

No foolin'!... You've never seen

SUCH LOW PRICES

There's no April foolin' at THE SHOPPING CENTER! Nope, those low, low prices you see listed below are the genuine article, made possible because so many people make it a thrift habit to shop here for all their food needs. And talk about amazing values... we're out to fool the high cost of living, and when you shop here you'll fool the feller who says you can't serve fit-for-a-King meals on a food budget.
