Aggie-ex Sponsors AH Essay Contest

An essay contest is being sponsored by Sayers Farmer, '12, of junction, on "The Importance of Feed Reserves in a Texas Livestock Program."

Any student in the School of Agriculture may enter the contest. He should turn his essay into John C. Moffitt, animal husbandry instructor by April 15.

Prizes will be awarded by Farmer at the annual Agriculture Awards and Honors Day.

PE Grad Course Set for Summer

A graduate course in physical education will be offered for the first time at A&M this summer.

A graduate of another major may receive a minor in physical education in one summer, according to Carl E. Tishler, head of the physical education department.

An eight-page bulletin, designed to attract graduate students to A&M, is being prepared by the department giving information about the summer graduate program. Courses in coaching, recreation, supervision, and first aid are among those to be offered, Tishler added.

The first aid course, which will be open to all students, is considered lab work and may be taken in addition to the regular seven hour summer school load, he said. Students who complete the course will be awarded the Red Cross Instructors Certificate.

27 Paintings Set For MSC Display

Twenty-seven paintings circulated by the Texas Fine Arts Association will be displayed in the MSC, said Mrs. Ralph Terry, art director.

Set for March 23 to April 10, the show includes 13 oils, 9 watercolors and 5 prints. The paintings have an individual value from \$300 to \$35, Mrs. Terry said.

The show is part of 200 paintings assembled by the Fine Arts Association from works submitted by members. Most of the paintings will be for sale, Mrs. Terry said.

A MAN'S CASTLE

On a high cliff in the Bavarian Alps Ludwig II built his castle. More than a home, it was a fortress, a safe place for a king to live in dangerous times. Ironically enough, Ludwig died only a few years after he had completed his castle. He didn't really get much use out of it after all.

Down the valley there stands a little church. It is not nearly as imposing as Ludwig's castle. But it has been home and fortress to thousands through the trials and spiritual battles of life.

Honestly now, which is truly a man's castle? The one he builds and in which he lives—or the one that BUILDS HIM, and in which he WORSHIPS?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
