

Aggie Track Team Favored In Laredo Border Olympics

By BOB BORISKIE Sports News Editor

Col. Frank (Andy) Anderson, Aggie track coach, will have his squad in Laredo during Sports Day competing in the Border Olympics.

But Anderson believes his team has a better chance of winning the SWC title than it does of winning tomorrow.

"We know Oklahoma A&M has a strong team," he said, "and we should beat Texas. But Oklahoma probably will hurt us in the distance events more than it will hurt Texas in the sprints."

Anderson went on to say that the Aggies should have no trouble in the weight events, and might

even place first, second and third in both the discus and shot.

"We'll make a lot fewer points than we did in the triangular meet, because Texas will probably take the short events and Oklahoma A&M may sweep the longer events," Anderson said.

He said the Cadets face the possibility of not winning a single first in the track events.

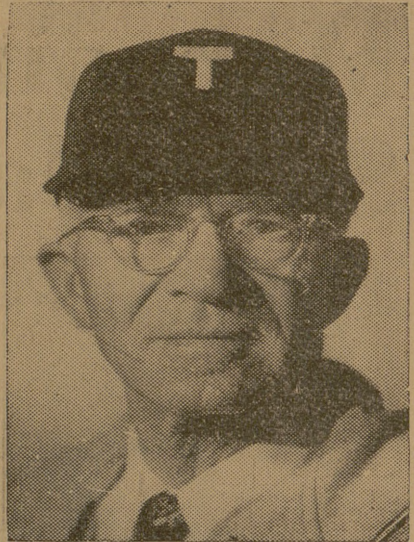

"However," he said, "we're taking an entry for every event, and I think we'll place in 12 out of the 16 events."

Hooper, Ragsdale Counted On
Anderson believes the Aggies have a good chance of riding second and third places to the team title. The only events he is counting on winning are the broad jump, shot and discus. Rice and TCU will cut into Aggie points in the javelin and Oklahoma A&M is strong in the quarter mile race, the mile, the two mile and the mile relay, he said.

The Anderson pessimism is not shared by the sports writers. They

have picked the Cadets to cop their seventh Border Olympics crown in nine years.

Olympic runner-up Darrow Hooper is favored to break his own records in the shot put and discus, while James Blaine in the

two mile, Dale DeRouen and Charles Hudgins in the mile, and Bobby Ragsdale in the broad jump will be leading contenders.

Anderson, Assistant Coach Ray Putnam and Patrick Wheat, team manager, will be in Laredo with 26 Aggie tracksters.

Aggie Wrestlers In Dallas Today To Defend Title

A&M's wrestling club left for Dallas today to compete in the state AAU tournament at the Central YMCA.

Last year, coach James Griffith's club took first place in the AAU meet. The wrestlers won four first places.

So far, the Aggies have had only one meet, losing to the Houston YMCA. "Most of the boys are shot on experience and should improve as the season continues," Griffith said.

In 1951, the club won third in the AAU tourney with two first places.

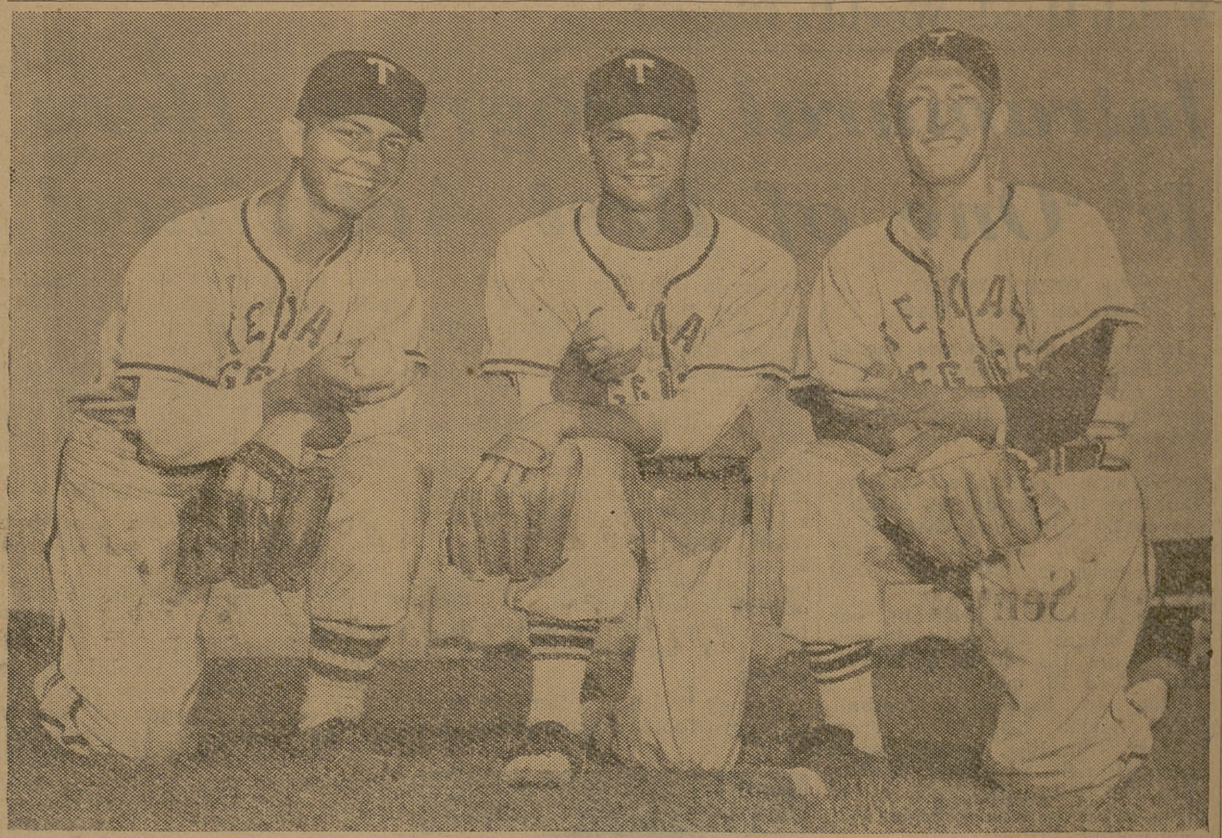

The Aggies took second place in district Olympic tryouts last year. Oklahoma University edged the Cadets by two points.

Delbert Davis, A&M heavyweight, won the district championship. He lost a split decision in the final tryouts at Ames, Iowa.

Coach Griffith attended high school and college at Stillwater, Oklahoma and Oklahoma A&M. He won third place in the Oklahoma high school state AAU wrestling meet.

Griffith was elected to the All-State football team at guard position. In Oklahoma, only one team is selected for all divisions.

As a wrestler for the Sooner Aggies, Griffith went to the NCAA meet at Lehigh, Penn. In his senior year, Griffith coached the Oklahoma A&M freshmen to an undefeated season.

PITCHING ACES—Ed Hennig, left, Jerry Nelson, center, and Joe Hardgrove, right sophomore pitchers are counted on to bolster the Aggie hurling staff this season. Hardgrove is a lefthander, while Nelson and Hennig are righthanders. Hennig is a quarterback and is still working out with the football team. Nelson and Hardgrove are possible starters for one of the two contests with the Brooks Comets.

Lightweights 'Mural Ring'

The light boys snared the intramural boxing spotlight yesterday, with five 137 pound bouts highlighting the action in DeWare Field House. 12 decisions, one TKO and a default made up the program as the ring battlers took another big step toward Fite Nite, March 24.

The 137 pound winners were Mattiza, AAA; Francis, Sq. 20; Greer, Sq. 17; Sinclair, Eq. 24; and Rowland, Sq. 11.

Greer outpunched Mulloy, Co. F, in one of the best scraps of the day. A deliberate-moving, stand-up fighter who refuses to get rattled, Greer took the first two rounds and stood off a game comeback in the third.

Setting and picking his spots before punching, Greer got off to a good start in the first and scored several times in the second with a hard overhead left to the face. The third was a different story as Mulloy started landing with hard blows from both hands and threatened to carry away the fight.

Sinclair and Tyra, Sq. 23, two scrappy and aggressive battlers, kept interest high as they staged
