie Gospel Time Sunday from 8:15 to 8:45 a. m. over WTAW.

Featured are devotionals, Bible questions, and gospel singing. The program has returned to the air after being discontinued the past two years.

The program is conducted by members of the Baptist Student Union. Principal leaders in this work are George Laing, Kay Graves, and Doug Smith.

Requests for gospel songs are invited, said Dick Bumpass, of the BSU.

### UT Prof to Teach Graduate German Here

A graduate course in German will be taught here, if enough students enroll.

Dr. C. V. Pollard of the University of Texas's Germanic languages department will teach the course to graduate students preparing for the examination in foreign languages.

Interested students are asked to call the veterinary anatomy department, 4-7654, Dr. Pollard said.

Did you ever pause to listen to the voice of God? We hear it every day, wherever we may be.

In the whispering of tall trees...the music of rushing brooks...the songs of the birds...the gay laughter of happy children...we hear the voice of the Great Creator. Through his infinite grace a bird is enabled to serenade his mate, a tiny cricket chirps its faint refrain. God is the Bringer of all blessings to man and beast alike.

Let us give thanks to Him who has so enriched our lives. Open church doors beckon all over our land. Let us seek the House of the Lord, and enter in to pay Him homage. Here through prayer and humility, let us re-dedicate ourselves to His service and glorification.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
