

# Intramural Bouts

(Continued from Page 3)

All wrestling and boxing championships had formerly been decided on Fite Nite, but because of the large number of bouts and the possibility of an Army-Air Force basketball game on Fite Nite, the schedule has been changed.

Here is today's slant of title fights:

123 pound—Gonzales, Co. I-Al-len, So. H; 130 pound—Tommye, Sq. 21-Pinson, Sq. 17; 137 pound—Crow, F FA-Tachibana, Sq. 19; 147 pound—Cappell, Sq. 21-Gilbert, Sq. 17; 157 pound—Heldenfels, F FA-Stinnett, E FA; 167 pound—Behunko, Sq. 23-Rial, F FA; 177 pound—Parker, So. C-Sofge, Co. H; 191 pound—Vivian, Co. I-Mc-Carn, Co. A; heavyweight—Lyons, Sq. 24-Rathbone, Sq. 20.

Boxing starts today in DeWare Field House with 21 upperclassman bouts on the card. Eight are in the 147 pound class and 13 in the 157 pound class.

In yesterday's mat bouts both finalists were decided in fish 147, 157 and 167 pound weights and one in 137 pound and heavyweight.

Gilbert, Sq. 17, pinned Roberts, Sq. 24, in 2:00 and Cappell de-

cisioned Shaw, F FA, by a 5-2 count in 147 pound semifinals.

Heldenfels had little trouble with Richards, Co. G, pinning him in one minute to gain a 157 pound final berth. Stinnett outpointed Turner, Co. C, 4-2, in the other semifinal.

Behunko and Rial, 167 pound finalists, both took falls in the last minute to get a crack at the title. Behunko pinned Dickey, Sq. 22, in 4:22, and Rial pinned Drury, Sq. 24, in 4:34.

Tachibana, Sq. 19, spurted in front in the first 30 seconds and piled up an 8-2 point lead, then pinned Farrell, Co. D, in 3:50. Tachibana battles for the 137 pound crown.

In the last bout of the day, Rathbone, Sq. 20, decisioned Guantier, Co. G, to gain the heavyweight finals. The score was knotted, 1-1 at the final whistle, but Rathbone got the referee's nod.

In the day's upperclassman bouts, Van Hoosier, C FA, pinned Kilgore, Sq. 9, to get into the finals; Delbert Davis, Co. C, was awarded a forfeit over Huff, E FA, and a spot in the heavyweight finals.

# President Harrington's Statement

(Continued from Page 1)

While we do not consider total enrollment as the most important measure of the success of our operations, much has been made of this "alarming" drop, and I believe it would be well for the people of the state to know its exact extent.

The most important measure of our success or failure, we believe, is the thoroughness with which we educate the young men of Texas who come to us for training in agriculture, engineering and allied subjects, with a sound background of understanding of our American government and institutions and training in military science.

I believe the eagerness with which industry has been employing our graduates in recent years, the speed with which our graduates have advanced in military service and the manner in which they have acquitted themselves on the battlefield speak for themselves on this score.

We are proud not only of the record A&M men have made in the past as citizens and soldiers, but particularly proud as well of the records our graduates are making today.
