Tatum Wins Prexy Of MOD Committee

J. E. Tatum, 506 W. 27th Street, was elected chairman of the Executive Committee at the Brazos County March of Dimes Committee meeting.
 Other officers elected were Charles O. Hart, 704 Eagle Pass, vice chairman; Ira N. Kelley, 109 S. Haswell Drive, treasurer; and Mrs. John J. Sperry, Gilchrist East, secretary.
 This group and Jack Kent, professor of mathematics will make up the executive committee of the chapter.
 A report was given by Bennie A. Zinn, assistant dean of men on the financial situation of the drive.
 With still a few contributions coming in, the committee has so far received \$14,500. This is three times the amount received in previous years, said W. H. Badgett, chairman.

 and 220 since the Cougars top sprinters are out.
 George Scallorn of Texas finished second ahead of Blacks at the Sugar Bowl meet in the high hurdles and these two should dominate the highs. The low hurdles will probably be a battle between Thomas of Texas and Ragsdale of the Aggies.
 All three teams appear to be holding their best quartermilers out for the mile relay. Houston's top entry in the 440 is Wes Richards, Missouri Valley Champion. The Aggies could enter Libby and Texas may enter Bruce Miller which would provide a keen race.
 The mile relay is a toss-up between Texas and A&M. The Aggies will use Libby, Stull, Baker and Scarborough.
 Texas has entered star distance man Tom Rogers in the 880, mile and two mile, but he probably won't run all three. Rogers will get stiff opposition in the 880 from Klebs, in the mile from DeRouen, and in the two mile from Blaine, SWC cross-country champion.
 Hooper will take the shot and discuss more than likely. The javelin event may see Pete Mayeaux top the field, although there have been no competitions held in this event this year.

Marks and 13-7 vaults will be established in this event, with man of Texas competition.
 No one has a place Buddy jump for the Aggie in the low hurdles in the competition.
 The closest be between in the low hurdles Scallorn in the

Combo Featured At Rue Pinalle

A student combo will provide music for Rue Pinalle Saturday night at 8:30 in the MSC games area, said Miss Betty Bolander, program consultant for the Center.
 The Cafe will be held Saturday instead of Friday so as not to conflict with the Freshman Ball, she said.
 Tickets to Cafe Rue Pinalle may be purchased for 60 cents at the MSC bowling alley desk.
 Entertainment in the floor show, besides the combo, will include the Kelley sisters from Bryan and Gail Edge, Bryan girl who will tap dance.

Openings are available for graduating and graduate students in all branches of engineering (AE, CE, EE, ME and related fields) and for physicists and mathematicians with advanced degrees. Fields of activity include DESIGN, DEVELOPMENT, RESEARCH, TOOLING and PRODUCTION. Choice of locations: Seattle, Washington, or Wichita, Kansas.

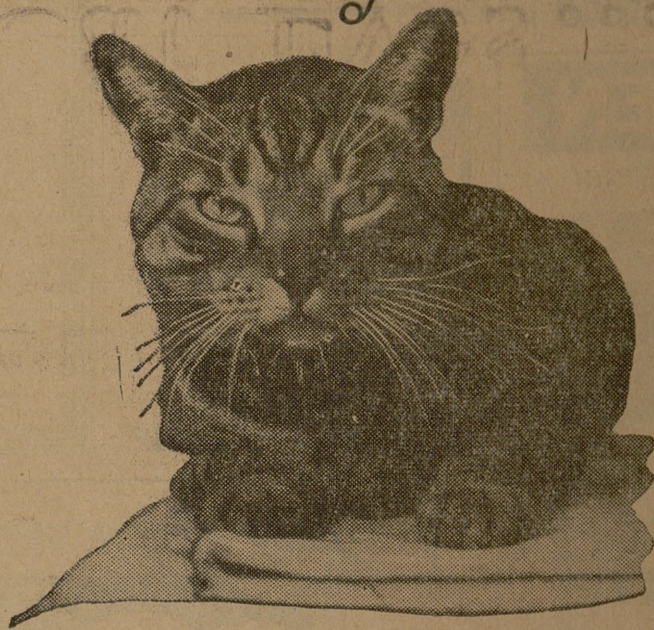

Details of openings, nature of assignments, company projects, etc., will be explained at time of individual interviews.

These are excellent opportunities with one of the country's leading engineering organizations—designers and builders of the B-47 and B-52 jet bombers, America's first-announced jet transport and guided missiles.

Cat Eyes...

Have you ever seen the eyes of a cat at night—with light reflected in their glassy stare?

And the eyes of this tabby—there is an eerie quality in them, something hypnotic and almost without life.

Yet these are the eyes of a living creature, the eyes of an animal that sleeps and eats and walks and runs.

What then is the mystery of cat eyes? What do these eyes lack that would give them softness, kindness, and radiance?

IMMORTALITY is the answer—for a cat has no soul.

A cat has nothing of the spiritual, which in man makes him the unique being among God's creatures. Man has a little something of the Divine in him—the immortal soul. And to develop this soul is one of the greatest responsibilities we have in life.

With the help of God's Holy Word and through the guidance of the Church, man is able to add new lustre to his life, a lustre that shines in his eyes and mirrors the soul within.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
