

# Wins Court Tilt, 37-24; Mat Victors Crowned

Montgomery of the Whites, Montgomery scored his six points with two field goals and two gratis throws. Stewart Cowan of the Whites also scored six points.

There were only 2 minutes and 13 seconds left in the first quarter when Ronny Hayes plunked in the

game's first field goal to give the Army a 5-5 tie at that point. The quarter ended with the Army leading 10-9, with the nine Air Force points all coming via free throws.

In the second quarter, with 5 minutes and 30 seconds left in the first half, Montgomery marked up the first Air Force field goal and the half ended with each team owning one field goal for the first two periods. The score was tied at 13-13.

The third quarter produced a different Air Force team, as the players began to hit the basket regularly and they moved out to a comfortable 25-18 lead by the end of the quarter.

More of the same occurred in the final period as the Air Force increased their lead to the 37-24 margin at the final whistle.

## Ag Fencers Win Team Foil Title

Bob Jones, Joe Pafford and Bob Braslau of A&M's fencing team won the South Texas team foil championship of the American Fencers League of America Saturday, and also qualified for the finals of the open state individual meet.

Saturday's meet was held in Rice Field House at Houston. Other teams competing were Houston YMCA, the Galveston Buccaneers Fencing Club, Rice, Corpus Christi, and University of Houston. With A&M, these teams compose the AFLA's south Texas division.

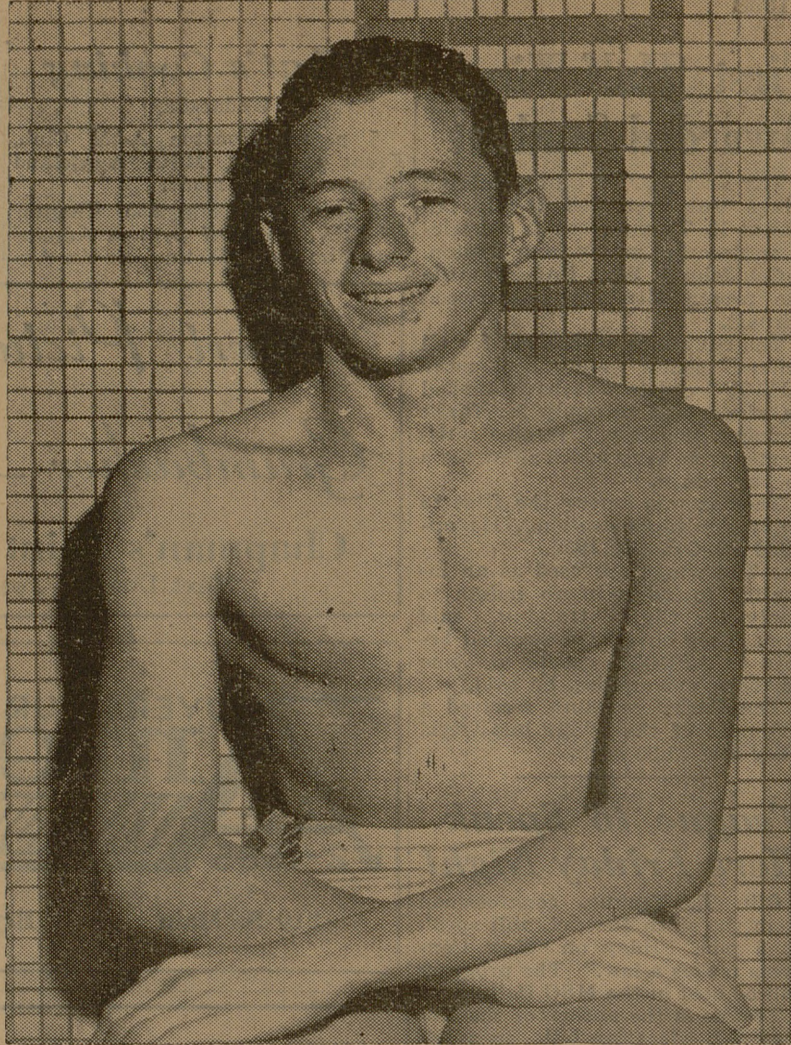

Jones, Braslau and Pafford placed fourth, fifth and sixth, respectively, in individual open competition. State individual finals will be held in Lubbock in May.

In sweeping to the team championship, the trio outscored A&M's number two team, U of H and Corpus Christi. The Buccaneers later edged the threesome for the club championship. The first team that wins five bouts wins the team title.

Gus Wulfman, Bob Ruiz and Frank Mandola made up the Cadet's number two team.

Taking the top three places in open competition were Jack Baird, Buccaneers; Bill Brown, Buccaneers and Shafik Farie, Houston.

A team sabre meet is set here for April 11. Rice, Galveston, Houston Y and U of H are expected to compete.

**BREASTSTROKER**—Dickie Weick, top Aggie point maker, left with swimming coach Art Adamson for the National AAU swimming tournament, Monday. Weick set a new conference breaststroke record in the SWC swimming meet held last Friday and Saturday.

## Rankin to Bulldog In Houston Rodeo

Seven students will represent A&M March 27-28 at the University of Houston's Intercollegiate Rodeo.

Bobby Rankin, senior from Wills Point, will specialize in steer wrestling at the event. He won first place in this event last year at the Arlington State College Intercollegiate Show and the Big Spring Junior Rodeo. Rankin also copped steer wrestling honors at the All-Aggie Rodeo this fall. In addition to steer wrestling, he will also enter bareback bronc riding, bull riding, and calf roping at the Houston rodeo.

**Versatile Cowboy**  
Another versatile cowboy is James Dickey, freshman from Bay City, Dickey will enter steer wrestling, bull riding, and bareback bronc riding events. He placed first last year in bareback riding at the World Championship High School Rodeo at Hallettsville.

Active in cowboy activities since high school, Billy Steele will also enter the Houston "dusty tumbles." Steele won the breakaway roping at the Wharton High School Show in 1951. He finished fourth in the nation in high school tie-down calf roping averages that same year. Steele won the ribbon roping at the Sam Houston State Intercollegiate Rodeo at Huntsville last fall. At present he is first in the National Intercollegiate Rodeo Association ribbon roping averages. Steele is a sophomore from Streetman.

**Southpaw Roper**  
Lowie Rice, a southpaw roper from Big Spring is another contender for roping and steer wrestling honors. Rice won the steer wrestling and ribbon roping averages in the National Junior Rodeo Association last year. He was champion all-around last August at (See RODEO, Page 4)

## Coach George 'Pleased' With Spring Grid Drills

Head football coach, Ray George announced he was pleased with the results of the spring grid drills and that, "several of the boys improved 100 percent."

End coach, Bill Duncan was very pleased with the end situation, "all the boys look very good, I'm still not sure who will start, they are so close."

In the final spring game, the

first team, defeated a hustling White squad, 33-0. Several players were absent from the game because of other spring sports and various minor injuries.

Johnny Salyer, playing fullback on the Maroon team, scored the first two touchdowns on plunges through the line. Billy Pete Huddleston, Bob Easley and Joe Bor-
