

East Tex-exes Give \$1,000 Scholarship

A four-year, \$1,000 scholarship has been given to A&M by the Deep East Texas A&M Club composed of former students residing in the Gregg county-Henderson area.

Any high school senior from the area who needs financial assistance to attend college and who has a good record may apply for the scholarship. Application forms are in the hands of all high school principals and teachers of vocational agriculture and county agents.

The Deep East Texas A&M club has previously established at the college three similar scholarships now being held by Donald G. Greene and Jeff B. Lilley, both of Gladewater; and Martin Bruce Reynolds of Longview. Winner of this year's scholarship will be chosen this spring by the faculty committee on scholarships of the college.

Rogers Lists School Needs

The needs of A&M Consolidated and Lincoln High Schools was discussed at the educational commission's meeting last night.

An explanation of the school construction proposal was given by Dr. John Rogers, School Board member. He said in making their plans the Board has considered the projected increases in enrollment, which will be about 400 students in the next four years.

"Group thinking seemed to be that all possible information concerning the school building program should be made available to the commission and all school district patrons," said Les Richardson, school superintendent. "The Board agreed this information should be given and that it will be given."

No definite date for the proposed bond election was set by the 35 members at the meeting.

Finding WHAT WE LOOK FOR. You and I usually find in life what we look for. And what we find is often a reflection of what we are. A man who looks for trouble can find it in abundance. The person who looks for truth and beauty somehow seems always to come upon it. One of the remarkable qualities of Jesus was that insight which enabled Him to see men not only as they were, but also as they might become. He saw Matthew, the successful business man. He also saw Matthew, the loyal disciple, writer of a Gospel story that would never die. And, He said, "Matthew, follow me." And Matthew left all and followed Him. There is much of evil and wrong in the world about us. Much that is discouraging! Much that is cruel! Much that is unkind! God needs men and women through whom He may work to help make right the wrong things of earth. He has given us His Church through which we may work effectively. Go to Church next Sunday and enlist your services in this great endeavor. The Church needs you even as you need the Church!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH. The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend service regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.
