

### Tigers Win Third In Region Tourney

Consolidated's Tigers took third place in the Class B regional tournament at Huntsville over the weekend.

The Tigers won over Kennard and Klien, but lost to the state's defending Class B champ Big Sandy.

In the first game, CHS downed Kennard as David Bonnen scored 20 points. Bonnen scored just five points less than the whole Kennard team, as the Tigers won 59-25.

Consolidated met Big Sandy in the semi-finals and lost their fourth game of the year 43-25. Anderson was high for the Tigers with 12 points.

In the battle for third place, Bobby Jackson and Joe Motheral went on a scoring spree to lead Consolidated by Klien 85-67.

## Tumblers Perform At Basketball Tilts

By ED HOLDER  
Battalion Managing Editor

The Aggie Tumbling Club was one of the highlights of the basketball games in DeWare Field House this year as they provided halftime entertainment for the crowds.

Conrad Webb and Bud Matthews rolled and stumbled from one apparatus to the other during the break, impersonating other members of the club.

Their slip shod actions resembled those of a beginner, but these men have to be the best in the business to avoid injuries in their precision acts.

Webb is vice president of the tumblers, and Matthews is co-sponsor. N. A. (Nickey) Ponthieux of the PE department is the other sponsor.

Leading performer on the high bar, parallel bars, and horse was Bob Doby, who cut out the clowning and got down to serious mastering of the apparatus.

Doby is president of the tumbling club and always brought thrills from the crowd as he switched hands in the middle of one his most precision stunts on the high bar, the "Giant Swing."

Performing on the high bar with Doby was Wilson Noble, secretary of the club.

Jack Rodehavor performs on the "horse" as a series of the act, and then goes into his series on the "still rings."

Darrell Roberts, Olen Boyd, I. J. (Natch) Flores, Jerrell Marshall and Carl Johnson make up the aggregation on the trampoline.

Doby, Johnson, Noble and Marshall give their routine on the parallel bars. Bud Wilson has an act on the bars, but also substitutes as a clown if one of them is absent.

The club's next big show will be Sunday night at Temple where they will perform for the members of the veteran's hospital.

A five-way meet will be their next home performance March 21, when they meet teams from the University of Texas, Ft. Worth YMCA, Houston YMCA and the Dallas Athletic Club.

Texas will also feature their girls tumbling team. One of their girls is a national champion in the mat division.

Medals will be awarded to individuals in the first three places of each event, and an all-around trophy will be given to the top contender in the all-around event. A team trophy will also be awarded.

## Eight Fish Matmen Crowned Boxers Classy in First Day

Eight top-flight freshmen wrestlers snared division championships yesterday in closing out one half of the intramural mat tourney.

At the same time that the wrestling matches were being unfolded, the first day of the boxing program that ends in the crowning of 18 champs on Fight Night got underway in DeWare Field House with 21 bouts.

Three of the eight mat titles went to members of one outfit, F FA.

Freshman wrestling champions are as follows:

123 pound—speedy Gonzales, Co. I; 130 pound—Joe Pinson, Sq. 17; 137 pound—Albert Crow, F FA; 147 pound—Dick Cappel, Sq. 21; 157 pound—Fred Heldenfels, F FA; 167 pound—Albert Rial, F FA; 177 pound—John Parker, Co. C; 191 pound—Bobby McCarn, Co. A.

The Fish heavyweight champ will be decided today because of a schedule mix-up. Bonarden, Co. A, will scrap Rathbone, Sq. 20, as a result of his pinning of Lyons, Sq. 24.

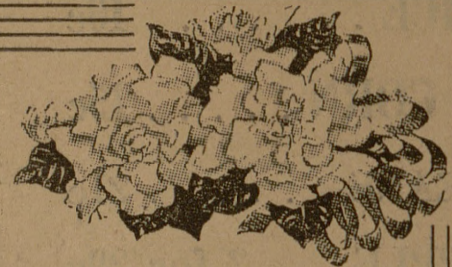

An illegal hold applied by Billy Gilbert, Sq. 17, cost him the 147 pound ribbon and gave Cappel a 1-0 win. With the score 0-0 at the end of three minutes, Gilbert won the coin toss and chose the advantage. Twenty seconds later, Cappel, a resident of Honduras, fought to his feet but could not break Gilbert's hold. It was then that referee J. W. Griffith called the illegal hold.

Two of the smallest wrestlers in the tourney, Pinson and Tommye, Sq. 21, put on one of the best shows of the year. Both short, scrappy and fast, they fought back and forth over the mat before Pinson took the bout at 1:07 on a leg pin after scoring in the first 15 seconds on a take-down.

Fighting back hard, Rial had 23, on the canvas through 30 seconds to copy the point and the 167 pound Behunko scored a 1-0 win. Then scored again at 1:20. Rial tied it at 1:20.

Parker, who formerly led at Georgia Military, was one of the tourney, pinned Sofga, 2:01. McCarn piled up at 1:10 and went on to (See INTRAMURAL)

## Aggies Open Track Season Saturday

The first track meet of the season for the Aggies will be staged Saturday afternoon on Kyle Field with Texas University and the University of Houston providing the competition.

Defending SWC track champions, the Aggies will be facing their toughest opponent in the Longhorns.

The Cougars have some fine sprinters and may give the Steers trouble in the sprints now that Olympic team member, Dean Smith of Texas has been declared ineligible.

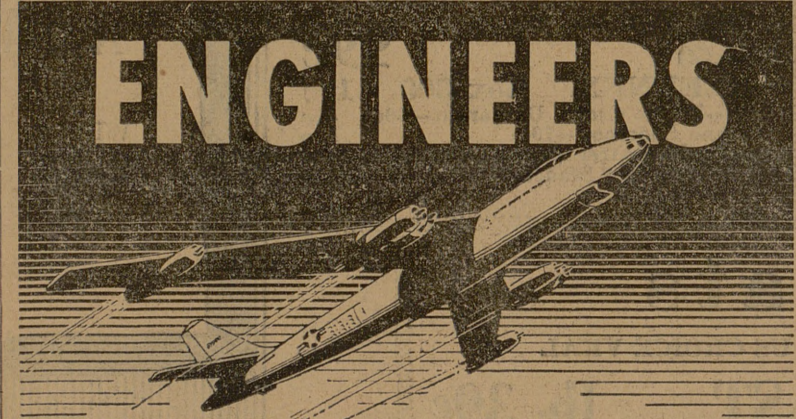

Darrow Hooper, Aggies fine weightman and second place Olympic shot putter will be favored in the shot and discus for the Cadets. Saturday will be the last time people will be able to watch Hooper perform, since he will be at the Drake Relays when the Aggies have their last track meet here.

The meet will begin with the field events at 3 p. m., with the first race starting at 3:30 p. m.

The respective freshman squads of the three schools will also compete against each other.

Field events for the freshman will be held separate from the varsities, with the possible exception of the javelin. The Fish races will run immediately after the varsity races in each event.

According to Colonel Anderson, head Aggie track coach, the Cadet Fish squad is stronger than last year's and should do fairly well.

## PERSONAL INTERVIEWS will be held on CAMPUS March 9 and 10 by BOEING AIRPLANE COMPANY

Openings are available for graduating and graduate students in all branches of engineering (AE, CE, EE, ME and related fields) and for physicists and mathematicians with advanced degrees. Fields of activity include DESIGN, DEVELOPMENT, RESEARCH, TOOLING and PRODUCTION. Choice of locations: Seattle, Washington, or Wichita, Kansas.

Details of openings, nature of assignments, company projects, etc., will be explained at time of individual interviews.

These are excellent opportunities with one of the country's leading engineering organizations—designers and builders of the B-47 and B-52 jet bombers, America's first-announced jet transport and guided missiles.
